What Dr A E Salter Says.

Burralo, N Y.—Gents:—From more standard of the famine in process and fall of the medical fraternity.

Burralo, N Y.—Gents:—From more study with pleasure. For full imformation abled to cure is taked in the canse of the state clear that there is at least one dreaded disease, and giving the formulation of the disease, requires a constitutional trainernity.

Catarrh Cure is taken internally, coling the formulation of the disease, and giving the foundation of the disease, and

Semi-Centen nial

EDITOR DEMOCRAT: Yesterday was the 50th anniversary of what is probably the first temperance society organized in Oregon. It may be of interest to your numerous readers many of whom are staunch friends of the temperance cause, to read a few items taken from the original records of the organization, that I copied several months ago as follows: "Washingtonian Sept." ember 5, 1847, at the call of Mr. Joseph L Meek of Tualtin county, the citizens of Oregon City and vicinity assembled to hear an address on the subject of temperance, and joining a temperance society. The meeting was organized y calling Elder Hezeklah Johnson to the

Chair." After the speaking, the record goes on to say. "The following Fledge was then offered for signatures, when 30 were immediately enrolled. Pledge. We the subscribers hereby pledge ourselves to as a beverage. We will discountenance their use in our families and among our friends and endeavor by all fair and honorable means, and by personal example and influence to banish their use

from the community." At a subsequent meeting the following

was adopted. "Constitution." "Whereas the time has arrived, when we in our view it has become an imperious duty to make a public demonstration in regard to the monster Intemperance, which is blighting the prospects of this for sportsmen. our beloved Oregon, we have therefore agreed to form ourselves into a Society to array ourselves on the side of tempevery citizen who has the good of our little community at hear will join in the ers profit for the investment in his land. world. In view of this we adopt the folthe interminable care of his orchard and world. In view of this we adopt the folorder to be true it received last year. In girls nor the brother appearing in court. lowing articles for our government: Article 1st, This Society shall be cailed

the Oregon Washingtonian Society." The other articles related to the duties seventy cents. Whatever the crate brings above seventy cents is the pay for his time, labor and expense and pay for his time, labor and expense and steps were taken to circulate petitions.

The other articles related to the duties of officers etc. and hence I don't give where money is running like water, and predictions cabled Saturday of the failure of the harvest and a consequent impending have been staked—have no money of familine. Cries of warning to the governpay for his time, labor and expense and steps were taken to circulate petitions have been staked—have no money of famine. Cries of warning to the governif no more than seventy cents is realized steps were taken to circulate petitions their own, and never had any. Lots of ment are rising in a crescendo scale from the year's work is entirely lost. The grower must take every chance; the railroad must take none. The railroad hibit." I found no evidence that this ment of the town. whether the grower gets anything or signers appear the names of Rev. David D Harmon, the famous Missouri laugher, is dead. Harmon had a guffaw which could be heard for several blocks, and it was so contagious that he was a great attraction when he visited Atchinson to sell the products of his farm. Harmon lived a few miles across the Missouri line.
