That Cave. — Anything about the wonderful cave in Josephine county is of general interest. The following from the Grants Pass Courier is fresh: George Thornton came in from the Cave Devopment Co's works last Thursday after an absence from the city of six weeks. He says a number of very comfortable cabins have been built along the line of the proposed stage road and these will be used as camps and stopping places for the construction forces and travelers. The mouth of the cave has been housed in with a neat building twelve feet high.
