LIST OF ARRIVALS.

Through the politeness of Mr. J. H. Ingraham, the obliging clerk of the Western Hotel, of this city, we are enabled to lay before our readers the following list of arrivals at that Hotel, for the week ending January 27th, 1874:
Sam Roberts and Stacy, Auburn; John Barnes, N. W. Co., Winnifit, Willow Creek; Jas. Dunn, Eldorado; Jake Enspringer, Powder River; J. A. Leatherwood, Malheur; Chas. Adams, Hiram Barden, Jas. H. Slater, Furk, Sam Chenoweth, Cook, W. Glass and J. Goodall, LaGrande; P. M. Coffin and J. M. Chaney, Union; T. Smith, J. McDonald, Dan Patterson, A. Elliott and L. Roberts, Auburn; Geo. and Jacob Lump, Silver City; Mrs. Robbins, Walla Walla.

NEW CHURCH.—It is with pleasure we announce the fact, that the members and friends of the Methodist Episcopal Church of Baker City and vicinity have completed the arrangements for the building of a church edifice in our city this spring. We are informed by Mr. William Brown, that the rock for the foundation is now being quarried, and the lumber is being sawed, and will be on the ground in short time. The building is to be twenty-eight by fifteen feet, and a twenty foot ceiling, and will cost some \$2,000 or \$3,000 when completed. The ground selected is directly east, and in front of the Court House block. The church will be at the service of other denominations when not occupied by the Methodist.

LADY'S BOOK.—We have received the February. It is a splendid number, it is well filled with useful and entertaining reading matter, it has fine fashion plates for ladies and childrens garments, a good piece of music and embroidery patterns, all of the latest styles. This is the best ladies Magazine published. We send this magazine, including the splendid Chromo "True to Nature," and the BEDROCK DEMOCRAT one year for Six Dollars in advance.

FALSE.—There has been a rumor circulating in our city to the effect that Charley Kreeke, Jack Olan and John Pool, all formerly of this city, got into a bar room fight at Silver City, a few days since, in which, it is said, Pool was killed. The Avalanche of the 24th, mentions no such occurrence as having taken place in Silver City at any time. The editor of that paper is Sheriff of the county and, therefore, should certainly know in relation to such matters. We take it, that the rumor is false.

CITY DRUG STORE.—We are informed by those who have bought drugs and medicines at the City Drug Store, that McKinney & Boyd are selling their goods twenty-five per cent. cheaper than they were ever sold before in Eastern Oregon. They buy their goods in the East and at San Francisco, for ready cash, therefore, they say, they can afford to sell cheap.

As a remedy for Bronchial Affections and Chronic disease of the Lungs, nothing ever before discovered equals Dr. Pierce's Golden Medical Discovery.

THE ACADEMY.—The Winter Term of the Baker City Academy closes on next Friday. A public examination of the pupils will take place to-morrow and next day. The Spring Term will commence on next Monday, February 1st.

THANKS.—Hon. Ransom Beers, of Mormon Basin, will please accept or thanks for favors extended to this office, and we will be pleased to receive like ones at all times.

Sam. Small will please accept our thanks for a late copy of the Colusa Sun.

Railroad Meeting.

There will be a meeting of the Incorporators of the Baker County Railroad Construction Company on next Friday Evening, at the back room of Pap Levine's Wholesale Grocery Store, at 7 o'clock. The room is large, well warmed and convenient. All who feel an interest in the success of the Portland, Dalles and Salt Lake Railroad, are respectfully invited to attend. Now is the time for Baker City and County to strike—while the iron is hot. Let us help this good cause along.

JAMES GORDON QUARTZ LEDGE.—The shaft on this ledge is now down fifty feet or more and develops a well defined ledge. The rock continues to prospect as well or better than it has at any time since the discovery of the ledge. One of the batteries of the Virtue Mill is now running on rock from this ledge, and will crush fifty ton by the 1st of February, at which time it will be cleaned up. We are promised a statement of the result of the run.

FIRE.—Last Saturday morning about six o'clock, there was an alarm of fire raised in our city. It was occasioned by the burning out of the stove flue at the City Drug Store. There was no damage done except making a few of our citizens leave their couch in a hurry, and before their usual hour. We understand some of them appeared on the street without being dressed in street costume.

On the death of one of England's most eminent physicians, all his effects were sold by auction, and among other things was a sealed packet, marked "Advice to Physicians," which brought a great price. The purchaser on opening the packet, read as follows: "Keep the head cool, the bowels open and the feet warm." If this is necessary, use Parson's Purgative Pills; they are the most scientifically prepared pill that has appeared in the last hundred years.

CHINESE ROW.—On last Sunday there was considerable of a row in the Chinese quarter of our city. One Chinaman was considerably cut up with a knife, we do not know whether he intends to make a die of it or not. It is to be hoped he—you can conclude this item to suit your own views in the matter, we have "exhausted the subject."

ANNIVERSARY BALL.—We are informed that it is the intention of our citizens to give a ball, at the Court House, on the Twenty-Second of February, in aid of the Public School fund of this district. This is a worthy object, and one that we are all interested in.

We received a very pleasant letter of thanks from our old friend Kendall, since his return home, for a bottle of Johnson's Anodyne Liniment which we gave him, and which he says has entirely cured him of the troublesome and dangerous cough he had when here.

ON A VISIT.—Miss Minnie Marye, of Union, grand daughter of Col. W. W. Chapman, was on a visit to friends in this city last week. She was well pleased with our city and its surroundings, as our citizens, who became acquainted, were with her ladylike and genteel appearance. She stopped with her friend Mrs. Brattain, while in the city.

"SHEP" Wells, Fargo & Co.'s Agent at Winnemucca, will please accept our thanks for one of those neat, handy and convenient Calendars gotten up by H. S. Crocker & Co., of San Francisco. "Shep" always remembers his friends.

Take Dr. Pierce's Pleasant Purgative Pills, or Sugar Coated, Concentrated Root and Herbal Juice, Anti Bilious Granules, for Jaundice, Constipation, Biliousness, Inflammation or Irritation of the Bladder, accompanied by pain or frequent calls to urinate, and to break up attacks of colds and fevers. Pleasant, harmless, and only 25 cents a vial by Druggists.

SOCIABLE.—Mrs. Virtue, on last Saturday evening, had a re-union at her residence. It was a very pleasant affair. There were some twenty persons present who first settled in Baker county in 1862, and we had a gay time talking over "old times."

Pap Levine has been selling several large bills of goods in his line, within the last few days. He has plenty more of the same sort left. A man who once patronizes Pap, will always give him another call, when he wants anything in his line.

ROBBERY.—On last Wednesday evening, January 21st, a Chinese store at Mormon Basin was robbed of a lot of Opium, amounting to about five hundred dollars. It is pretty certain that the thieves were Chinamen.

RETURNED.—Jerry Dooly and his wife, who had been on a visit to their friends in this city, returned to their home, at Clarksville, last Monday morning.

Mr. Goodall, of our city, will please accept our thanks for late copies of the Missouri Republican.

RICK STRIKE.—We understand that Franks & Company, of Rye Valley, have made some rich strikes in their quartz ledges at that place.

We are under obligations to R. H. Cardwell, Wells, Fargo & Co.'s Agent at this City, for favors rendered to this office.

MORE SNOW.—On last Sunday we had a real, regular built snow storm, and sleighing is now first rate.

DIVINE SERVICE.—Rev. Dr. Nevius will hold Divine service on Sunday, February 1st, at the Court House, at the usual hours.

W. J. Leatherwood, of Malheur City, called on us last Thursday, looking well and hearty.

WEEKLY CHRONICLE.—We have received the first and second numbers of the San Francisco weekly Chronicle, a newsy sheet of eight large pages, well adapted to the wants of country readers. It is published at \$4 a year, in advance, and a new and correct map of the United States is sent free to each subscriber. We cannot speak of the merits of the map—we have not seen it—but it is spoken of by other papers as a good one. We received a letter some three or four weeks since from the publishers stating they had forwarded us a map, but it has failed to reach us—when it arrives we will speak of it.

PRAYER MEETING.—A prayer meeting will be held at the Court House, on Saturday evening of this week.

Chas. St. Louis has located permanently in Baker; and is now prepared to manufacture and repair all kinds of jewelry and watches. After twenty-eight years experience in the business, he feels competent to give entire satisfaction. Mr. St. Louis, is also agent for the best Sewing Machine in use, the New Wilson, price, \$50.00.

Baker City Lodge No. 25, I. O. O. F., meets every Saturday evening, at half past six o'clock, at Odd Fellows Hall, in the new Bank Block, corner of Front street and Court Avenue. Members of the Order are invited to attend. By order of N. G.

A Manual of Health.
An edition of between nine and ten millions of copies of a very useful work is now ready for gratuitous distribution, and can be had for the asking at any drug store in the United States, the British Colonies, Spanish America or Brazil. The work referred to is Hostetter's Almanac for 1874. This medical portion of it treats of the various ailments to which the human system is subject, and sets forth the peculiar properties of Hostetter's Stomach Bitters—the purest and best tonic at present known—as a preservative of health and strength, and as a remedy for debility and disease. The Almanac is printed in all the principal languages of the civilized world, and reaches a larger number of families and individuals than any other medical treatise that ever issued from the press. No man or woman who has a due regard for that choicest of heaven's blessings, bodily vigor, should fail to read the plain, simple and convincing articles which this truly practical publication contains. The miscellaneous matter is varied, instructive and amusing, and the calendar department copious and comprehensive. Hostetter's Almanac is, in short, a household convenience, adapted to the use of all classes and callings. The farmer, the planter, the miner, the merchant, the mechanic, the laborer, the professional man, all need it; and to invalids of both sexes it is literally an article of prime necessity. The medical treatises included render so many medical treatises intended for popular use unintelligible to the general reader, have been carefully avoided in this pamphlet. All is clear, explicit, forcible, and reconcilable with reason and common sense.

The proprietors, Messrs. Hostetter & Smith, Pittsburgh, Pa., on receipt of a two cent stamp, will forward a copy by mail to any person who cannot procure one in his neighborhood.

THE SUN.

WEEKLY, SEMI-WEEKLY AND DAILY.

THE WEEKLY SUN is too widely known to require any extended recommendation; but the reasons which have already given it fifty thousand subscribers, and which will, we hope, give it many thousands more, are briefly as follows:

It is a first rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligible, and interesting manner.

It is a first rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in this department.

It is an independent political paper, belonging to no party and wearing no collar. It fights for principle, and for the election of the best men to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether. It has no fear of knives, and asks no favors from their supporters.

It reports the fashions for the ladies and markets for the men, especially the cattle markets, to which it pays particular attention.

Finally, it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have the Weekly Sun at this rate. Any one who sends a single dollar will get the paper for a year.

We have no traveling agents.

THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.00 a year. No discounts from this rate.

THE SEMI-WEEKLY SUN.—Same size as the Daily Sun. \$2.00 a year. A discount of 20 per cent. to clubs of 10 or over.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents a month, or \$6.00 a year. To clubs of 10 or over, a discount of 20 per cent. Address, n28t6 "THE SUN," New York City.
