After twenty-eight years experience in the business, he feels competent to give entire satisfaction. Mr. St. Louis, is also agent for the best Sewing Machine in use, the New Wilson, price, \$55,00. . Lost .- On last Wednesday morning the Editor of this paper lost his Derringer pistol out of his pocket, on the road between Baker City and the division. He did at once, say-Auburn. Any person who will return said pistol to this office will be suitably rewarded. The pistol is a present from a friend, and is highly prized on that account. The potato only weighs three pounds, and is sound + throughout. deep. We have no doubt but when Mr. Finlayson gathers his potato crop hut what he will find quite a number considerable larger than this one. The soil on this farm is of the very best. NEW Goods .- Bamberger & Frank are receiving their fall and winter stock of goods. On Monday they received fifty thousand pounds of freight. One team consisted of twenty four horses with four wagonsthree as trails-behind them-in fact this team appeared to be propelling a railroad train without the aid of the rails. FINE BANKING HOUSE.-We yesterday visited the New Banking House of J. W. Virtue in this city, and take pleasure in saying that it is one of the finest, neatest and safest building of the kind that we have ever inspected, and does credit to the good taste and judgment of its owner in its conception and completion.
