Sure Cure for Colds

When the children get their feet wet and take cold give them a hot foot bath, a bowl of hot drink, a dose of Ayer's Cherry Pectoral, and put them to bed. The chances are they will be all right in the morning. Continue the Cherry Pectoral a few days, until all cough has disappeared.

Old coughs are also cured; we mean the coughs of bronchitis, weak throats and irritable lungs. Even the hard coughs of consumption are always made easy and frequently cured by the continued use of

Ayer's Cherry Pectoral

Every doctor knows that wild cherry bark is the best remedy known to medical science for soothing and healing inflamed throats and lungs.

Put one of Dr. Ayer's Cherry Pectoral Plasters over your lungs

The Montana Boys.
SAN FRANCISCO, Sept. 22.—The United States transport Zealandia arrived from Manila via Yokohama today, having on board six companies of the First Montana volunteers. A noisy greeting was extended to the returning soldiers, whose safe arrival was announced by the blowing of steam whistles and the discharge of cannon.

Want More
WASHINGTON, Sept. 22.—Senator Simon and General Beebe were at the treasury department today and had an understanding about the Portland public building. The department agrees to suspend operations for the purpose of making arrangement for enlarging the building by further appropriation, providing the Chambers of Commerce approves. General Beebe brought the approval with him.

Prominent Man Dead.
HEPPNER, Or., Sept. 22.—J. L. Morrow, a pioneer of Oregon and Idaho, died here today. "Uncle Jack," as he was familiarly known, has been a resident of Heppner since 1870, and was one of the first men to engage in business here. Morrow county was named after him. He has been prominently identified in the politics of this county, representing it twice in the state legislature.

Satisfactory Trade.
NEW YORK, Sept. 22.—Bradstreet's tomorrow will say: Satisfactory trade and price conditions apparently still reign. A few in fact are the reports of poor trade, that favorable reports may be said to almost unanimous. An expanded volume of fall trade is indicated by the aggregate of bank clearings for the week, though reports from some markets point to the greatest rush being made.

Hop Sales.
DALLAS, Or., Sept. 22.—Tuesday, the first sale and shipment of hops from Dallas took place. The lot was only 22 bales, and the price paid was 10 cents per pound. The hops were first class.

Portland In It.
SAN FRANCISCO, Sept. 22.—The transports Eikh and City Rio Janeiro, it was said today, will leave for Portland to carry the Thirty-fifth regiment to Manila as soon as the vessels can be put in repair. The work of painting and replacing the old boilers is now progressing, and would have been completed had it not been for the recent strike of the workmen.

MISFITS.

The Plaindealer say that bicyclists propose to take an active interest in the municipal election at Roseburg, only supporting those who will enact city legislation favorable to them. There are liable to be bicycle parties everywhere.

The Town Talk is to be moved from Ashland to Klamath Falls and consolidated with the Republican. In closing the Talk sensibly says: "As a matter of fact, Ashland needs three papers about as much as a dog needs two tails, and it is folly for any one to encourage the institution of a third paper here. People will do well if they accord sufficient support to two papers."

A Marion county paper grows:
Linn and Marion counties have a costly object lesson of slack supervision of public bridge building. The joint Santiam bridge, at Stayton, built only ten years ago at a cost of \$18,000, is giving away and unsafe. Poor superintendancy, perhaps none at all. Poor place perhaps for a bridge.

The Brownsville Times speaks out as follows: "W. R. Kirk returned last evening from attending the state fair at Salem. He did not appear very enthusiastic when asked by a Times representative what he thought of the fair. There is no use talking, you can't make a successful state fair out of a horse race only, and the sooner those who manage the present horse race at Salem realize this fact the sooner will we have a fair that will receive support from the best people of the state—the agricultural classes."

The editor of the Crowley (Miss) Signal says of Oregon: The very name of Oregon favors of everything beautiful, delicious and desirable. No matter how exaggerated you may seem the stories of this wonderful state, believe them, for they cannot be over drawn. Indeed we consider her people exceptionally modest, when they have everything of which to be boastful. One can have but a vague conception of what Oregon really is without seeing it. With all the grandeur of its scenery, the wealth of its mines, the magnificence of its flowers and fruits, it is a state unique, complete.

Dr. Lamberson returned home Wednesday from a visit to his folks at Condon, Gilliam county. While in Portland he got a little girl from the Boys' and Girls' Aid society, brought her home with him and will adopt her. Her name is Hazel May and she is 3 years old.
