Marriageable Ages

In Germany the man must be at least 18 years of age. In Portugal a boy of 14 is considered

marriageable, and a woman of 12. In Greece the man must see at leas 14 summers and the woman 12.

In France the man must be 18 and the woman 14; in Belgium the same agee. In Spain the intended husband must

have passed his fourteenth year and the woman her twelfth . In Switzerland men from the age of 14

and women from the age of twelve are allowed to marry. In Austria a man and a woman are supposed to be capable of conducting a home of their own from the age of 14.

In Turkey the youth and malden who solice station at Bingbamton, N. Y., durcan walk properly and understand the ing the recent blizzard, and asked for a necessary religous services are allowed to night's lodging.

be united in marriage.

Pendleton Republican: An Eastern lodging .. paper makes the discovery that the ramor that hestilities were about to be resumed at Havana propably arose from he attempt of ex-President Cleveland decoy ducks.

It is quiet ridiculous for those who pay sue their own notes for circulation withno taxes to warn these who co, against out limit, based upon the fiction which a candidate who pays taxes and in favor the Secretary is pleased to call bank capof a candidate who do a not pay any, ital or bank assets.
