By the use of poor smoking tobacco. The one tobacco that has held its own through all the changes of time and against all competitors is Blackwell's Bull Durham Smoking Tobacco.

**WHY?** Because it's always pure, always the same, always the best. Such a record tells more than pages of "talk." It's just as good to-day as ever, and it is the tobacco for you. If you smoke, you should smoke Blackwell's Bull Durham.

### HAWAIIAN TREATY.

The Hawaiian treaty is practically ready for adoption by congress. It will now go to be approved, and then be sent to Hawaii for consideration by the provisional government. Then it will be returned to Washington again for final action. As now planned, it provides for a territorial form of government. Status-quo is out of the question. If the population increases rapidly, and the resources are greatly developed, that may come in the course of a decade or two.
