As the genuine Syrup of Figs is manufactured by the California Fig Syrup Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other par-

It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. While the overland was standing on the main track the freight started along the side switch with Harry Bickett, a brakeman from Portland, hanging on the side of one of the freight cars.
