ops were not all picked then

The farm work of the season is getting along in fine shape. Grain is all thrashed, hops mostly all picked and the weather is still dry and emoky and a good rain would I will try and pen a few items from Tangent. Harvest is about over in this vicinity. The last run made by the threshers was finished the last of the be a great thing and start the grass livening up things in general. past week. Spring grain was very light, wheat made from 10 to 15 bushe's per From the number of Cleve and hats

acre, oats 15 to 20 worn in this community one would think There will be a scarcity of oats in Linn Brownsville was truly a democratic strong county this year, as the larger part of the winter's oats proved to be cheat "hen they were threshed.

Brownsville was truly a democratic strong hold, yet we see an occasional hat representative of Grandpa and no doubt some will yote for Uncle Ren. will vote for Uncle Ben. Mrs J K McHarque will start this week on a visit with relatives in California to be

TANGENT.

work to be done. Many of the fields were plowed late, and this ground is very hard and cloddy, consequently there will be a good shower last. The attendance is reported small as eeded before much seedling can be done The Tangent drug store has been sold by the sheriff, so there will not be quite as much of that obnoxious beverage dis made by Dr Ames, of Albany, of the water of the different cities of the Williamette valley, says that the water at Indepen-

posed of as there was. School commenced in both depart ments of the Tangent district on the 5th. Prof A W Moses as principal, and Mrs a feather in our cay—and L C Gilmore, proprietor of the Independence water works, should feel flattered.—Indepen-Weaver as assistant.

Miss Mary Wetmore, of Michigan, will open school in District No. 27 on the 19th. news. The name of Dr Ames does not appear in the Albany directory. Miss Mary Williams has rented her farm and moved to Albany to sattend school this winter.

Isaac Knighten says he is tired of keeping bach, and thinks of trying to induce some young lady to share his for tune and cheer him on his lonely way. What is to be done with the pheasant immediate future. "The powers that be" are strongly in favo of using Oregon stone, if a quarry can be found sufficiently well developed to supply the materiel as fast as it will be needed—Jacksonville hunters? there is almost a continued popping of guns from daylight until dark. Birds of all sizes and any age are being slaughtered by the hundred. If there is not some means derived to stop this, soon there will be a scarcity of any kind of game birds in this valley. There is a lot of farmers in the vicinity of inters? there is almost a continued is a lot of farmers in the vicinity of Sheed, who have pledged themselves to prosecute any who hunt on their farms without permit. And no one will be allowed to hunt birds for sale. Those who signed this pledge mean business, and hunters had better beware how they trespass on their premises. They also notify each other if they see any one or their farms hunting.

Pot bunters will not look kindly at this
