## A Rare Religious Book.

The attention of the Damocrar is call-

really think the Durrant trial was about of the world, written in Hebrew, begin-smallest child loved him because of the at an end. The Democrar predicts that ning with Adam to the year 1692 A. D., metal of his heart. He was an optimand published in Frankfort-on-the-Main | ist all through, and it was sunshine to about some proceeding in the Durrant in 1696. The title of the book is "Zem- be near him. He looked on the bright ach David, or Branch of David." The side of affairs, and picked the best in author is David Gans. In the preface men's characters instead of the worst, as he quotes the authors from whom he has is the habit of many. He was the friend says: "The tide of destiny is turning fast drawn, and he also east that he has had of all men and yet the enemy of all that access to sources unknown to other his- was evil. His daily life was as much a torians. A learned Oriental scholar sermon as those presented on the Sabwho visited the sibrary several years ago bath. All men spoke well of him. A "Zemach David," mentioned in a pub- said to us after Dr. Irvine's death: lication connected with the Vatican "He was what I call a Christain."

After lecturing at Paterson, N. J., mony, and hereafter their two enter into a correspondence with the title in the fullest sublined of the office of Governor, and the election of a Democratic legislature. In the canvas Bashnell, the Republican candidate for Governor, has failed to create any eathusiance as which are a historical continuance as while Campbell's meetings have been and largely attended, and enthusiastic and largely attended, and board: During the past month sixty-eight reign of the Roman Emperor Augustus, and among the various opinions concerning the date this is the accepted one cents per day. This is the largest num-

cents per day. This is the largest number of men ever having been in the Home the text with the time in which lived lines exterted from the conventions of will come in handy these quiet days. at one time, were maintained for a less aggregate sum of money than for any previous month since the Home was opened. It can be said that one state institution is conducted on business principles, and it will be commended by principles, and it will be commended by years between the two dates 3761 and in their effort to the very last; how in the George Washingtons, to use the language of Barnes in the Durrant case. many journals in this state, excepting, of course, the Roseburg papers, which are common enemy of the present board of Trustees.

A dispatch from Poughkeepsie, N. Y. tells about how Patrick King Callahan, who resides at Spring street and West Broadway, New York, jumped from the highest point on the Poughkeepsie bridge into the Huden river, a distance of 212 place between his Holiness the Pope and place between his Holiness the Pope and place in the Chicago Convention they never cast the Chicago Convention they never cast all the Chicago Convention they never cast and the Chicago Convention they never cast and the Chicago Convention they never cast and how by their persistence they forced that compromise which resulted in the confined in the Poughkeepsie bridge into the Huden river, and state of the Chicago Convention they never cast and how by their persistence they forced that compromise which resulted in the chicago Convention they never cast less than 303 votes and once cast 313; and how by their persistence they forced that compromise which resulted in the confined in the Poughkeepsie bridge and how by their persistence they forced that compromise which resulted in the commination of Garfield. All these things are still fresh in our memories, and being so, it is not a little strange that a serious effort should be on foot to give a third term to Mr. Cleveland. The fears which termented the founders of the Report of the Salem Post gets sarcastic than the Chicago Convention they never cast and how by their persistence they forced that compromise which resulted in the chicago Convention they never cast and how by their persistence they forced that compromise which resulted in the chicago Convention they never cast and how by their persistence they forced that compromise which resulted in the chicago Convention they never cast and how by their persistence they forced that compromise which resulted in the Chicago Convention they forced that compromise they forced that compromise they forced that compromise they into the Hudson river, a distance of 212 place between his Holineus the Pope and and died at Bear's Hotel at 11.25 o'clock and died at Bear's Hotel at 11.25 o'clock the same day. Callahan was a professional bridge jumper. He had an ambition to become celebrated like Brodie, so undertook a greater task than Brodie ever attempted, all for notoriety. Foolish man, what won't a man do toget his mane in the papers and be known of men. But the Brodies and Callahans are not remembered a week the Brodies and Callahans are not remembered a week atter their death. Very transitory is fame.
