AROUND A SHAFT.

Fred Grimmer Meets With a Thrill. ing Experience.

This forenoon Mr. Fred Grimmer for a great many years an employe in the Red Crown Mills, met with an experience that came near costing him his life. He. was working under the mill making some was working under the mill making some repairs when he was caught by his clothes on a shaft and was whirled around it au the rate of about one hundred and fifty revolutions a minute. His jecream at-tracted attention above and the machin-ery was stopped just in time to save his i ie, but not until his clothes were all torn off him but his shoes and socks and he was bruized and out up in a terrible manner. His right wrist was out near's manner. His right wrist was cut near'y off, the tendons being severed, and his face and body were mashed in a bad manner, presenting a mutilated specta-cle. Almost miraculously though no bones were broken. Dr. Davis was called and attended him.
