THOMAS SMITH, n19f Sole Proprietor Empire Hotel.

Notice to the Public.

On and after May 20th, 1873, the Post Office hours will be from 9 a. m. to 7 p. m.—Sundays excepted. Open on Fridays from 9 to 10 a. m. and 5 to 6 p. m.

Meteorological Table.

Table with 4 columns: Day, 7 A. M., 12 M., 10 P. M. Rows for Sunday through Saturday, with average for the week 43.7 degrees above zero.

PRAYER MEETING.—A prayer meeting will be held at the District School House, on Wednesday evening of this week.

LIST OF ARRIVALS.

Through the politeness of Mr. J. H. Ingraham, the obliging clerk of the Western Hotel, of this city, we are enabled to lay before our readers the following list of arrivals at that Hotel, for the week ending Oct. 21st, 1873:

DIVINE SERVICE.—An appointment is made for Service by Rev. Dr. Nevius, on Sunday, the 26th inst., at 11 o'clock, A. M., at 3 1/2 P. M. and 7 P. M. at the Court House; and also for Sunday the 16th of November, at the same house, when the Bishop of Oregon and Washington, Rt. Rev. B. W. Morris, D. D., will make his annual visitation and administer the rite of Confirmation in the evening.

FESTIVAL.—The lady members of the Episcopal Church, will give a Festival at the residence of Mrs. R. C. Shepherd, on next Friday Evening.

JUDGE I. D. HAINES left on last Saturday evening for a short visit to the East. He expects to be absent about two months. We wish him a pleasant time and safe return.

COL. H. C. PAIGE, Wells Fargo & Co's Agt., returned from Silver City last Sunday evening, and left on the same evening for Portland.

JUDGE L. O. STEINIS, accompanied by Mrs. John Brattain, is off on a visit to La Grande.

When applied with Dr. Pierce's Nasal Douche and accompanied with Dr. Pierce's Golden Medical Discovery as constitutional treatment, Dr. Sage's Catarrh Remedy produces perfect cures of the worst cases of Catarrh and Ozena of many years' standing.

No one should neglect a cough. It is suicide. Dr. Wistar's Balsam of Wild Cherry will cure you. Coughs, colds, bronchitis and consumption give way before this great purifier.

Deputy Sheriff Small on the 12th inst arrested a Chinaman on a charge of Grand Larceny, and John was smart enough to give the officer leg bail. But friend Small was not to be fooled in that way and concluded that he could find his man again, and his conclusions were correct.—He again found his man on the night of the 18th, and on last Monday the Chinaman had his examination before Hon. J. D. McFarland, County Judge, who held him to appear at the next term of the Circuit Court, and in default of \$250 bail the prisoner was committed to the Hotel de Britten at this city for safe keeping. Small felt very small after his man gave him the slip, but when he got hold of him again he felt a great deal larger. It is not often he gets fooled.

RUNAWAY.—Last Tuesday as Brown's Eldorado Stage was on its return trip to this city, about three miles this side of Antelope Springs, one of the iron rings on the whipple tree broke, which frightened the horses and they became unmanageable by the driver, Mr. Dougherty.—They started down the grade under a heavy pull on the lines, and when the driver found that he could not control them he turned their heads up the hill, and the coach, being one of the self uncouplers, uncoupled and turned over on to one side, hurting none of the eight passengers aboard. The passengers inform us that the driver did all he could and no blame can be attached to him in the matter. Brown has good teams, fine coaches and careful drivers.

FOR THE LADIES.—Mrs. Shockley has received direct from San Francisco and Portland, a well selected assortment of Ladies Dress Trimmings and Millinery, all of the latest styles and patterns, which he has opened at the Dress Making Rooms at the residence of Mrs. Shepherd. She invites the ladies to call and see her new style of Bonnets, Hats, &c.

NEW STORE ROOM.—S. Ottenheimer & Co. are moving into their new Store room in the new Bank Block. They have one of the finest finished rooms in the State. They are filling it full of new and seasonable goods purchased by Ottenheimer in person for this market. Sam knows what is needed by his customers.

D. S. Newton, of our city, presented this office last week with a beef, grown in his garden, which weighed four pounds. Friend Newton is a bachelor—but is fixing things quite nice around his premises, and we would not be surprised to hear of his taking a partner to help him enjoy the pleasures of life—things look suspicious.

BAGGAGE TRAIN.—The baggage train of Maj. Cresson's command, which passed through this city some four weeks since, passed through our city on last Sunday, under command of Lieut. Conway, on its way to Camp Harney.

Gilbert Reynolds, Esq., who made the best speech that was made in Baker City during the late political canvass for Congress, left for his home in Canyon City on last Saturday afternoon.

NEW CELLAR.—Sheriff Shinn has the rock on the ground with which to build a good fire and weather proof cellar at his residence, on top of ground.

Several of our citizens are building sidewalk in front of their property.

Cramps and pains in the stomach are the result of imperfect indigestion, and may be immediately relieved by a dose of Johnson's Anodyne Lintiment. A teaspoonful in a little sweetened water is a dose.

Heavy oats are good for horses; none will deny that; but oats can't make a horse coat look smooth and glossy when he is out of condition. Sheridan's Cavalry Condition Powders will do this when all else fails.

Dr. Sage's Catarrh Remedy is no Patent Medicine Humber, gotten up to dupe the ignorant and credulous, but is a perfect specific for Nasal Catarrh, "Cold in the head," and kindred diseases.

Chas. St. Louis has located permanently in Baker; and is now prepared to manufacture and repair all kinds of jewelry and watches. After twenty-eight years experience in the business, he feels competent to give entire satisfaction. Mr. St. Louis is also agent for the best Sewing Machine in use, the New Wilson, price, \$55.00.

For the very best Photographs, go to Bradley & Hulofson's Gallery without STAIRS. Ascend in the ELEVATOR, 429 Montgomery Street, San Francisco.

Teacher's Institute. There will be a TEACHER'S INSTITUTE Held in Baker City, commencing on Wednesday, October 22d, 1873, for the Counties of Baker and Union. All Teachers who design teaching in the Common Schools of this County, the ensuing year, and the friends of education generally, are urgently requested to attend. The State Superintendent will be present.

Natural Decay—Protect the System. The human body is a machine, and therefore cannot endure forever; but, like a watch or a sewing machine, it will last much longer if properly regulated and duly repaired, than if no pains were taken to keep it in order. The great object of every one who desires a long and healthy life should be to put his body in a condition to resist the life threatening influences by which we are all more or less surrounded; and no invigorant or corrective at present known so effectively answers this purpose as the vitalizing mixture which, under the unpretending name of Hostetter's Stomach Bitters, has been for more than twenty years the standard tonic of America. In crowded cities, the atmosphere is contaminated with the effluvia inseparable from large populations; in marshy regions, where the soggy soil reeks with miasms; on the prairies and in the forests, where every fall the air is tainted with exhalations from rotting weeds and grasses, or decomposing leaves—in short, in every locality where malaria exists, this powerful vegetable antidote is urgently needed. Fever and ague, bilious fevers, dysentery, congestion of the liver, jaundice, rheumatism, and all diseases which are generated by infected air, impure water, or sudden changes of temperature, may be averted by strengthening and regulating the system in advance with Hostetter's Bitters. Autumn is always a season of peril, especially to weak, susceptible organizations. Even the more vigorous are apt to be in some measure depressed by the humid atmosphere, loaded with deleterious gases produced by vegetable decay. The fall is a period of the year when the renovation and regulation of the living machine is peculiarly important, and the Bitters should therefore be taken daily at this critical season.

SOLD OUT.

THE UNDERSIGNED HEREBY notifies the public that he has disposed of all his interest in the Mill property known as the Ebell Saw Mill, and he is no longer accountable or liable for any contracts that may hereafter be made on account of said property. Messrs. Elliott & Van Patten have purchased said property, and are ready to accommodate the public on liberal terms. Those knowing themselves indebted to me will confer a favor by calling and settling their accounts.
