o'clock, Frank G Lenz will arrive in Albany on his way ground the world on a fell to the ground and broke an arm and bany on his way around the world on a bicycle. As it is more interesting to know about a man when he is with you than when gone, the Demccaar will give its interview previously. Mr Leng is a special representative of "Outing," the well known sporting paper. He will go to San Francisco, thence by steamer across the Pacific to Jupan and around the world, returning to New York in 1894. Mr Leng, according to an exchange, left New York on the 4th day of last June and has traveled 4125 miles to Salem in 97 days. His record for one day is 84 miles, and his average run, 55 miles. He usually makes from 50 to 60 miles, but finding that this pace had a tendency to stiffen, he shandoned it and now seldom revees 6 so miles. He has had six excesses.

The Odd Fellows worked late Saturday to stiffen, he abandoned it and now seldom exceeds 60 miles. He has had six escapes from death, two of them very narrow, since he began his ride. Four of the escapes were tw being caugh, on trestles passed While at Yellowstone Park he Chicke. Chicken thieves are again on the ramnearly felt over a precipice. He was page in this place.
