Called.—Hon. E. S. McComas and Dr. J. B. Hulseby from LaGrande called on us last week. R. S. Johnson and James Odell of Rye Valley called on us last Monday.—they say times are lively at Rye Valley and all the people there are at work.

For Portland.—Our young friend Robt. Gillespie, late of Boise City, passed through our City on his way to Portland last Monday.

Thanks.—We are indebted to Mr. R. P. Layton for late Chicago papers for which he has our thanks.

IMP'D O. R. M.—On the 14th Sleep of the Flower Moon, G. S. D., 383 Winemucca Tribe, No. 5, was organized in this city by Le F. A. Shaw, Great Sachem of the Great Council of the State of Oregon, and the following named chiefs were duly "raised up" to their respective stations, to-wit: R. H. Cardwell, Sachem; J. P. Ross, S. S.; Ike Bloch, J. S.; Cal Hyde, C. of R.; H. N. McKinney, K. of W.; R. Alexander, Prophet; C. M. Foster, 1st W.; J. H. Ingraham, 2nd W.; S. R. Ross, 3rd W.; R. T. Bailey, 4th W.; G. L. Manning, 1st B.; A. S. S. 2nd B.; D. H. Jackson, G. of W.; A. A. Hewston, G. of F.; also the names of L. O. Stems, J. H. Shinn, E. S. McComas and W. W. Webber appear upon the Charter list. The Councils of the Tribe will be held on Tuesday Evening of each week, at their Wigwam. The object of the Order being the relief of distressed brethren, the cultivation of the social and fraternal relations between its members, the protection of the Widow and the fatherless and the interment of their dead. We bespeak for the Improved Order of Red Men a success which is fully merited by any and all associations of the kind.

GOOD PROSPECTS.—Our friend W. H. Speake, who has been out to his mining claim on Snake river about two miles above the mouth of Connor Creek, showed us yesterday about five ounces of as pretty gold dust as we have seen since we left California.—Mr. Speake and those in company with him hold one thousand feet of bar claims, and the gold shown us was picked up and panned out in running a short cut. Mess s. Speake, Campbell, Hoffman and Marshall are the owners of this mining ground, and they have now about one hundred and twenty inches of water, and they will soon put in sluice boxes, and then we may expect to hear of big clean ups. We wish the boys the greatest success. As good or better prospects are struck on the same bar below the mouth of Connor Creek.

BODY FOUND.—A brother of Geo. W. Hunt of Bluff station, on the Payette River, Idaho, was drowned some two years since in the Payette River. Diligent search was made at the time and for a long time afterwards, for his body, but his remains were not able to find it. On last Friday his remains were found near the place where he was drowned. His skeleton was whole, and his boots still remained on his feet. Mr. Hunt was a young man of much promise. At the time he was drowned he was taking the U. S. mail from Bluff Station to Salsubria, and in fording the river which was very deep at that time, he in some manner left his horse and was drowned.

FINE BUGGY.—On last Thursday we had the pleasure of inspecting a fine home manufactured buggy, built at the shop of Messrs. Gaines & Bowman for Dr. Snow, all of our city. The iron work was done by Mr. Thos. Dealy, and the painting by Harry Weed. It is as neat a turn-out as can be found in our city, or in Eastern Oregon, and reflects great credit upon the builders. We understand Messrs. Gaines & Bowman are building two or three more for citizens of our county. There is no necessity for our citizens sending away for wagons and buggies when they can get as good, or better, article at home for the same price that it costs to lay the foreign article down here. Patronize home industry, and then times will not be so hard. "Do ye mind that now."

RELIGIOUS.—There will be preaching, by Rev. G. W. Clancy, at the Court House in Baker City, on the Third (next) Sabbath in May—morning and evening; also, at Clarks Creek on the following Saturday evening at candle lighting and Fourth Sunday at 11 o'clock, and at Eldorado same evening; Monday evening at Mormon Basin, and Tuesday evening at Rye Valley. The Baptist Association will meet with the Baptist Church at Wingville, on Thursday, June 4th, and continue over the Sabbath. NEW MUSIC.—A Life that Lives for You, Try Club Lancers, List to the Voice of the Waves, and The Child's Vision with a variety of other new and popular pieces of music, have been received from F. J. Bonitz, Manager of Gray's Music Store, Portland. We refer our friends requiring anything in the music line, from a song to a piano organ, to Gray's Music Store, Portland, where they can rely upon honorable dealings.

A PRESENT.—Last week we inspected Adams' Map of History, which was presented to the Baker City Academy by Hon. L. L. McArthur. The map is a very fine one, and well adapted to the use of schools. It is a valuable and useful gift, and the generous donor will receive the thanks of many a student of the Academy, for his kind remembrance of the institution and its inmates.

THE ROSDALE TROUPE.—During the past ten days this talented Troupe has been playing nightly to good houses in our city. They put good pieces upon the boards in good style. We understand they will commence a short engagement at Boise City on next Monday evening, and we hope they may have good houses.

GONE TO SILVER.—We neglected to mention at the proper time that Dr. E. P. Tierney and family had gone to Silver City to live. The Doctor is a good physician, and we hope he may have the success there he so well deserves, and that his family have a pleasant home with the Silverites.

NEW GUN SHOP.—Mr. H. Sutter has opened a new Gun Shop at Gardner's Jewelry Store, where he is prepared to do all kinds of work in the way of repairing Guns, Pistols, and also machinery, on short notice, and at reasonable rates. Work warranted.—Give him a call.

CHANGE.—Mr. Thomas Smith, of the Empire Hotel, at The Dalles, has leased his hotel there, and intends to remove to Salem. We understand he has leased Chemeketa Hotel at Salem. Mr. Smith is a very clever gentleman, and knows how to keep hotel.

I. O. R. M.—There has been a Lodge of the Independent Order of Red Men organized in our City. We understand they start with some twenty or more charter members. For the present they meet in Odd Fellows Hall every Tuesday evening.

FROM TACOMA.—Mr. E. M. White, formerly of this city, arrived from Tacoma, W. T., last week, and is staying in our city at present.

Col. H. C. PAIGE, Wells, Fargo & Co's Traveling Agent, with his family, has been stopping in our city for several days. Their many friends here are well pleased with the visit, and hope it may be a long one.

PARALYSIS.—We learn that T. J. Carter, Esq., of Eldorado, was stricken down with Paralysis on Sunday evening, at that place. Although in a critical condition, it is thought he would recover.

ARRIVED.—Richard Williams and Timothy Davenport, Republican and Independent candidates for Congress, spoke at the Court House last evening. They speak at Eldorado to-day.

NAME CHANGED.—The name of the Baker City Hotel has been changed to that of Rail Road House.

HORSE STEALING.—A man by the name of Lawrence was arrested and brought into our city, on last Monday, for horse stealing.

SCHOOL.—Miss Fanny Worlow commenced her school in our city last week. She has some twenty odd scholars. We wish her success in her undertaking.

LEFT.—Mr. M. H. Abbott and family left our city, for their home at Pendleton, last week.

Walla Walla Items.

EDITOR DEMOCRAT.—I will give you a few items from this part of the country, and if they are not interesting to your readers you will have to excuse the writer for trespassing upon your time and space. Circuit Court has been in session the past week, and will probably continue another week, and still there are thirteen criminal cases and several civil suits to be tried.

The contract for furnishing Cavalry horses for the Government was let to the Payne Brothers and Moore, merchants of Walla Walla, at One hundred and twelve dollars per head. They are offering Eighty dollars in greenbacks; but I think they will have to go out of Washington Territory to fill the contract at that rate.

This is a great country for stock—thousands of grass. There are more horses than cattle raised here, but I cannot see the object in raising horses, as a general thing, in preference to cattle. There were a great many fruit trees killed here by the cold weather last winter, but the prospect for fruit this season is very good for the trees that are left.

Hon. S. M. Walt has returned from California, and will address the people of Walla Walla to-morrow evening, May 16, on the subject of beet sugar. If they can get this thing established, it will be a great help to this portion of Washington Territory. There is not much money in the country now, but people live in hopes of better times.

Two men got into a difficulty at Colville the other day, when one of them, named Pierrie, stabbed the other with a knife, inflicting a mortal wound. Pierrie had not been arrested at last accounts. Vegetables are plentiful in our market, fruit trees are in full bloom, and every thing looks beautiful, and our ladies love it. Yours, &c. REX. [We hope "Rex" will continue his letter to us.]

UNION ITEMS.

The Sun comes down with a vehement muchness. Every-thing is love(ly) and quiet as the mighty Hudson, but the sun burns right down. The chances are that it rain soon.

The Union Race commences to-morrow, (Tuesday). A good time is anticipated. Work will commence on the Summerville and Walla Walla Wagon Road immediately.

Mr. S. Hannah received a lot of new goods last week. The first received this season at this place. He will also pay the highest market price for republican votes.

Mrs. E. Perkins and Mrs. G. W. Parker and son paid our section a visit last week. Dick Williams and Tim. Davenport will eulogize their respective but not respectable propositions here to-day.

The birthday party given last Wednesday night at Pap. Craigs in honor of Miss. Chase, was a big thing. Every one seemed to enjoy themselves. Bonus had a bonus time.

A Frenchman by the name of Prudent, while hitching his team a few days since, was kicked in the mouth, knocking out eleven teeth and disfiguring him badly.

We see in the Grande Ronde Times that Mr. T. T. G. (its stern wheel at the Cove) is calling Mr. Payne Sheriff already. He must be the running Gaer (s) of the Cove.

BUFFALO, N. Y., Dec. 13, 1870. DR. R. V. PIERCE: For the past six months I have used your Golden Medical Discovery in my practice, and in that time I have tested its merits in severe coughs, both acute and chronic, in chronic diseases of the throat, severe cases of bronchitis, general derangement of the system, constipated condition of the bowels, and whatever a watery, Aliterative, or blood purifier, has been indicated. In all cases I have found it to act gently, dissolved conditions, and bringing about a healthy action throughout the system. Yours fraternally, H. L. HALL, M. D.

This medicine is sold by all respectable druggists in all parts of America.

An occasional dose of Dr. Pierce's Pleasant Purgative Pellets stimulates the stomach and bowels, restores the appetite and invigorates the system. Hence it is often advantageous where no derangement exists. One who feels tolerably well often finds that a dose of these Pellets, from their cleansing and renovating effect upon the digestive apparatus, makes him feel decidedly better. Twenty-five cents, by Druggists.

Baker City Lodge No. 25, I. O. O. F., meets every Saturday evening, at half past six o'clock, at Odd Fellows Hall, in the new Bank Block, corner of Front street and Court Avenue. Members of the Order are invited to attend. By order of N. G.

Chas. St. Louis has located permanently in Baker; and is now prepared to manufacture and repair all kinds of jewelry and watches. After twenty-eight years experience in the business, he feels competent to give entire satisfaction. Mr. St. Louis, is also agent for the best Sewing Machine in use, the New Wilson, price, \$55.00.

For the very best Photographs, go to Bradley & Rutolofson's Gallery without STAIRS Ascend in the ELEVATOR, 429 Montgomery street, San Francisco.

Any information of said File left at the BEDROCK DEMOCRAT Office will be rewarded by G. W. PHILLIPS. May 13, 1874-n1n3

Trusting they will be as successful with all their patients, I take pleasure in recommending the afflicted to their care.
