There he disgraced himself by his infamous connection with the Louisiana outrage, He did not lack the audacity to acknowledge that what he called his "construction of law" was made for the benefit of the Republican party; but that this "construction" was not only atrocious but absurd. Let us review very briefly that Louisiana business. On the 4th of December, 1872, E. H. Durell, a Federal Judge, issued an order commanding the Federal Marshal to take possession of the State House at New Orleans and garrison the same with Federal troops. He then issued another order, setting forth by name the persons who, by his pleasure, should constitute the Legislature. Every white man in the list was a Federal officeholder, the Executive chair. The next day, Dec. 6th, George H. Williams telegraphed from Washington that the Government approved this action and recognized none but the usurp-ers. NEW REMEDIES! NEW REMEDIES!

Established in 1854, for the treatment of sexual and seminal diseases, such as Gonorhea, Gleet, Stricture, Syphilis in allits forms, seminal weakness, impotency, etc. Skin diseases, of years standing, and ulcerated

egs successfully treated. DR. GIBBON has the pleasure of announcing that he has returned from visiting the principal Hospitals in Europe, and has resumed practice at the Dispensary, 623 Kearney street, corner of Commercial, where his old patients and those requiring his services may find bim.

The Doctor has spared neither time nor money in seeking out new remedies, and has returned with increased facilities for the alleviation of human suffering.

HORRIBLE DISEASES!

How many thousands of persons, both male and female, are there who are suffering out a miserable existence from the effects of secret indulgence, or from virus absorbed into the system. Look at their pallid, emaciated and disfigured faces and their broken down constitutions, disquali fying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladiessee that they are cared for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made pri vate diseases his especial study for years, and who is certain to cure the most invete rate cases without mercury or any injurious drugs. It is important to those afflicted, or those interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be therefore careful and make strict inquiry or you may fall into the hands of those charlatans.

SEMINAL WEAKNESS. Seminal emission—the consequence of self abuse. This solitary vice, or depraved sexual indulgence, is praticed by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pains in the head, ringing in the ears, noise like rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, toss of memory, pimples and various eruptions about the face, hectic flushes, furred tongue, fœtid breath, night sweats, monomania and frequently insanity. If relief be not obtained, should apply immediately either in person or by letter, and have a cure effected by his new and scientific mode of treating this dis-

Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing

and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corrup-tions of the blood, such as the scrofulous and syphilitic contamination. Impurities or diseases that have lurked in the system for years soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula. and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin. Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Authony's Fire, Rose or Erysipelas. Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus. Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhea, when they are manifestations of the

reputation, based on its intrinsic virtues,

scrofulous poisons. It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

PREPARED BY

Dr. J. C. AYER & CO., Lowell, Mass., Practical and Analytical Chemists.

OLD BY ALL DRUGGISTS EVERYWHERE.

Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old pations that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR-DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its

intended purposes." Sold by all Druggists and Dealers in Medicines. Price One Dollar.

Buckingham's Dye. FOR THE WHISKERS.

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation, which will quickly and effectually accomplish this result.
