Keep Your Youth

If you are young you naturally appear so. If you are old, why appear so? Keep young inwardly; we will look after the outwardly. You need not worry longer about those little streaks of gray; advance agents of age.

Ayer's Hair Vigor

will surely restore color to gray hair; and it will also give your hair all the wealth and gloss of early life. Do not allow the falling of your hair to threaten you longer with baldness. Do not be annoyed with dandruff. We will send you our book on the Hair and Scalp, free upon request.

Write to the Doctor. If you do not obtain all the benefit you expect from the use of the Vigor, write the doctor about it. Probably there is some difficulty with your general system which may be easily removed. Address, Dr. J. C. AYER, Lowell, Mass.

Late News in Short Form.

A Filipino Congress.
MANILA, Sept. 8.—A Filipino who has arrived here from Tarlac says an extraordinary session of the revolutionary congress took place at Tarlac, Aug. 24. Aquinaldo presided, and Choso Mabini as president of the supreme court and Gonzaga as attorney-general. Mabini, who recently resigned the foreign secretaryship, is the ablest man connected with the revolution. Gonzaga was president of the last peace commission.
The proceedings of the congress disproved the report that Aquinaldo had declared himself.

Indications of Peace.
LONDON, Sept. 9.—The Anglo-Transvaal situation wears today a more peaceful aspect. The associated Press account of the decisions taken at the cabinet council yesterday are confirmed from the best sources of information.
In addition to the troops from India, a brigade of four battalions of infantry is under orders to start for South Africa immediately.

The Dreyfus Case.
KENNES, Sept. 8.—That Captain Dreyfus will be condemned is the almost universal opinion heard in Kennes tonight. Hitherto there had always been a divergence, but now both camps, the Dreyfusards and the anti-Dreyfusards, seem unanimous that the verdict will go against him.

The Proper Man.
CHICAGO, Sept. 8.—A special to the Record from Washington says: Nelson A. Miles, general commanding the army, will go to the Philippines to direct military operations during the next campaign. This statement, while not authorized by any announcement from the president or the secretary of war, is made upon the authority of one of the officers of the department.

The Philippine Question.
WASHINGTON, Sept. 8.—The cabinet meeting was devoted almost entirely to a discussion of the local government which will be established in the Philippines on the cessation of hostilities. Secretary Root has given the matter much thought, and his views as expressed at the meeting today were received with approval by all the members present.

AN OUTRAGE.

An Innocent Man Declared Guilty.

The military court of hirings in session at Kennes for several weeks, where they went through with the farcical form of a military trial of Gen. Dreyfus for treason, today rendered their verdict of guilty and sentenced the prisoner to ten years imprisonment, an outrage upon justice. The entire world is indignant.

It has been learned that a majority of our citizens are opposed to the proposition of the city buying a half interest in the electric light and water systems for \$20,000. The petition was not presented to very many, but of the twenty-nine signers only four put down "yes."

J. B. Thompson has traded the St. Charles hotel property and business to B. S. McConnell, of Kansas. Mr. Thompson valued the property at \$20,000, and received in exchange for it a four-thousand dollar ranch, 100 acres, in Kansas, and the balance in stock and cash. Mr. Thompson went to Kansas nearly two weeks ago, and will not return here. His family will leave for their new home in a few days. Mr. McConnell and family are expected to arrive here today or tomorrow, and will immediately take charge of the hotel.

AN IMPORTANT FOOD LAW.

Heavy Penalties for Selling Articles of Food Containing Unhealthy Ingredients.

The following law was passed at the last session of the Missouri Legislature taking effect August 20, 1899:

SECTION 1. That it shall be unlawful for any person or corporation doing business in this state to manufacture, sell or offer to sell any article, compound or preparation for the purpose of being used or which is intended to be used in the preparation of food, in which article, compound or preparation there is any ARSENIC, CALOMEL, BISMUTH, AMMONIA OR ALEN.

SEC. 2. Any person or corporation violating the provisions of this act shall be deemed guilty of a misdemeanor and shall, upon conviction, be fined not less than one hundred dollars, which shall be paid into and become a part of the road fund of the county in which such fine is collected.

The operation of this law will be maintained against baking powders. But the manufacture or sale of any article of food which contains any of the substances classed by the law as unhealthy—from Arsenic to Alum—is absolutely prohibited.

Mrs. KLINE'S BURIAL.—The Times of Corvallis gives the following account of the burial service of Mrs. L. G. Kline at this city: At Albany the train was met by Beulah Lodge of Rebekahs. There the train was transferred to the Southern Pacific track and run to the cemetery, a short distance north of town. At the grave the services were brief and simple. The grave had been prepared for the reception of the remains by the Albany lodge of Rebekahs. The walls were covered with evergreens and sweet peas, symbolic of the colors of the order. The rabbi conducted a short service, and then the Rebekahs, under command of Mrs. Henkle, noble grand of the Corvallis Lodge, took charge of the remains. Just before the casket was lowered the husband read a short passage in Hebrew and S. L. Kline, the eldest son, read another in English.
