TREE PLANTING.—It will soon be time that our citizens should be transplanting trees and shrubbery, and it becomes necessary to find out where the articles needed can be procured of the best, and best adapted to our climate, and most likely to grow. By reference to our advertising columns it will be seen that H. J. Geer, of the Cove, Union county, has a fine Nursery of all kinds of trees, shrubbery and plants needed by our farmers and other citizens. His trees and plants are acclimated and of the very best varieties. Now is the time to send him your orders. We speak of this matter because we wish to urge upon our citizens the importance of beautifying and improving their farms and town property. It makes home look and feel home-like, and adds values to our country. We want Mr. Geer to select for us, from his nursery, enough trees and shrubbery to beautify the half block of ground upon which our residence stands. We leave the selection to him.

THE WEATHER.—During last week we were visited by a "Chinook" that took off all of the snow from our valley and left our streets and roads for a day or two, in a wet and sloppy condition, when "jack frost" came along and froze everything up again, and "exhausted his subject." On Monday morning it commenced snowing again and by noon the streets were again covered with a beautiful coating of the "beautiful snow," and at three o'clock it was six inches deep by the time we go to press we will be able to tell when it stopped snowing—if it does stop before then—and how deep the snow is.

I. C. R. C.—At the regular meeting of McDonnell Encampment No. 3, I. C. R. C., on next Monday evening, business of great importance will come before the Encampment for action. A full attendance of the members is earnestly requested. By order of the ENCAMPMENT.

"UNCLE" John Richardson, of Eldorado, arrived in our city last evening. He has been sick for some time past, and will remain under the care and treatment of Dr. J. M. Boyd. We wish him a speedy recovery.

We were pleased to see, not long since, in one of our exchanges, some pretty severe remarks addressed to several persons who, during an interesting lecture by Rev. Jno. S. C. Abbott kept a continuous coughing, which prevented many from hearing. People who cannot refrain from coughing, had better stay away from such places, or else take a bottle of Johnson's Anodyne Liniment with them.

J. W. VIKRUE the banker, started for Portland on last Thursday morning, on business. We want some wood at this office.

At the solicitation of many friends, I hereby announce myself as a candidate for the office of County Clerk of Baker county, Oregon, subject to the decision of the Democratic County Convention. LUTHER B. ISON.

For County Clerk.—We are authorized to announce, W. R. Curtis, of Clarksville, as a candidate for the office of County Clerk, subject to the decision of the Democratic County Convention.

For Sheriff.—We are authorized to announce R. C. George as a candidate for the office of Sheriff of Baker county, subject to the decision of the Democratic County Convention.

THE WEDDING.

At the residence of Geo. Parker, last Wednesday evening, transpired a ceremony of great beauty and solemnity, and which attracted and pleased, we will venture to say, all that were present. We refer to the joining in the holy bonds of matrimony of our charming young friends, Miss Mary E. Parker and the honorable Mr. T. C. Hyde. At half past eight the look of expectancy was on each face, and soon the door of the adjoining room was thrown open, and the bridegroom appeared with his fair bride supported tenderly upon his arm, which was henceforth to support and protect her. They were preceded by Mr. Fred Dill and Miss Mollie White, who were looking as lovely as usual. The bridegroom was attired in the dressy black suit; the dress of the bride was lovely white swiss, cut demi-train, with long overskirt, trimmed in rich white lace, headed by a fold of white satin, satin bows and white flowers for the hair and a long white ribbon sash. The ceremony was performed by the Rev. Dr. Nevius, and was listened to with breathless attention, and we are sure that none were present who did not wish this young couple, who thus start on the journey of life together, a fervent God-speed. In conclusion we commend the annexed verses: Be careful, ye whose wedded hearts Are lovingly united; Be heedful, lest an enemy Steal on you uninvited; A little wily serpent form, With graceful, luring posies; Or coming in a different guise, A thorn among the roses. Be careful, ye whose marriage bells, So merrily were ringing, Be heedful of the bitter word, The answer keen and stinging; The sharp retort, the angry eye, His vivid lightning flashing, The look on which so many hopes Are daily, hourly dashing. Bear and forbear, the only way To tread life's path together; Then come, and welcome, shining sun, Or come dark, cloudy weather; Two loving hearts, dissolved in one, That cannot live asunder, Have put Love's golden armor on— Oh world! Look on and wonder. K. L. Y.

On a Visit.—Mrs. I. B. Bowen, of Sparta, is on a visit to her daughter, Mrs. Virtue of this city. While here, on last Sunday, Mrs. Bowen and Mrs. Virtue paid a visit to their relatives and friends on the Eldorado road and at Clarksville. We wish them a pleasant visit.

The importance of giving Sheridan's Cavalry Condition Powders to horses that have been out in the cold rain, stood in cold wind, or drunk too much cold water, cannot be over estimated; no man should be without them who owns a good horse.

Called.—Mr. John Dooley, of the Toll Gate, called on us last Saturday. He informs us that the road from here to Eldorado has been kept in good repair all winter. John is determined that his road shall be in that condition at all times, if hard labor and strict attention to it will avail.

Party.—Mrs. Blanchard will give a Social Dancing Party at Twigg's Hall on next Friday evening. It is hoped there will be a general turnout, thereby helping one who works hard to make a living, and will appreciate the kindness of our citizens.

Dr. Newsom has withdrawn his suit against the Northwestern Stage Company for damages for injuries which he alleged he sustained by jumping out of one of their stages, last summer, this side of Boise City, some three miles.

CLAVEACK, Columbia Co., N. Y. DR. R. V. PIERCE, Buffalo, N. Y.—Dear Sir: I am sixty years of age and have been afflicted with Salt Rheum in its worst form for a great many years, until, accidentally, I saw one of your books, which described my case exactly. I bought your Golden Medical Discovery and took two bottles and a half, and was entirely cured. From my shoulders to my hands I was entirely covered with eruptions, also on face and body. I was likewise afflicted with Rheumatism, so that I walked with great difficulty, and that is entirely cured. May God spare you a long life to remain a blessing to mankind. With untold gratitude, Mrs. A. W. WILLIAMS.

RECOVERED.—The parties who were injured by the runaway, some ten days since—Miss Carter and Mr. Hunsstock, have perfectly recovered from all the injuries they sustained, and are now ready for another sleigh ride.

RETURNED.—Mr. J. P. Bowen, who went to California last summer on a visit, returned home some two weeks since, looking well and hearty. He is a good citizen and we are pleased to have him with us again.

\$1,000 Reward will be paid by the proprietor or Dr. Pierce's Golden Medical Discovery for a medicine that will equal it in curing severe and lingering Coughs, Bronchitis and all diseases of the lungs.

Baker City Lodge No. 25, I. O. O. F., meets every Saturday evening, at half past six o'clock, at Odd Fellows Hall, in the new Bank Block, corner of Front street and Court Avenue. Members of the Order are invited to attend. By order of N. G. A. Manual of Health.

An edition of between nine and ten millions of copies of a very useful work is now ready for gratuitous distribution, and can be had for the asking at any drug store in the United States, the British Colonies, Spanish America or Brazil. The work referred to is Hostetter's Almanac for 1874. The medical portion of it treats of the various ailments to which the human system is subject, and sets forth the peculiar properties of Hostetter's Stomach Bitters—the purest and best tonic at present known—as a preservative of health and strength, and as a remedy for debility and disease. The Almanac is printed in all the principal languages of the civilized world, and reaches a larger number of families and individuals than any other medical treatise that ever issued from the press. No man or woman who has due regard for that choicest of heaven's blessings, bodily vigor, should fail to read the plain, simple and convincing articles which this truly practical publication contains. The miscellaneous matter is varied, instructive and amusing, and the calendar department copious and comprehensive.—Hostetter's Almanac is, in short, a household convenience, adapted to the use of all classes and callings. The farmer, the planter, the miner, the merchant, the mechanic, the laborer, the professional man, all need it; and to invalids of both sexes it is literally an article of prime necessity. The medical technicalities which render so many medical treatises intended for popular use unintelligible to the general reader, have been carefully avoided in this pamphlet. All is clear, explicit, forcible, and reconcilable with reason and common sense. The proprietors, Messrs. Hostetter & Smith, Pittsburgh, P., on receipt of a two cent stamp, will forward a copy by mail to any person who cannot procure one in his neighborhood.

THE SUN.

WEEKLY, SEMI-WEEKLY AND DAILY. The WEEKLY SUN is too widely known to require any extended recommendation; but the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more, are briefly as follows: It is a first rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible, and interesting manner.

It is a first rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and wearing no collar. It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether. It has no fear of knives, and asks no favors from its supporters.

It reports the fashions for the ladies and markets for the men, especially the cattle markets, to which it pays particular attention. Finally, it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have the Weekly Sun at this rate. Any one who sends a single dollar will get the paper for a year.

We have no traveling agents. THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.00 a year. No discounts from this rate. THE SEMI-WEEKLY SUN.—Same size as the Daily Sun. \$2.00 a year. A discount of 20 per cent. to clubs of 10 or over.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 130,000. All the news for 2 cents. Subscription price 50 cents a month, or \$6.00 a year. To clubs of 10 or over, a discount of 20 per cent. Address, n2816 "THE SUN," New York City.
