'August Flower"

For two years I suffered terribly with stomach trouble, and was for all that time under treatment by a physician. He finally, after trying everything, said stomach was about worn out, and that I would have to cease eating solid food for a time at

not work. Finally on the recom-mendation of a friend who had used A worn-out with beneficial results, I procured a bottle of August

Flower, and commenced using it. It seemed to do me good at once. I gained in strength and flesh rapidly; my appetite became good, and I suffered no bad effects from what I ate. I feel now like a new man, and consider that August Flower has entirely cured me of Dyspepsia in its worst form. JAMES E. DEDERICK,

Saugerties, New York. W. B. Utsey, St. George's, S. C. writes: I have used your August Flower for Dyspepsia and find it an excellent remedy.
