A Gold Discovery.

county. A wave of excitement spread over the Soap creek country and a mes-senger was sent to Corvallis on Saturday to secure an inspection of the ledge by Adam Assell and Robert Watts, the wellknown mining experts of certain English capitalists. They at once repaired to the locality of the discovery and found an excited crowd awaiting their arrival. The country quarta, and, gravely stating that in their opinion, it would assay fabulous quantities of country gold. The assembled expectan's probably mistook the word "country" for "native" or something of that cort and they scurried off, During their absence the experts stole away with all the liquid and other choice refreshments the lortune stole and the liquid and other choice refreshments the lortune stole and plane. refreshments the lortune-seekers had conveyed to the prospective Klondike, leaving them to discover, in time, that country gold is identical with fools gold.
