every day load for a 3½ Studebaker wagon. It is not warranted by the mak-ers under such a load, but it carries that much right along during the straw-hauling season. However it is warranted to carry as much as a 3½ wagon of any other manufacture. If you want a wagon that will last you during the rest of your life, buy the "Studebaker."

SUPERIOR DRILLS-

Wm Walker JE Archibald, B J Hecker, Al Perry, Geo E Edge, Frank Trites, S Freerksen, Z G Hayes, E D Barrett. If you think the Superior drill is no right at the top, ask any of the above right at the top, ask any of the above named gentlemen, each of whom bought and used one last spring. We have just received a car load for the fall trade, and they are not old bankrupt stock from Portland, but were shipped direct to us from the factory Aug. 1st. Come around and see the very latest and best drill. Don't Forger that the place to buy all these articles and many others that we
