Ayer's Cathartic Pills.

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild, efficient, and agreeable purgative.

serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief when required.

Long experience has proved them to be the safest, surest, and best of all the Pills with which the market is supplied.

By their occasional use, the market is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy action.

Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action.

This multiplicity of disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed.

Their sugar-coating makes them pleasant to take, and preserves their virtue unimpaired for any length of time, so that they are ever fresh and perfectly reliable.

Although searching, they are mild, and operate without disturbance to the constitution or diet or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physician, and for the following complaints, which these Pills rapidly cure:—

For Dyspepsia or Indigestion, Lassitude, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Jaundice, Bilious Colic and Bilious Stools, they should be judiciously taken in each case, to correct the diseased action, and remove the obstructions which cause it.

For Dysentery or Diarrhoea, in case of mild cases is generally required.

For Rheumatism of the Heart, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect sympathetically.

As a Dinner Pill, take one or two Pills to promote digestion, and relieve the stomach. An occasional dose stimulates the bowels, restores the appetite, and invigorates the system.

Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

HALL'S VEGETABLE SILLIUM HAIR RENEWER.

The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands.

By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to
