Ring joyous bells for the new year's birth,
Ring out your welcomes over all the earth,
But toll the bell softly, for the old year is gone
Nevermore to return, for the new year is born.

Then ring out glad bells your pæns of praise,
For the new heir is welcome, though short are his days;
Let us banish all care and we shall derive
Pleasure from eighteen hundred and seventy-five.

Ring for the bride with her orange wreath on,
May the life be golden, she hath entered upon,
And at its close may she then ever say:
Life has been sunny since that glad new year's day.

Ring soothing tones for the sad mother's heart
Who has been called from her loved ones to part,
Ring for the absent ones calling them home,
Back to our home and heart, never to roam.

Chime all ye bells, and gladly ring
Strains for the poor of earth, and sorrowing,
Unto all such new hope shall be given,
Teaching the way that leads up to Heaven.

Baker City, Jan. 1, 1875. MAY.

MARRIED.—In Baker City, at the residence of J. H. Parker, by Rev. G. W. Adams, Fred. Dill to Miss Mary C. White, all of Baker City.

Mr. Dill is an old citizen of our city and county. He is an energetic and successful business man, and has the respect and confidence of our community. The fair bride arrived in our city some three years since, and by her ladylike behavior has won the love and respect of a host of friends. The newly wedded pair will go to house keeping soon. They have the best wishes of a host of friends for their future prosperity and happiness.

STOLEN.—One Lady's Pocket Book, with gold leaf on each end and and a gold ring near one end. Also, one gentleman's new Pocket Book, with three half dollars in it. The above were taken out of the pocket of O. H. P. McCord on Thursday night, New Year Eve, by a certain person, who can save further trouble by returning the articles to Bohn & McCord's Saloon. No questions will be asked.

FIRE.—At Clarksville, on Monday, Dec. 28, 1874, in the forenoon, the dwelling house of E. Wendt was discovered to be on fire. The furniture, &c., was saved—the house was burned down. Loss some three or four hundred dollars. There was no wind at the time of the fire and the buildings adjoining were save by great exertions on the part of the citizens of the place.

Jake Cherry & Johny Levins will please accept our thanks for favors extended to the DEMOCRAT office during the holidays. They keep a full supply of Canned goods, Fresh Butter and Eggs, Vegetables, Tobacco, Cigars, etc., which they are selling at low figures.

SNOW.—On last Monday evening snow fell in Powder River Valley to the depth of about five inches. On Tuesday morning the sun came out bright and clear, with fair indications soon causing the disappearance of the snow which fell the evening before.

The pleasant jingle of the sleigh bell enlivened our streets yesterday.

BIG INVENTION.—Lloyd, the famous map man, who made all the maps for Gen. Grant and the Union army, certificates of which he publishes, has just invented a way of getting a relief plate from steel so as to print Lloyd's May of American Continent—showing from ocean to ocean—on one entire sheet of blank note paper, 40x50 inches large, on a lightning press, and colored, sized and varnished for the wall so as to stand washing and mailing anywhere in the world for 25 cents, or unvarnished for 10 cents. This map shows the whole United States and Territories in a ground, from surveys to 1875, with a million places on it, such as towns, cities, villages, mountains, lakes, rivers, streams, gold mines, railway stations, &c. This map should be in every house. Send 25 cents to Lloyd Map Company, Philadelphia, and you will get a copy by return mail.

For the Interest of all Parties.—There can now be no doubt of the wisdom of the course pursued by Governor Bramlette, with reference to the last Grand Gift Concert of the Kentucky Library. The short postponement to February 27th will insure the sale of every ticket, which will be more satisfactory to every ticket holder, and more for the interest of the Library, and that there may be no doubt o, its coming off this time, the Governor proposes to return every ticket holder's money in case of failure.

DEDICATION.—The M. E. Church, of this city, will be dedicated on Sunday, January 17, 1875, Elder Hines officiating. On the Wednesday evening following there will be a supper given, the proceeds of which will be devoted to the church.

FIRE! FIRE.—The Board of Trustees of Baker City recommend that the citizens meet at Cleaver's Hall on this, Wednesday evening, January 6, 1975, at 8 o'clock, P. M., for the purpose of organizing a Fire Company.

W. J. EASTABROOK, Clerk.

FESTIVAL.—The Festival on last Wednesday evening, at the Railroad House, in aid of the Sisters' School, was a very enjoyable affair. The receipts amounted about one hundred and eighty dollars.

Mr. Tracy, Deputy Postmaster at this city, was absent to Union for the past two or three days. Things did not go as smooth at the Postoffice as when he is present. There was a great deal of grumbling.

R. Alexander, the gentlemanly clerk at Bamberger & Frank's, has our thanks for a fine pair of gent's pocket scissors. They are mighty handy about a printing office.

Never suffer long from a Cough. At this age of the world, when you can get Ayer's Cherry Pectoral, it is a criminal neglect if you do not cure it. Be wise in time,

The thanks of our Carrier is due to A. J. Lawrence, Esq., for the able address presented to the patrons of the DEMOCRAT, on new years' day.

The social party given by Miss Minnie McCoy, at the Hotel de Restaurant, on New Year's evening, we understand, was a very pleasant gathering.

DIVINE SERVICE.—The Episcopal Church will be open for Divine service on Wednesday, (this day,) the 6th inst.,—the Festival of Epiphany—at 11 o'clock, A. M.

James Lynn and wife, of Eldotado, spent the holidays in our city, whdre they have a host of friends who were glad to meet them.

Rev. G. W. Adams will preach on next Sunday evening at half past six o'clock, P. M., at the Court House.

Bleeding from Lungs, Catarrh, Bronchitis, Consumption. A Wonderful Cure.

ROCHESTER, N. Y., Jan. 13th, 1874.

R. V. Pierce, M. D., Buffalo, N. Y.:

Dear Sir—I had suffered from Catarrh in an aggravated form for about twelve years and for several years from Bronchial trouble. Tried many doctors and things with no lasting benefit. In may, '72, becoming nearly worn out with excessive Editorial labors on a paper in New York City; I was attacked with Bronchitis in a severe form, suffering almost a total loss of voice. I returned home here, but had been home only two weeks when I was completely prostrated with Hemorrhage from the Lungs, having four severe bleeding spells within two weeks, and first three inside of nine days. In the September following, I improved sufficiently to be able to be about, though in a very feebie state. My Bronchial trouble remained and and the catarrh was tenfold worse than before. Every effort for relief seemed fruitless I seemed to be losing ground daily. I continued in this feeble state, raising blood almost daily until about the first of March, '73 when I became so bad as to be entirely confined to the house. A friend suggested your remedies. But I was extremely skeptical that they would do me good, as I had lost all heart in remedies, and began to look upon medicine and doctors with disgust. However, I obtained one of your circulars, and read it carefully, from which I came to the conclusion that you understood your business, at least. I finally obtained a quantity of Dr. Sages Catarrh Remedy, your Golden Medical Discovery and Pellets, and commenced their vigorous use according to directions. To my surprise, I soon began to improve. The Discovery and Pellets, in a short time, brought out a severe eruption, which continued for several weeks. I felt much better, my appetite improved, and I gained in strength and flesh. In three months every vestige of the Catarrh was gone, the Bronchitis had nearly dissapeared, had no Cough whatever and I had entirely ceased to raise blood, and, contrary to the expectation of some of my friends, the cure has remained permanent. I have had no more Hemorrhages from the Lungs, and am entirely free from Catarrh, from which I had suffered so much and so long. The debt of gaatitude I owe for the blessing I have received at your hands, knows no bounds. I am thoroughly satisfied from my experience that your medicines will master the worst forms of that odious disease Catarrh, as well as Throat and Lung Diseases. I have recommended them to very many and shall ever speak in their praise. Gratefully yours,

WM. H. SPENCER.

Plain Questions for Invalids.—Have the routine medicines of the profession done oou no good? Are you discouraged and miserable? If so, test the properties of the new Vegetable Specific, Dr. Walker's California Vinegar Bitters already famous as the finest invigorant, corrective and alterative, that has ever seen the light. Dyspeptics and persons of bilious habit should keep it within reach, if they value health and ease.

Physiologists say that our Bodies are renewed once in seven years. The material of which they are reconstructed is the blood, and unless it be fully charged with the elements of vitality, the strength and health of the system decline. Of all blood depurents, Dr. Walker's Vinegar Bitters is the safest and most infallible. There is no disease arising from depravation of the blood, which it will not speedily cure.
