A Big Storm.

Very Cold. YAQUINA. Jan 12, 1894.—The storm is raging in all its fury on the Pacific. The steamers Homer and Alcatraz are both bar bound, and the government work is temporarilly suspended, owing to the heavy gale blowing here.

A Big Convenience.

SALEM, Or., Jan. 12.—The Pacific Post-at Telegraph Co here and the storm is raging in all its fury on the Pacific Post-at Telegraph Co here are storm in temperature this evening. The mercury fell from 20 above zero at 4 o'clock to 3 below at 6 P. M. At midnight it was 7 degrees below. At Springfield a like change was observed, accompanied by snow. At Bloomington a fierce blizzard prevails, and the thermometer registers 12 below. Across the line, at Terre Haute, Ind., a like condition prevails, the thermometer having fallen 40 degress in six hours.

a! Te'egraph Co has opened an office in the Capital Building for the convenience of its patrons, and will maintain the same Makington correspondent telegraphs:

"I have the highest authority for the statement that President Cleveland will call an extra session of congress immediately after the expiration of the present session, if this congress adjourns without enacting any legislation for the relief of the treasury. The president has authorized a member of the house committee on rules and a president. during the session of the Legislature. They will have a first class operator in nation of the three Jennings brothers for counterfeiting was delayed somewhat to-day on account of two witnesses falling to appear on time and was not begun until late. U.S. Attorney E.R. Murchy apcommittee on rules, and a prominent democratic leader, to make this state-ment for him."

SACRAMENTO, Jan. 11.—This has been a erable dissatisfaction is said to prevail here among populists on account of thus stopping the people making more money. gala day in Sacramento. The partisan friends of James H. Budd made it a democratic holiday and the ceremonies attending the going out of ex-Governor Markham and the coming in of Governor Budd were marked by a pomp and en-thusiasm that drew the whole city into All Sizes. For Fat and Lean Peoa fever of excitement.

There should be a special law for the being made to create a new county out of territery from Wasco, Crook, Gilliam and Grant counties. The new county, as projected, would be about the size of Sherman, and have taxable property to the amount of about \$450,000, less than one-third that of The Dalles alone.

Bigh Water. necessary to advertise in its columns. This river is still rising, with 47 feet of water is not only small but it is a contemptible in the channel. The creeks throughout falsebood. The Oregonian has a big cirtue country have overflowed their banks,

culation and is a splendid advertising and every farm in the lowlands is commedium; but it doesn't cover the field and eastern advertisers know it.

The Eugene Guard says: A young man and every farm in the lowlands is completely deluged. People at Pomeroy and Middleport are moving out of their houses, seeking refuge on the hilltops. At Point Pleasant the water is up to the The Eugene Guard says: A young man who, it is said, was formerly a clerk in a prominent dry goods store in this city, was a principal in a justice court trial at Pertland yesterday. The charge was lewd co-babitation, and the young woman who was being the well known to a party to the suit is also well known to study abroad of the anti-toxine treat

a party to the suit is also well known to many of Eugene's young men. She was a member of a comedy company that strand-of here isst winter. Such is stage life when divested of the glars of footlights and flashy stage costumes.

Since the discovery of diphtheria bacillus, the absolute diagonsis of the disease lus, the absolute diagonsis of the anti-toxine treatment, in an address before the medical fraternity of Washington last night, said: "A supplied the control of the anti-toxine treatment, in an address before the medical fraternity of Washington last night, said: "A supplied the control of the anti-toxine treatment, in an address before the medical fraternity of Washington last night, said: "A supplied the control of the control of the anti-toxine treatment, in an address before the medical fraternity of Washington last night, said: "A supplied the control of the contro Governor Pennoyer will retire from public life in a few dars, which will be heralded with pleasure by nearly every body except people wishing pardons. The Man about Town, though the governor's wife's brother's wife's sister's hasband has no hesitation in joining with the crowd in clapping hands. Mr Pennoyer, though, has made a national reputation, but it is of the high bridge jumpers order. He has kept the public in a state of tension, one of constant expectancy for some foot act that will open people's eyes. Oregon will now have the opposite kind of an administration.

WASHINGTON, Jan. 10 .- Notwithstanding the reverses suffered by the Carlisle tives yesterday, there is to be an abatement in the effort to secure currency legislation. It is said by a gentleman conthat the Rev Mr Barclay, of Woodburn, can pray like a house on firs. A new way of expressing it and one difficult to decipher.

Washington, Jan. 9 .- The Carlisle arrency bill, which has been under de te in the house for two weeks, was ig-miously defeated today. An analysis of the vote shows that all of the 124 votes in favor of the motion were cast by dem-

PIBRRE, S. D., Jan. 9 .- The failure of W. H. Taylor, outgoing state treasurer, to turn over the office to his successor yesterday started rumors flying of an investigation. Taylor cannot be located, but his bank at Redfield closed its doors last avening. Telegrams sent from here but his bank at Redfield closed its doors last evening. Telegrams sent from here last evening. Telegrams sent from here failed to locate Taylor. Ex-Govgrnor Mellette, one of his bondsmen, is on the road from Indiana, and other bondsmen are on his track. From absolutely reliable sources it is learned that Taylor's defalcation will reach \$300,000.

THE DALLES, Jan. 9.-The Dalles is enoying a carnival of sleighing. The snow has packed sufficiently to put the roads in excellent condition, and all manner of vehicles have been placed on runners. Several large sleighing parties have been given. Coasting has just begun, and Union-street hill was a scene of much merriment last evening. The roads leading into the country have not been traveled sufficiently to make them smoot and most of the driving is done in town
