and Burning Terrible. Washington, Mar. 10,-One of the paragraphs of the army reorganization

> The itching and burning I suffered in my feet and limbs for three years were terrible. At night they were worse, and would keep me awake a greater part of the night. I consulted doctor after doctor. None knew what the trouble was. I concluded I would have to go to a Cincinnest hospital before I would get relief. My wife finally prevailed upon me to try Cornouna remedies. Fresto! What a change. I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years.
