SHOOTING .-- We understand there was a shooting match on Willow Creek, near Eldotado, one day last week, between a Mr. Thempson and Geo. W. Phillips. Neither of these parties were hurt, but a young man who was driving Phillips' sled had his boot spoilt and his foot scratched by a ball. We understand that Mr. Thompson was placed under \$1090 bands for his appearance at the next term of our Circuit Court.

Snow .- It was anowing yesterday evening when we went to press. This is good for our mining friends and livery stables. The more snow this winter the more water next summer, and this will cause more gold to be taken out of the ground, and this will be good for everybody. Let it snow-who cares for expenses, we are going to have a brand, splinter new printing office, and new type to

DECIDED .- Our friend, Judge L. O. Sterns, informs us that the case of Mary C. White against the Northwestern Stage Company, which he commenced at the October Term 1872, of the Circuit Court for this county, was decided in favor of the plaintiff on the 10th inst. The defendants, by their Attorney J. H. Reed, appealed to the Supreme Court, from the decision of Judge McArthur. The respondent, Miss White, was represented in the appellate court by Messrs. L. O. Sterns, and Knight & Lord. Thus ends a hard fought case.

If Congress had employed as much scientific skill in the arrangement of its "Re-construction Policy" at the close, as the War Department did in the beginning of the war, in arranging for the manufacture of what was called Sheridan's Cavalry Condition Powders for the use of the Cavalry horses, no doubt the Union would have been restored long ago.-Exchange.

We will publish next week an interesting letter from our friend Royal A. Pierce, in which he gives a vivid description of the changes which have taken place within the past twelve years, where he has been traveling since he left home, in our county, last

We noticed in one of our exchanges this week the statement of Dea. John Hodgkins, of South Jefferson, Me., whose son was cured of incipient consumption by the use of Johnson's Anodyne Liniment. We refer to this at this time as tending to corroborate the statement we made last week in relation to this Liniment as applied to consumption.

A Row .- At the Primary Meeting at Pocahontas, last Saturday, some of the "Roosters" permitted their angry passions to get the better of their good judgment, and they had considerable of an excitement and a knock

"You should never let your angry passions Your little fingers were never made to tear each others eyes.'

Success Based Upon Merit.

It is a subject of general remark, among both wholesale and retail druggists, that no medicine introduced to the American public has ever gained such a popularity and met with so large a sale in all parts of the land, in the same length of time, as Dr. Pierce's Golden Medical Discovery .-This cannot depend upon its having been more largely advertised than any other medicine, as such is not the case. The correct explanation, we think, is found in the fact that this medicine produces the most wonderful and perfect cures of very bad cases of bronchial, throat and lung diseases, is undoubtedly the most perfect and efficient remedy for all kinds of coughs that has ever been introduced to the public, and at the same time possesses the greatest of blood-purifying and strengthen-ing properties that medical science has been able to produce, thus rendering it a been able to produce, thus rendering it a sovereign remedy not only in the cure of Consumption, Bronchitis, Hoarseness and coughs, but also for all diseases of the liver and blood, as scrofulous diseases, blotches, rough skin, pimples, black specks and discolorations. It has therefore a wide range of application and usefulness, and it not only gives the most perfect satisfacnot only gives the most perfect satisfac-tion to all who use it, but far exceeds the expectations of the most sanguine, thus eliciting the loudest praise, and making permanent living advertising mediums of all who use it.

"Some three months since Dr. R. V. Pierce, of Buffalo, N. Y., commenced advertising in the Whig, an article called "Dr. Sage's Catarrh Remedy." We believed at that time it was one of the many catch-penny arrangements to swindle people out of their money, but during the past few weeks have become convinced to the contrary. We know of several prominent citizens who have suffered from that loathsome disease "Catarrh," and they pronounce Dr. Sage's Remedy no humbug, and in several instances have been entirely cured. We desire to give Dr. Pierce the benefit of the same." the benefit of the same."
