Gladstone has A clear Head

WHY? Because he follows these rules: "Kesp the head cool, the feet warm, and the bowels open." You can have a clear head and live to be ninety if you do the same thing. When the bowels fail to move during the day take on retiring two Smith's Small Bile Beans. Their action is so mild that you are not aware of it. All day your mind will be clear and cool. "Not a gripe is a barrel of them." Ask for small size.
