TO THE AFFLICTED. DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of Diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness and all the horrid consequences of self-abuse, gonorrhoea, gleet, stricture, nocturnal and diurnal emissions, sexual debility, diseases of the back and loins, inflammation of the bladder and kidneys, etc.; and he hopes that his long experience and successful practice, will continue to insure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and scientific remedies against diseases of all kinds. He cures no mercury, charges moderate, treats his patients in a correct and honorable way and has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him, by letter or otherwise, will receive the best and gentlest treatment and implicit secrecy.

To Females. When a female is in trouble, or afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, she should go or write at once to the celebrated female doctor, W. K. DOHERTY, at his medical Institute, and consult him about her troubles and disease. The Doctor is effecting more cures than any other physician in the state of California. DOHERTY'S Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged that he can be consulted without fear of observation.

To Correspondents. Patients residing in any part of the state, however distant, who may desire the opinion and advice of Dr. Doherty in their respective cases, and who think proper to submit a written statement of such, in preference to having a personal interview, are respectfully assured that their communications will be held most sacred and confidential. If the case be fully and candidly described, personal communication will be unnecessary, as instructions for diet, regimen and the general treatment of the case itself (including the remedies) will be forwarded without delay, and in such a manner as to convey no idea of the purport of the letter or parcel so transmitted.

Consultation--By letter or otherwise FREE. Permanent cure guaranteed or no pay. Spermatorrhea. Dr. DOHERTY has just published an important pamphlet, embodying his own views and experiences in relation to impotence or Virility; being a Short Treatise on Spermatorrhea or Seminal Weakness, Nervous and Physical Debility, consequent on this affection, and other diseases of the sexual organs. TO THE UNFORTUNATE!

NEW REMEDIES! NEW REMEDIES! DR. GIBBON'S DISPENSARY, 623, Kearney St., Corner Commercial street, San Francisco.

Established in 1854, for the treatment of sexual and seminal diseases, such as Gonorrhoea, Gleet, Stricture, Syphilis in all its forms, seminal weakness, impotency, etc. Skin diseases, of years standing, and ulcerated legs successfully treated.

DR. GIBBON has the pleasure of announcing that he has returned from visiting the principal Hospitals in Europe, and has resumed practice at the Dispensary, 623 Kearney street, corner of Commercial, where his old patients and those requiring his services may find him.

The Doctor has spared neither time nor money in seeking out new remedies, and has returned with increased facilities for the alleviation of human suffering.

HORRIBLE DISEASES! How many thousands of persons, both male and female, are there who are suffering out a miserable existence from the effects of secret indulgence, or from virus absorbed into the system. Look at their pallid, emaciated and disfigured faces and their broken down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladies, see that they are cared for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his especial study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important to those afflicted, or those interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be therefore careful and make strict inquiry or you may fall into the hands of those charlatans.

SEMINAL WEAKNESS. Seminal emission--the consequence of self abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with morbid certainty the following train of noxious symptoms, unless combated by scientific medical measures, viz Sallow countenance, dark spots under the eyes, pains in the head, ringing in the ears, noise like rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, pimples and various eruptions about the face, hectic flushes, furred tongue, fetid breath, night sweats, monomania and frequently insanity. If relief be not obtained, should apply immediately either in person or by letter, and have a cure effected by his new and scientific mode of treating the disease, which never fails in effecting a quick and radical cure.

CURED AT HOME. Persons at a distance may be CURED AT HOME by addressing a letter to Dr. Gibbon stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use.

Persons writing to the Doctor will please state the name of the paper they see this advertisement in. By inclosing Ten Dollars coin, in registered letter through the Postoffice, or through Wells, Fargo & Co., a package of medicine will be forwarded to any part of the Union.

All communications strictly confidential. Address DR. J. F. GIBBON, 623 Kearny street, San Francisco. Postoffice Box 1-957. n11y1

Ayer's Cathartic Pills,

For the relief and cure of all ailments of the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and most efficacious medicine restored to the market. All the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. This incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar-coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution or diet or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physician, and for the following complaints, which these Pills readily cure: For Dyspepsia or Indigestion, Lassness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Stiff Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action, or remove the obstructions which cause it.

For Dysentery or Diarrhoea, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken as it produces the desired effect by sympathy.

As a Family Pill, take one or two Pills to promote digestion, and relieve the stomach. An occasional dose stimulates the stomach, and bowels, restores the appetite, and purifies the system. Hence it is often administered where no serious disease exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Ayres' Hair Vigor

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair, It soon restores faded or gray hair to its original color, with the gloss and freshness of youth. Thin hairs thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit, but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.
