Frank Wheeler, who has just returned now. No man can read the article of the article Frank Wheeler, who has just returned now. No man can read the article of the tention of more men and capital to the from the mountains, reports the deer Oregonian of April 25, 1899, in the light of farming business. It will insure better the election returns of last November, and farming, and this will necessarily raise the have the shadow of a doubt of that paper's price of good farming land. Herety-fore this Portland today on important business, bonesty and candor while writing it. We price has been kept down by the abundance and on returning will no doubt be able to pass judgment on the divine Sarah trotting stallion. John Morgan received to pass judgment on the divine Sarah Bernhardt.

The There year old trotting stallion and on returning will no doubt be able to pass judgment on the divine Sarah is zealously defending McKinleyism. plicants, and within the past four or five years by low prices of farm produce, which have made farming everywhere unprofitable. There is now little or no good land given away in the west. Taking into consideration the advantages and markets, offer, land in the eastern as they did last year, that on certain lines prices comes, as it is sure to do, the land the goods delivered have not been up to that is nearest market will be first affected. the samples shown by the agents and com-mission men. The result is that they have given a good many cancellations of orders, it was a year ago. The present year will respect there are likely to be more cancel- asly reduced, and when this money goes to owners they will find it better to buy This confirms what has heretofore been land with it as soon as it is seen to be im-Farmers have had a lesson against going into debt that will last them several years.

THE WHEAT DEFICIENCY

Bradstreet's, through its London corresponbent has made an estimate of the wheat number of fine pieces of China ware were left with good wishes that Mr. and Mrs. candidate for the republicans to make. Reof 318,000,000 bushelt leaving an actual shortage of 53,000,000 bushels over and United States will have 180,000,000

> bushels to export. Lleuienant Governor Jones, of New York, will fight his party ticket. He wanted the democrats to nominate him for governor instead of Flower. He is a mere bolter and malcontent and will have very

> little influence. He says: "Continued subscrylence," says he, "bu quietly borne by American citizens. I here Is but one way to degrade these usurpers Temporary defeat of the party will be barmless compared with the effects of the control for the welfare of the state and the interest of the democratic party. My duty the Saratoga convention to such extent a may be within my power, and in such manner as may seem to accomplish that

In reply to enquiries made by the Boston Globe among the delegates of the republican state convention, of Massachusetts, as to their preference for president in '92 431 answers were received. Of these, 372 Inquiries are frequently made as to how favored Blaine, 47 Harrison, while A'ger Kinley 2, Lodge and Fassett 1 each.

> Sherman showed the white feather o Thursday at Columbus. He talked to 40,ooo people and never said silver once, Those present were mostly farmers and Mitchell & Lewis Co ... he'was afraid to tark gold bugism to them, At Waltham, Mass., a single pound of steel costing fifty cents is manufactured
