Making Not Relieved.

LONDON, March 23.—Colonel Plimmer apparently has retired to Crocodile Pool and Making seems farther off than ever from relief. This news was contained in a dispatch from Bulawayo, dated March 19, and published in the second edition of the Times. These advices add that the base hospital has been brought back to Gaborone.

Goebel's Murderer.

FRANKFORT, March 23.—The preliminary examinations of Secretary of State Caleb Powers, charged with abetting the assassination of William Goebel, began today before Judge Moore. The court-house was guarded inside and out by militia and scores of Deputy Sheriffs with Winchester rifles to prevent possible interference from mountaineers, who were reported on their way to Frankfort, but their presence was unnecessary, as the mountaineers failed to appear, and no disorder prevailed.

They Are Weakening.

WASHINGTON, March 23.—The Senators favoring free trade feel considerably braced up today by reason of several conferences they had, and the determination of a number to stand out and secure substantial amendment to the Puerto Rican bill strengthened. The demand for more time is taken to mean that more senators will come over to the free trade side and there may be a possibility of defeating the bill.

President Steyn Deposed.

SPRINGBOK, March 22.—It is reported that Er. Steyn has been deposed from the Presidency and that the public affairs of the Free State are being administered by a committee at Kroonstad.

Want a Sugar Factory.

NEWBERG, March 23.—A meeting of the citizens of Newberg was held at the Armory last night, at which the preliminary steps were taken or incorporated in the Newberg Development Company. The object of this movement is to get in shape immediately to meet the conditions of the Sugar beet Company.

Formerly of Albany.

FOREVER GHOVE, March 23.—Miss Laverne Baber, aged 23, daughter of the late Judge G. H. Baber, died at her home here yesterday of pulmonary tuberculosis. She contracted her illness while attending Stanford University last year. She left a mother, and a sister.

To Cure a Cold in One Day

Take LAXATIVE BROMO QUININE TABLETS. All druggists refund the money if fails to cure. E. W. Groves' signature on each box. 25c.

BRYAN DAY DINNER.—At the W. C. T. U. hall by the ladies of the Baptist church. A fine dinner will be served from 11 to 3 o'clock for 25 cents. March 24 will be the date.

Weak Children

How sad it is to see weak children—boys and girls who are pale and thin. They cannot enjoy the sports of childhood, neither are they able to profit by school life. They are indeed to be pitied. But there is hope for them.

Scott's Emulsion

has helped such children for over a quarter of a century.

Your doctor will tell you it is both food and medicine to them. They begin to pick up at once under its use. Their color improves, the flesh becomes more firm, the weight increases and all the full life and vigor of childhood returns again.

At all druggists; 50c. and \$1.00.
SCOTT & BOWNE, Chemists, New York.

Kendall, deceased, has filed her final account with the county clerk of Linn county, Or., and April 6, at 1 p.m., has been set as the time and the county court room as the place for hearing objections thereto, and for the settlement thereof.

MISFITS.

One of the South African rumors is that the Russians have taken London.

The wires are being pulled in a live manner this afternoon in the republican primaries.

Sam Goldsmith has been making to some of the papers his annual report on the political situation. It is as funny as Sam.

A subscriber of the DEMOCRAT in Wasco Co., in setting past dues says of the DEMOCRAT: "It is the best paper I ever had in my house." This is appreciated in this age of many and big papers.

Some Albany women have discovered that the word woman is preferable to the word lady. The DEMOCRAT discovered this several years ago, and has never used the word lady when it could help. Advertisers do as they please. Lady is an old English word with an aristocratic sound that is not needed in our present American vocabulary.

Prohibition Platform.

Following is the platform of the prohibition party in full, as passed at the County Convention:

We, the members of the Prohibition Party, of Linn County, Oregon, in convention assembled do hereby express our hearty sympathy for every movement having for its object the securing of good government, and the cleansing of the body politic of all forms of vice and corruption; but at the same time believing the saloon to be the great fountain head of corruption and crime; we are confident the only and sure way to secure reform is to down the liquor traffic by state and national legislation; and the placing in power of a party pledged to enforce prohibitory laws, therefore

Resolved, that we do hereby adopt as our platform and principle, the enactment of laws prohibiting the importation, manufacture and sale of all intoxicating liquors in the United States, except for medicinal or mechanical purposes.

The following delegates to the state convention were elected: O. R. Stevenson, T. P. Hackleman, W. P. Elmore, C. H. Walker, J. C. Brown, J. A. Longbottom, J. B. Holmes.

The Salem indoor base ball team defeated the O. A. C. team last night 20 to 17. The Albany boys can do it by a bigger score.

The store of Davis & Crume at Shedd was broken into this week, but the burglar was frightened away before getting anything.

In this garden making season complaint is made of chickens rearing at large contrary to ordinance. The Mayor hereby warns people to keep them up. There is a fine of \$5 for not doing it.

John E. Love has sold his drug store at Riddle to Harris & Nichols, formerly of Dayton, Or., and in turn has purchased the drug store at Canyonville of J. L. Arner, Roseburg Review.

Mrs. Ashby has a fine stock of spring and summer millinery, both in fancy and plain street hats, also will have her pattern and trimmed goods on display Monday and Tuesday 26th and 27th of March and invites every lady to call and examine them.

The Wizard Oil Co. will not appear in Jacksonville, as Mr. Gallagher, the manager, was unable to make satisfactory arrangements. The troupe will disband this week, after finishing its Medford engagement. — Jacksonville Times.

Judge Fisk has received a letter from his old home in Vermont, written last week. The snow had fallen to the depth of 33 inches the night before and a blizzard was raging. Quite different from Oregon. — Guard.

Levi Ankeny has secured a controlling interest in the stock of the First National bank at Pullman, Wash., and is now the president of the bank. J. W. Stearns is cashier. This makes the fifth national bank of which Mr. Ankeny is president, the First national of Walla Walla, Pendleton and Baker City, the bank at Dayton, Wash., and the one at Pullman.

News was received in this city last Saturday of the death of Dr. Geo. W. Cox, formerly a practicing physician of this city. Nearly four years ago Mr. Cox moved his family to Chicago and later moved to Detroit, Michigan, where he died on the 11th day of February. — Brownsville Times.

Lebanon.

From the E. A.:
Hon. P. R. Kelly, of Albany, addressed the Republican club in this city last evening.

Mrs. M. L. Pipes, of Portland, is visiting her parents, Dr. and Mrs. Skipworth, in this city.

A large number of Lebanon people are going to Albany next Wednesday to hear Mr. Bryan. We understand that our public school will be closed and there will be a general holiday.

A cabin of Native Sons of Oregon was organized in this city Wednesday evening by Mr. Mahon, of Junction City. The cabin starts out with a membership of over twenty, which number will doubtless soon be doubled. "Am. Meiser Smith Cabin" is the name selected. Officers were elected as follows: B. A. Millspaugh, J. P. president; J. Sherman Wallace, president; T. Ritter, 1st vice-president; Ernest Elliott, 2nd vice-president; Lee Armstrong, 3d vice-president; W. C. Peterson, recording secretary; C. A. Smith, financial secretary; C. W. Matthews, treasurer; T. C. Peckler, marshal; J. B. Hope, inside sentinel; Wm. W. Powers, outside sentinel; S. B. Coyle, L. M. Jones and M. D. Wheeler.

The names of a number of gentlemen who would make good congressional "timber" are being brought out by different papers of the valley, and we too, in the same connection, wish to present a name for the consideration of the voters of the Union party in the first district. We refer to Hon. M. A. Miller, of this city, than whom, we think, a better nomination could not be made. He is peculiarly fitted for making a good and successful canvass, and if elected would labor unceasingly and conscientiously for the best interests of his state and country. He is one of the ablest and most brilliant speakers in the state, and we believe would make more votes than any one else that we can nominate.

Here is the other side of Alaska fortune seeking:

On the trip down with Mr. Turner was an old gentleman, who had been 23 years in the country. The total of his accumulations in a quarter of a century of struggle and toil, was \$5,000. On the same steamer was an Englishman who went in a year and a half ago, with \$20,000; he came out with both hands frozen and with part of both feet amputated from the same cause. He had no money. — Corvallis Times.

Dr. H. H. Haden, Surgeon, says, "I think Kodak Dyspepsia Cure a splendid medicine. I prescribe it, and my confidence in it grows with continued use." It digests what you eat and quickly cures dyspepsia and indigestion. For sale by Foshay & Mason.
