A PROCLAMATION. BY THE GOVERNOR.

IN GRATEFUL ACKNOWLEDG. ment of the uncounted blessings of tinued health, and general peace; and in recognition of the notable fact that while during the past year many of our sister States have been sufferers from pestilence and financial distresses, while we have been vouchsafed the full enjoyment of more than usual prosperity and exemption from disease; and while devastations by fire have visited our chief city, and several other localities within our borders, they have served to exhibit such recuperative

D. 1873, to be observed as a day of thanks-giving to Almighty God, the Great Giver of all good and perfect gifts, for the mercies and blessings of the year now drawing to a
