

CARRIER'S ADDRESS
OF THE
BEDROCK DEMOCRAT,
TO HIS PATRONS.
JANUARY 1, 1875.

A HAPPY NEW YEAR! I'm the Boy
Who brings you your paper every Wednesday
All year, and I wish you much joy
That you're here, on this merry new day
Of this year. May you see many more
Of the same, full of pleasure without an alloy
And when you can't see them, die at four-score
Is the jolly good wish of this Carrier Boy.

I've had a hard time! When it rained
Which it didn't to speak of last year
And the papers got muddy, you blamed
The poor boy, and tho't it darned queer
It wasn't put inside the door, to be read—
But forgot when the carrier came it was locked
And you in the arms of "Old Morphy" were dead
So with sleep you couldn't have heard Old Gabe, if he'd knocked.

When it blowed it was worse, and it ain't slack
In this Baker. Young hurricanes come
In a minute, and go, and come back
In a second, or so. Then I get some
Prayers for my welfare, from those who can't find
Their "Bedrock's" just under the door,
And I catch "flits" on account of the wind
When they come round to the office for more.

When it's dry—Great Jove is it anything else
In this City? From John Ross
To Bill Kell's, you can see the "Old Fels"
Dustin' their Bedrocks with the "Pale Hoss—"
And a scratchin' their heads very slightly—
And a laborin' under the ghostly mistake
That sittin' up with a sick friend nightly,
Wouldn't cause their jolly old heads to ache.

Then I catch it. You bet! "Look here!
Leave a paper this time! Last week
Jones' dog had it out in the dust, and I fear
That one paper a month at \$4 is dear."
So it goes. But I never get mad
And I do all I can for Dem., Lib. & Rep.,
And I travel my route, and never feel bad
Except when they go and complain to "Old Shep."

You surely have heard how Sam Dixden
Carried New York, with Tammany votes for a rider,
And how General Grant swore Dunder & Blixen
When Ben Butler was bottled by "Schneider."
Of the Democratic victory in Washington Territory,
And how General Will Yams acted the dog
By puttin' Old Pinchback into Purgatory
And bolsterin' up Emory Mac Henry Kellogg.

Of the Rye Valley Quartz Lodes, they're all underground,
And how "Buckskin" got beat at the "Fair,"
And lots of dis-intheria over on the Sound
I guess that's the name of it there.
How we've got a Recorder who'll never resign,
And a Marshal to snatch up the drunks,
How the "Virtue" gold is nine-ninety fine
And Jim Virtue hath smelt the big chunks.

I'd like to rehearse—(how it snows!)
All the notable things that last year befell—
But I'm afraid I will lose my lovely old nose
If I stand here talking all day. Very well,
A dollar's enough! Thank you! Jes' so!
No! no! 2/2's too much for a starter!
Oh! if you insist on it, it's a go,
For I know I DESERVE a QUARTER!!

THE SUN.
WEEKLY AND DAILY FOR 1875.
The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully and fearlessly. THE WEEKLY SUN has now attained a circulation over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and power. THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when important, at full length when of moment, and always, we trust, treated in a clear, interesting and instructive manner. It is our aim to make the WEEKLY SUN the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will print nothing to offend the most scrupulous and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and legibly printed. The Agricultural Department is a prominent feature in the WEEKLY SUN, and its articles will always be found fresh and useful to the farmer. The number of men independent in politics is increasing, and the WEEKLY SUN is their paper especially. It belongs to no party, and obeys no dictation, contending for principle, and for the election of the best men. It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions. It has no fear of knaves and seeks no favors from their supporters. The markets of every kind and the fashions are regularly reported in its columns. The price of the WEEKLY SUN is one dollar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of paper and printing, we are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation. Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of prepaid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the WEEKLY SUN at this rate. Anyone who sends one dollar and twenty cents will get the paper, post-paid, for a year. We have no traveling agents. THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.20 a year, postage prepaid. No discounts from this rate. THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription, postage prepaid, 55 cents a month, \$5.50 a year. Clubs of 10 or over, a discount of 20 per cent. Address, "THE SUN," New York City.

Dr. J. Walker's California
Vinegar Bitters are a purely Ve-
getable preparation, made chiefly from
the native herbs found on the lower
ramparts of the Sierra Nevada mountains
of California, the medicinal properties
of which are extracted therefrom with-
out the use of Alcohol. The question is
almost daily asked, "What is the
cause of the unparalleled success of
VINEGAR BITTERS?" Our answer is,
that they remove the cause of disease,
and the patient recovers his health.
They are the great blood purifier and
a life-giving principle, a perfect Renova-
tor and Invigorator of the system. Never
before in the history of the world has
a medicine been compounded possess-
ing the remarkable qualities of
VINEGAR BITTERS in healing the sick
of every disease. They are a gentle
Purgative as well as a Tonic, relieving
Congestion or Inflammation of the
Liver and Visceral Organs, in Bilious
Diseases.

The properties of Dr. Walker's
VINEGAR BITTERS are Aperient, Dia-
phoretic, Nutritious, Laxative, Diu-
retic, Sedative, Counter-Irritant, Su-
perior, Alterative, and Anti-Bilious.

PRIVATE MEDICAL AID.
QUICK CURES AND MODERATE CHARGES!
DR. W. K. DOHERTY'S PRIVATE
MEDICAL
AND SURGICAL INSTITUTION!
No. 519, Sacramento Street,
Corner of Leidesdorff Street, a few doors
below What Cheer House.)
Private Entrance on Leidesdorff Street.
Established expressly to afford the Afflicted
Sound and Scientific Medical Aid, in
the treatment and cure of all
private and chronic Dis-
eases, Cases of Secrecy,
and all Sexual Dis-
orders.

TO THE AFFLICTED.
DR. W. K. DOHERTY returns his sin-
cere thanks to his numerous patients for
their patronage, and would take this op-
portunity to remind them that he continues to
consult at his Institute for the cure of Dis-
eases of the Lungs, Liver, Kidneys, Diges-
tive and Genito-Urinary Organs, and all
private diseases, viz: Syphilis in all its
forms and stages, Seminal Weakness and all
the horrid consequences of self-abuse, gon-
orrhoea, gleet, strictures, nocturnal and di-
urnal emissions, sexual debility, diseases of
the back and loins, inflammation of the
bladder and kidneys, etc.; and he hopes that
his long experience and successful prac-
tice, will continue to insure him a share of
public patronage. By the practice of many
years in Europe and the United States, he is
enabled to apply the most efficient and suc-
cessful remedies against diseases of all kinds.
He cures no mercury, charges moderate,
treats his patients in a correct and honorable
and has references of unquestionable
veracity from men of known respectability
and high standing in society. All parties
constituting him, by letter or otherwise, will
receive the same and gentlest treatment and
implicit secrecy.

To Females.
When a female is in trouble, or afflicted
with disease, as weakness of the back and
limbs, pain in the head, dimness of sight,
loss of muscular power, palpitation of the
heart, irritability, nervousness, extreme uri-
nary difficulties, derangement of digestive
functions, general debility, vaginitis, all dis-
eases of the womb, hysteria, sterility, and
all other diseases peculiar to females, she
should at once write to the celebrated
female doctor, W. K. DOHERTY, at his
medical Institute, and consult him about her
troubles and disease. The Doctor is effecting
more cures than any other physician in
the state of California. Let no false delica-
cy prevent you, but apply immediately and
save yourself from painful sufferings and
premature death. All married ladies, whose
delicate health or other circumstances pre-
vent an increase in their families, should
write or call at Dr. W. K. DOHERTY'S Medi-
cal Institute, and they will receive every pos-
sible relief and help. The Doctor's offices
are so arranged that he can be consulted
without fear of observation.

To Correspondents.
Patients residing in any part of the state,
however distant, who may desire the opinion
and advice of Dr. Doherty in their respective
cases, and who think proper to submit a
written statement of such, in preference to
holding a personal interview, are respect-
fully assured that their communications will
be held most sacred and confidential. If the
case be fully and candidly described, person-
al communication will be unnecessary, as in-
structions for diet, regimen and the general
treatment of the case itself (including the
remedies) will be forwarded without delay,
and in such a manner as to convey no idea of
the purport of the letter or parcel so trans-
mitted.

Consultation—By letter or otherwise
FREE. Permanent cure guaranteed or no
pay.

Spermatorrhea.
Dr. DOHERTY has just published an im-
portant pamphlet, embodying his own views
and experiences in relation to impotence or
Virility, being a Short Treatise on Spermato-
rrhea or Seminal Weakness, Nervous and
Physical Debility, consequent on this affec-
tion, and other diseases of the sexual organs.
This little work contains information of the
utmost value to all, whether married or sin-
gle, and will be sent FREE, by mail, on re-
ceipt of six cents in postage stamps for re-
turn postage.

TO THE UNFORTUNATE!
NEW REMEDIES! NEW REMEDIES!
DR. GIBBON'S
DISPENSARY,
623, Kearney St.,
San Francisco.

Established in 1854, for the treatment of
sexual and seminal diseases, such as Gonor-
rhea, Gleet, Stricture, Syphilis in all its forms,
seminal weakness, impotency, etc. Skin
diseases, of years standing, and ulcerated
legs successfully treated.
DR. GIBBON has the pleasure of announc-
ing that he has returned from visiting the
principal Hospitals in Europe, and has re-
sumed practice at the Dispensary, 623 Kear-
ney street, corner of Commercial, where his
old patients and those requiring his services
may find him.
The Doctor has spared neither time nor
money in seeking out new remedies, and
has returned with increased facilities for the
alleviation of human suffering.

HORRIBLE DISEASES!
How many thousands of persons, both
male and female, are there who are suffer-
ing out a miserable existence from the ef-
fects of secret indulgence, or from virus ab-
sorbed into the system. Look at their pallid,
emaciated and disfigured faces and their
broken down constitutions, disqualify-
ing them for the happiness of marriage or
the enjoyment of life. In this horrid situa-
tion thousands suffer until death closes the
scene. Let parents, guardians and friends
attend to those who are suffering with any
of these horrible, life-destroying maladies—
see that they are cared for and cured before
it is too late. Send them immediately to
Dr. Gibbon, a physician who has made pri-
vate diseases his special study for years,
and who is certain to cure the most invete-
rate cases without mercury or any injurious
drugs. It is important to those afflicted, or
those interested in the welfare of their
friends, to be careful of the many pretended
doctors who infest all cities, publishing their
skill in curing all diseases in a few days, im-
posing upon the public by using the names
of eminent physicians from Europe and
other places. Be therefore careful and make
strict inquiry or you may fall into the hands
of those charlatans.

SEMINAL WEAKNESS.
Seminal emission—the consequence of
self abuse. This solitary vice, or depraved
sexual indulgence, is practiced by the youth
of both sexes to an almost unlimited extent,
producing with unerring certainty the fol-
lowing train of morbid symptoms, unless
combated by scientific medical measures,
viz: Sallow countenance, dark spots under
the eyes, pains in the head, ringing in the
ears, noise like rustling of leaves or rattling
of chariot wheels about the limbs, weak-
ness of the limbs, confused vision, blunted
intellect, loss of confidence in approaching
strangers, a dislike to form new acquaintances,
a disposition to shun society, loss of
memory, pimples and various eruptions
about the face, hectic flushes, furred tongue,
fetid breath, night sweats, monomania and
frequently insanity. If relief be not obtained,
should apply immediately either in person
or by letter, and have a cure effected by his
new and scientific mode of treating this dis-
ease, which never fails in effecting a quick
and radical cure.

CURED AT HOME.
Persons at a distance may be CURED AT
HOME by addressing a letter to Dr. Gibbon
stating case, symptoms, length of time the
disease has continued, and have medicine
promptly forwarded, free from damage and
curiosity, to any part of the country, with
full and plain directions for use.

Persons writing to the Doctor will please
state the name of the paper they see this ad-
vertisement in.
By inclosing Ten Dollars coin, in regis-
tered letter through the Postoffice, or
through Wells, Fargo & Co., a package of
medicine will be forwarded to any part of
the Union.

All communications strictly confidential.

Ayer's
Hair Vigor
For restoring to Gray Hair its
natural Vitality and Color.

A dressing
which is at
once agreea-
ble, healthy,
and effectual
for preserv-
ing the hair.
It soon re-
stores faded
or gray hair
to its original
color, with the gloss and freshness of
youth. Thin hair is thickened, fall-
ing hair checked, and baldness often,
though not always, cured by its
use. Nothing can restore the hair
where the follicles are destroyed, or
the glands atrophied and decayed;
but such as remain can be saved by
this application, and stimulated into
activity, so that a new growth of
hair is produced. Instead of fouling
the hair with a pasty sediment, it
will keep it clean and vigorous. Its
occasional use will present the hair
from turning gray or falling off,
and consequently prevent baldness.
The restoration of vitality it gives
to the scalp arrests and prevents
the formation of dandruff, which is
free so uncleanly and offensive.

Often from those deleterious sub-
stances which make some prepara-
tions dangerous, and injurious to the
hair, the Vigor can only benefit, but
not harm it. If wanted merely for a
HAIR DRESSING, nothing else can
be found so desirable. Contain-
ing neither oil nor dye, it does not
soil white cambric, and yet lasts
long on the hair, giving it a rich,
glossy lustre, and a grateful perfume.

Ayer's Cathartic Pills,
For the relief
and cure of all
derangements in
the stomach,
liver, and
bowels. They are a mild
and pleasant
and an
excellent pur-
gative. Being
vegetable, they
contain no in-
jury or mineral
whatever. Much
serious sickness and suffering is prevented by
their timely use; and every family should
have them on hand for their protection and
relief, when required. Long experience has
proved them to be the safest, surest, and
best of all the Pills with which the market
abounds. By their occasional use, the blood
is purified, the obstructions of the system ex-
pelled, obstructions removed, and the whole
machinery of life restored to its healthy ac-
tivity. Internal organs which become clogged
and sluggish are cleansed by Ayer's Pills,
and stimulate into action. This important
disease is changed into health, the value of
which change, when reckoned on the vast
multitudes who enjoy it, can hardly be com-
puted. Their sugar-coating makes them
pleasant to take, and preserves their virtues
unimpaired for any length of time, so that
they are ever fresh, and perfectly reliable.
Although searching, they are mild, and oper-
ate without disturbing the constitution or
diet or occupation.

Full directions are given on the wrapper to
each box, how to use them as a Family Physi-
cian, and for the following complaints, which these
Pills rapidly cure:
For Dyspepsia or Indigestion, Disten-
sion, Languor, and Loss of Appete-
ite, they should be taken moderately to
stimulate the stomach, and restore its healthy
tone and action.
For Liver Complaint and its various
symptoms, Bilious Headache, Sick
Headache, Jaundice or Green Sick-
ness, Bilious Colic and Bilious Fe-
vers, where there is a morbid action on
each case, to correct the diseased action, or
remove the obstructions which cause it.
For Dysentery or Diarrhoea, but one
pill dose is generally required.
For Rheumatism, Gout, Gravel,
Exaltation of the Heart, Pain in
the Side, Back, and Loins, they should
be continuously taken, as required, to change
the diseased action of the system. With such
change these complaints disappear.
For Dropsy and Dropsical Swell-
ings, they should be taken in large and
frequent doses to produce the effect of a drastic
purgative.
For Suppression, a large dose should be
taken, as it produces the desired effect by
stimulation.
As a Family Pill, take one or two Pills to
promote digestion, and relieve the stomach.
An occasional dose stimulates the stomach
and bowels, restores the appetite, and invig-
orates the system. Hence it is often advan-
taged where there is some derangement exists.
One who feels tolerably well, often finds that
a dose of these Pills makes him feel decid-
edly better, from their cleansing and reno-
vating effect on the digestive apparatus.
