THE EXCELLENCE OF SYRUP OF FIGS is due not only to the originality and simplicity of the combination, but also to the care and skill with which it is manufactured by scientific processes known to the California Fig Syrup Co. only, and we wish to impress upon all the importance of purchasing the true and original remedy. As the genuine Syrup of Figs is manufactured by the California Fig Syrup Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other par ties. The high standing of the Cali-FORNIA FIG SYRUP Co, with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. Mesers Russel Coleman and Dave Drager arrived home this morning from the Klondike. The gentlemen are both fat and healthy but report that besides beautiful scenery there is nothing much to be found in that country. There is no gold to be found in that country. There is no gold to be found in the products, and that the products, and that the producer and consumer may be except on the few creeks of the region and they are all taken. There is work there for probably 1000 men. The gentlemen are heartily glad to be tome. The gentlemen are heartily glad to be tome. The gentlemen are heartily glad to be tome. As the people do not particularly need an extra session it is not probable the Governor will call one. In fact, judging by street talk, the session rarher outrivaled the famous hold-up session of the late legislature.
