After Many Years.

The fire bell is being taken down under the supervision of Peter Rueter, after being in its position for about twenty-five years, and will be placed in the court house tower ready for the tower clock, and where it will have an electric attachment for fire alarms.

Upon reaching the floor of the tower the bell was greeted by an interested crowd of spectators, after having been in the air since 1872. Cast in the bell on one side are the presidents of No. 1's up to that time, to wit: D T Vinans, M V Brown, J H Hackleman, J R Herrin, M B Crane, N Baum and N B Humphrey. On the other side: Joseph Webber, Chief Engineer, Albany Engine Co No 1. Committee, O H Stewart, Geo Weller and Jas McMerriek. Of those named Mr Stewart was present. N B Humphrey and Mr McMerriek are in the city, Joe Webber in Portland and the others are dead we believe.
