TELEGRAPHIC

In South Africa.

LONDON, March 16.—Lord Roberts has sent the following dispatch to the war office:

Bloemfontein, March 16.—General Clements crossed the Orange River yesterday. Repairs to the railway bridge at Norval's Pont have commenced and it will shortly be ready for traffic. General Pole-Carew telegraphs his arrival at Springfontein, so that Bloemfontein now is practically in communication with Cape Town.

Blizzard Storm.

NEW YORK, March 16.—Nine inches of sleet and snow covered the streets of New York today and 4000 men were battling with it in Manhattan, 3000 more being at work in Brooklyn. Traffic was partially paralyzed in some sections of the city since early morning. During the early hours, Brooklyn Bridge traffic was practically blocked.

A Relief Bill.

WASHINGTON, March 16.—After a debate at times, spirited, extending over parts of two days the senate today passed the Puerto Rican relief appropriation bill. As passed the measure carries \$2,000,000 the president being authorized to use that sum for public education, public works and other governmental and public purposes in Puerto Rico.

Just Talk.

ST. LOUIS, March 16.—Ex-Governor Stone, democratic national committee man from Missouri, said today that he believed there is some truth in the statement that there is a movement among eastern democrats to elect T. L. Johnson of Ohio, chairman of the national committee and eliminate silver from the platform.

Johnson's Appointment.

WASHINGTON, March 16.—A J. Johnson of Ohio, has been appointed Bank Examiner for Oregon. Johnson was recommended by the Oregon delegation of the last Congress. Senator Simon had recommended another candidate and the matter had been held up for several months. The appointee is a particular friend of Senator McBride.

A Slight Increase.

NEW YORK, March 16.—Dun's review of trade will say tomorrow: Failures for the week have been 198 in the United States against 189 last year, and twenty-three in Canada against thirty last year.

The Excitement Not Over.

The rush at the drug store still continues and daily scores of people call for a bottle of Kemp's Balsam for the Throat and Lungs for the cure of Coughs, Colds, Asthma, Bronchitis and Consumption. Kemp's Balsam, the standard family remedy, is sold on a guarantee and never fails to give entire satisfaction. Price 25c. and 50c.

OR Winn, city ticket agent. Tickets to all points in the east.

The Future of Children

A child's life may be blighted by the diseases of youth, such as Rickets, which is characterized by weak bones or crooked spine, and inability to stand or walk steadily, or Marasmus, that wasting disease characterized by paleness and emaciation, or Scrofula, a constitutional disease of the glands and neck.

Scott's Emulsion

of pure Cod-Liver Oil with Hypophosphites of Lime and Soda will prevent and cure these diseases. It supplies just the material needed to form strong bones, rich red blood and solid flesh. It will also reach the infant through the mother's milk, and be of the greatest benefit to both.

All druggists, grocers and dealers.

George Mellargue, of Brownsville, who is a candidate for sheriff, subject to the decision of the democratic convention, was a very pleasant caller Saturday of last week. Mr. Mellargue has several opponents in his political race, but as he was a candidate two years ago he has hopes of being favored with the nomination this time. He is doing considerable work in that direction, and informs us that he is meeting with good success.
