Spain, worn out, cannot support itself, so it seeks it from Cuba and the Phillipine islands. 20,000 Spanish officers, sore of prominent Spaniards, are in the island, living easily and robbing the people. The tax collectors, of which there are many, get six per cent for collecting the exorbitant tax, which he often artitrarily increases, and if nat paid sells the property. Spaniard have thus gotten possession of 90 per cent of the property, robbed from the Cubans. The present war began in 1825, and has subsided and continued to the present time. The governor-general of Cuba is absolute master of every person on the Island.

Arbitrate! Only revolution can settle with the content of the name Univer is on every share. For sale only by Hopkins Bros.

To prevent the hardening of the subcutuseous tissues of the scalp and the obliteration of the hair follicles, which cause baltiness, use Halt's Hair Kenewer.

Keep going until you reach the shop of the Albany Dressed Beef Company, where you will find a fine line of meats of all the property, robbed from the Cubans. The present war began in 1825, and has subsided and continued to the present time. The governor-general of Cuba is absolute master of every person on the Island.
