For Yaquina Bay.

Saturday night July 8th, was inaugurated a new and desirable arrangement for the convenience of those wishing to go to the coast. The Southern Pacific southbound overland will bring from Portland one or more sleepers, which on arrival at Albany will be set out on the Corvallis & Eastern tracks and instead of the usual Sunday excursion train for the Bay leaving Sunday morning, the C. & E. train will leave Albany every Saturday night at 11:30 p. m., arriving at Yaquina at 9 p. m., and leaving Newport at 6:30 in time for breakfast. Returning leave Newport at 9 p. m., arrive Corvallis 2:40 a. m., and Albany 3:30 a. m., connecting with north bound overland for Portland. Albany and Corvallis passengers desiring sleeper to Yaquina and return must make reservation on or before Friday. The price for two nights will be \$2. For the accommodation of those not desiring a sleeper the C. & E. will also run day coaches and any Yaquina Bay tickets will be good on this train. The C. & E. have issued a new form of ticket limited to three days, giving the passenger one whole day at the beach. These tickets will be sold every day in the week except Friday, at \$2.50 and will be good on the Saturday night special as well as all other passenger trains. Owing to the reduced price no extension of time will be granted in any case.

At Second and Ferry.

Mr. Julius Gradwohl will now be found in his own store at the above location, better prepared than ever before to serve the public with a first class stock of crockery and glass ware, and standard groceries.
The highest place in Albany. Everything in sight. Good goods at low prices. Mr. Gradwohl has always done the square thing with his customers and will continue to do so.
Also writes insurance a first class company.

Hon. O. H. P. Belmont is reported to have secured the pew formerly occupied by the Vanderhills in Trinity church. No doubt he will find the droppings of the new sanctuary all sweet and to his taste.

The Maine woman who married the lawyer who had won her suit for her probably thought she might just as well turn everything over to him in a lump.

When death comes to the door of a strong, rugged, healthy constitution he finds it closed. He is always sneaking around looking for openings through which he can invade happy homes and leave them forlorn and desolate. He looks for weak places and broken doors which can be easily battered down. When a man's vigor and energy begin to weaken and become uncertain, then the door to his vitality grows shaky and there is an opening for the grim visitor to enter.

It is commonly said that people die of this or that particular disease. The truth is they die of constitutional weakness. If more people realized this they would understand why the great "Golden Medical Discovery" invented by Dr. R. V. Pierce of Buffalo, N. Y., cures so many cases of lingering coughs, throat, bronchial, and kindred affections of the air passages. It gives thorough abundant constitutional vitality. It gives the digestive and blood-making organs, where consumption usually begins, power to do their work completely so that no poisonous dregs can get into the circulation to fasten on the lungs and vital tissues.

"I have been troubled with bronchitis for several years," writes Mrs. Orin O'Hara, of Fergus Falls, Minn. (Box 124). "In the first place I had sore throat; doctored with different doctors and took various medicines, but got no lasting relief. We made up our minds to try the medicine advertised as Dr. Pierce's Golden Medical Discovery. After I had taken one bottle we thought we could see a little change. We sent and got another bottle of the 'Golden Medical Discovery' and also one of 'Favorite Prescription.' I took them alternately, and in a few days I began to see that I was better for certain. I took eight bottles of 'Golden Medical Discovery' and two of 'Favorite Prescription,' and, really, I have not felt as well in years. I sleep better than I have in twenty years."

Dr. Pierce's Common Sense Medical Adviser, a 1000 page illustrated book, will be sent free by the World's Dispensary Medical Association for one-cent stamps, to pay the cost of mailing only, or a more substantial cloth-bound volume for 31 stamps.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
