BUSINESS DIRECTORY.—In another column will be found an advertisement of a Business Directory for Eastern Washington, Eastern Oregon and Northern Idaho, to be published by the publishers of the Walla Walla Union, gentlemen who are well qualified for the task they have imposed upon themselves. The kind of work they propose to publish has been long needed for the advancement of the interests of the country which it is intended to represent in its true light. The publishers, in a letter to us, say: "We will use all our endeavors to make the book worthy of anything you may do to advance its interests." To help along this work, let us of Eastern Oregon give the publishers all the aid in our power, and by so doing we will assist them as well as benefit ourselves. The citizens of Grant, Baker, Union and Umatilla counties are interested in this matter, and will, no doubt, be properly represented in this work.

NEW EXPRESS OFFICE.—R. H. Cardwell has moved Wells, Fargo & Co.'s office into the new and best office built for that purpose, on Front street, in the block below Court Avenue. It is a splendid and well arranged office—and Dick is at home there too.

COL. H. C. PAIGE, Wells, Fargo & Co.'s agent, arrived in our city on last Thursday night's stage from Portland and returned on Saturday evening. It does his friends good to see his pleasant countenance, and shake his warm hand.

PARTY.—The party at Cleaver's Hall on last Thursday evening was well attended and passed off very pleasantly. Professor Gitchel was the musician, and made the best of music.

OPENED.—Constable Kelley opened his new Saloon, opposite J. W. Virtue's bank, on last Wednesday evening. His room is large, neat and convenient, well lighted and warmed.

TEAMS.—A large number of heavy freight teams arrived and discharged their freights in our city last week. The goods were for S. Ottenheimer & Co., and Messrs. Bamberger & Frank.

DIVINE SERVICE.—Will be held by Rev. Dr. B. D. Nevias, at the Court House, on Thanksgiving Day, the 27th inst., at 6 1/2 o'clock, evening.

Mrs. R. H. Cardwell returned home from Umatilla, where she has been on a visit to friends, on last Monday night's stage.

RICH DISCOVERIES.—The new quartz ledge, the discovery of which we mentioned last week, created considerable excitement in our city, and started several other parties on the look for other ledges in the vicinity of the new discovery, and there has at least three others been discovered; two by Rockefeller, and one by Fred Bohna. The James Gordon ledge, to the extent of 1,560 feet, including the discovery, is owned by W. S. Rockefeller, E. W. Reynolds, John Brattain and J. A. Reid, who have had an assay of the rock, which showed a richness of over \$200 to the ton. The proprietors intend to have some twenty tons of their rock, which they are already taking out, crushed and worked at the Virtue mill to test its richness by the milling process. They have great faith in the richness of their new ledge, and we hope they may not be disappointed in their expectations. The other ledges, at the time of this writing, have not been tested by an assay of the rock—the rock is good looking, and we should not be surprised if it was found to be equally as rich as that of the James Gordon. If these ledges prove good, it will give a new start to Baker City such as it has never yet experienced. Baker and Grant counties abound in rich mineral deposits, and with capital to work and develop our mines, are bound to become two of the richest counties in the State, they have all the elements to make them so.

MCCORMICK'S ALMANAC.—We have received McCormick's Almanac for 1874; it is neatly gotten-up, and is well filled with matter beneficial to the interests of all portions of Oregon. It is a valuable work to send East, it contains a large amount of useful information condensed into a small space. It is furnished at the low price of \$1 50 a gross. We see that it puts Judge L. O. Sterns as County Judge of Baker county,—it should be J. D. McFarland, and instead of J. I. Wisdom as School Superintendent, it should be C. L. Means.

There is an effort being made at La Grande, by the fellow who owns the Sentinel material, we are informed, to get Bull out of the office and a gentleman in his place. One gentleman objected to taking the position because he would be required to work for the advancement of one man's political aspirations without reference to the good of the party or of the country. He wanted to be no man's dog. That let him out of the editorial chair.

GOODY'S LADY'S BOOK for December is our table, and is fully up to any former number. This magazine is a household necessity; no lady thinks the arrangement of her center table complete unless this magazine is found thereon. Our old or new subscribers, who wish the Lady's Book, in connection with the DEMOCRAT for 1874, must inform us of the fact. Our order will be sent, to commence with the January number, on the 1st of December.

Dr. Ira A. Thayer, of Baconsburg, Ohio, writes Dr. Pierce as follows: "I have been using some of your remedies in my practice and have been very much pleased with them. I regard your purgative Pellets as the best remedy for the conditions for which you prescribe them of any I have ever used, so mild and certain in effect, and leaving the bowels in an excellent condition. It seems to me they must take the place of all other cathartic pills and medicines."

GAME.—Prairie chickens are quite plenty in our Valley at the present time. The sport of bringing them down is "magnif," and our "ramrods" enjoy it. Messrs. Foster, Clover, Jackson and Schellworth have our thanks for those that flew into our buggy the other day, and Mr. J. Gray for those that lit in our house. We was out with our Parker gun and brought a few down. They are very fat, and fall beautifully—when they don't fly away.

YOUNG LADIES.—Miss Anna Richardson and Miss Mary Fritsch, of Rye Valley, are in our city on a visit to their numerous friends here. They are pleasant ladies, and it is hoped their stay will be long and that they will have a pleasant time.

Have you a severe pain in the chest, back, or side? Have you cramps or pains in the stomach or bowels? Have you bilious colic or severe griping pains? If so, use Johnson's Anodyne Linctum internally.

S. OTTENHEIMER & Co. have been so busy the past week receiving new goods and waiting on customers in the store, that they have not had time to make out their new advertisement. They have lots of goods, and their store is full of customers all the time.

Joe Dolby, of Rye Valley, who has been in our city for some time, in the capacity of assistant Jailor, returns to Rye Valley this morning.

SOCIABLE.—The Social party at the Baker House, given by Mr. and Mrs. Fletcher, was one of the finest re-unions that we have attended in Baker City.

FIGHT.—On Monday evening W. B. Yantis was disposed to be rather overbearing, and spooling for a muss, commenced imposing on Wm. Reynolds, a mere boy, who stood the imposition as long as possible, when he pitched in and won the fight. Those who saw the transaction say that Willie Reynolds was right, and acted the part of a man.

Butter and cheese are almost indispensable articles of food. Properly used, they are nutritious and healthy; but an inordinate use of either causes indigestion and dyspepsia. Parson's Purgative Pills, judiciously used, will remove both these troubles.

FORTUNATE.—Our friend, R. McIntosh, on last Wednesday night, won a white horse at a raffle. We are glad of it.

TOYS AND FANCY GOODS.—S. J. McCormick, of Portland, has the largest and finest assortment of New Toys and Fancy Goods, direct from the east, that has ever been opened at Portland. For the convenience of merchants who cannot visit the city, he puts up assorted lots of Toys &c., at from \$20 to \$100, comprising selections from everything in stock, and ships to order.

If you feel dull, despondent, drowsy, debilitated, have frequent headache, mouth tastes badly, poor appetite, and tongue coated, you are suffering from torpid liver, or "Biliousness." Nothing will cure you so speedily and permanently as Dr. Pierce's Golden Medical Discovery.

Chas. St. Louis has located permanently in Baker; and is now prepared to manufacture and repair all kinds of jewelry and watches. After twenty-eight years experience in the business, he feels competent to give entire satisfaction. Mr. St. Louis, is also agent for the best Sewing Machine in use, the New Wilson, price, \$55.00.

THE SUN.

WEEKLY, SEMI-WEEKLY AND DAILY.

The WEEKLY SUN is too widely known to require any extended recommendation; and the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more, are briefly as follows: It is a first rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible, and interesting manner. It is a first rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste. It is a first rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages. It is a first rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and wearing no collar. It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether. It has no fear of knaves, and asks no favors from their supporters.

It reports the fashions for the ladies and markets for the men, especially the cattle markets, to which it pays particular attention. Finally, it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have the Weekly Sun at this rate. Any one who sends a single dollar will get the paper for a year. We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.00 a year. No discounts on this rate.

THE SEMI-WEEKLY SUN.—Same size as the Daily Sun. \$2.00 a year. A discount of 20 per cent. to clubs of 10 or over.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents a month, or \$6.00 a year. To clubs of 10 or over, a discount of 20 per cent. Address, n2816 "THE SUN," New York City.

Living Advertisements. A medicine that has done more than all the prescriptions of the pharmacopoeia to protect the human system against the bodily ills superinduced by unhealthy surroundings, is certainly worthy of universal confidence. It is mainly on account of its extraordinary preventive properties that Hostetter's Stomach Bitters is so exceedingly popular in localities subject to the visitation of miasmatic fevers and other diseases produced by poisoned air. A family that has escaped sickness during a sickly season in consequence of using the Bitters as a safeguard, is a living advertisement of the virtues of the preparation. The whole neighborhood realize the fact. "I couldn't have believed it," says one. "I scarcely credited the advertisements; but now I must believe what one sees," says another. "It is the very thing we need in this unwholesome section of country," remarks a third. And the result is that the instinct of self-defense, the first law of nature, induces three-fourths of that community to obtain a supply of the great vegetable antidote before the next sickly season sets in. In winter, when the system requires extra vigor and elasticity to enable it to baffle the effects of damp and cold, the Bitters will be found particularly serviceable. Rheumatism will be apt to fasten upon muscles and nerves that have been braced up by this excellent invigorant and nerve; nor will the severities of the season, which have such a disastrous effect on the pulmonary organs of the feeble and delicate, be likely to exercise the same untoward influences in cases where the stomach and the external surface of the body (which always sympathizes with the digestive organs) have been toned and stimulated by a course of the restorative. The fits of indigestion and irregularities of the bowels which proceed from sudden changes of weather may always be averted by a timely use of the Bitters.
