The Democrat.

The Ingram Case.—The Statesman publishes the decision in the Ingram case as follows: The State of Oregon we Frank S Ingram. Linn courty, R P Boise, judge. Defendant appeals, affirmed. George E Chamberlain, attorney general, and H Heweit, for respondent, J K Weatherford and W E Blyes, for appellant. Per Curiam: The defendant was indicted for murder: in the first degree, tried and convicted of murder in the second degree and sentenced to the pentientiary during his natural life. The first error presented is as to the challenges of certain jurors for actual bias, which was afferwands also leaves to objection is raised under sub-division 2, section 188, Hill's code. The facts disclose that in empanneling the jury at the trial other cases, the defendant by his counsel challenged one George McHargue touching his qualifications to act as a juror upon the ground that he had formed an opinion as to the guilt or innocence of the defendant from reading the newspaper account of this first trial, and the should form his opinion from the court stated that he should form his opinion from the court stated that he should form his opinion from the corn of the state of the cause, who did the deed. Three men who left to prove the content of the first trial, and the should form his opinion from the court stated that he should form his opinion from the court stated that he should form his opinion from the court stated that he should form his opinion from the court stated the case of the cause is the court stated that he should form his opinion from the court stated that he should form his opinion from the court stated that he should form his opinion from the court stated that he should form his opinion from the court stated that he should form his opinion from the court stated the state of the cause is the court stated that he should form his opinion from the court stated that he should form his opinion from the court stated the cou suspiciously and may have been the menthat such opinion was a fixed one, but upon examination by the court stated that he should form his opinion from the evidence, if he was taken as a juryman, and that he had no opinion that would affect his judgment, after hearing all the testimony. There was no error. State v. Tom. 8 Or. 177; Kumli v. S P. R R Co. 21 Or. 505. In this last case, this subject was thoroughly examined, and is decisive with the testimony in the context over the will of the napers in the context over the will of the last the prisoner was dishnerited while the deceased was amply provided for. It also shows that the evidence of the deceased was about to be taken shortly before he was killed, but the taking of his deposition was objected to by the defendant and the hearing before the was consequence, the judgment must be affirmed.

What is in It.—Somebody is greatly Mars in If.—Somebody is greatly disturbed over Abany's new chemical in the context of the Italian before the entered the prisoner and the relations existing between the parties. Under the circumstances, we think, there was no error, and that, as consequence, the judgment must be affirmed.

Supposed on delinquent \$77. Expense of the point there involved. The next objection is to the introduction of the such about the testimory of the deceased was about to be taken shortly before he was about to be taken shortly before he was killed, but the taking of his decisive was to the the evidence of the deceased was about to be taken shortly before he was ablent to the testimon existing between the parties. Under the circumstances, we think, there was no error, and that, as consequence, the judgment must be affirmed.

What is in the context from the point of the context for point of the context for the deceased was about to be taken shortly before he was about to be taken shortly before he was about to be taken shortly before he was about to be taken shortly and the prisoner and the relations existing between the point of the point of the point of

Whats in Ir.—Somebody is greatly disturbed over Albany's new chemical engine. An anonymous correspondent from San Francisco, probably a rival, says: Taken from San Miguel, Cal., Times, of Dec. 1st, 1892. "He was followed by T C Sluser. He had seen this summer standing out on a street in Bakersfield a chemical engine (Lindgren-Mahon make) which for some time past had been out of order, or, as an irate clitizen expressed himself, 'The damned thing wouldn't work.' The Bakersfield machine had been purchased less than five months previous to the above. This is chine had been purchased less than five onths previous to the above. This is me make of engine as was just purchased Rescue H & L Co." And the Junction \$2.487, JR Wyatt, attorney; Gordan & same make of engine as was just purchased by Rescue H & L Co." And the Junction

Ter in this or any other country has done as much good or has had a tendency to inspire the wicked to be good, as that popular dramatization, the noble work of Mrs Harriet Beecher Stowe, "Uncle Tom's Cabin." The play which has caused the world to weep and rejoice. A play which is highly endorsed by all the principal clergy, Sutton's Grand Double Company with big band and thirty seven people, will present this popular drama at the opera house Monday, Jan 23. See the big street parade at noon.

To Prevent the Grip

Or any other similar epidemic, the blood and the whole system should be kept in healthy condition. Take tlood's Sarsaparilla to give strength, purify the blood and prevent
