### 4th of July.

We see by the papers from differnt portions of the State, that there s a very general feeling among our people to celebrate the Coming An. iversary of our National Independnce. Would it not be well for our itizens to take steps in this matter have a regular old-fashioned celeration at Baker City? We should e able to have a celebration here.— Baker City is the foremost town in Eastern Oregon, and it will do us no harm, but great good, to invite our surrounding neighbors to participate in the Celebration of the Coming Anniversary of our National Independence. We would suggest that our citizens meet at the Court House Friday evening, at half past eight o'clock and take the necessary initiatory steps to inaugarate this celebration. We hope to see a full turnout. Let every one go and aid in this matter.

SWEET CIDER .- "Pap" Levins has, at his Wholesale and Retail establishment in this city, a firstrate article of genuine sweet apple cider. The printers know what is good, and they have tried this article. "Pap" keeps a full supply of firstrate tobacco and cigars, together with all other commodities in his line of business.

S. B. McConp has built for himself a large, commodious and beautiful residence in Fisher's addition to Baker City. It will be an ornament to our city when completed.

Jo. CLEAVER'S new Furniture Warerooms present a commanding appearance. When completed it will be the finest establishment of the kind east of Portland and west of the

THE erection of the new Quartz mill at the Virtue Mine is progressing rapidly.

THE Nimrods of our city are preparing for a vigorous campaign during the coming hunting season. There will be several breech-loading shot guns, of the most approv ed paterns, brought into requisition.

THE City Brewery folks are making some tastety as well as substantial improvements about the Brewery grounds. Baker City east of Powder River is beginning to present a beautiful and lively appearance.

BEEF is selling in our city out of wagons, for six cents per pound. It is a good article and delivered to our citizens twice a week by Mr. James Toney.

THERE was a hop at the Court House on last Friday evening. Those attending had a good time and kept it up until about thre o'clock in the morning.

We are having fine, beautiful growing weather, and everything looks lovely.

As it is, the thinking public, who are generally ahead of the professionals, have already put the dangerous preparations aside and adopted Hostetter's Bitters in their stead as a safe and excellent household medicine, adapted to almost every ailment except the organic and deadly contagious diseases. For more than twenty years this fa mous restorative and preventive has been annually strengthening its hold upon the public confidence, and it now takes the lead of every adver-
