

Baker City, April 14, 1875.

The BEDROCK DEMOCRAT has more bona fide, paying subscribers in Baker County, than has any other two papers published in the State. We put no man's name on our subscription list unless we have orders so to do.

DR. T. N. SNOW is authorized to act as Agent for the BEDROCK DEMOCRAT at South Mountain, Idaho.

PATENT OUTSIDE.—Our cotemporary has become so inflated with hominy, sour-kraut and mince-pies, that it has had to re-adopt the Patent Outside. We pity the poor thing—it has not enough capital, talent or energy to get up a full home paper, but is playing second fiddle to California, where it has its outside printed. Its readers never will see anything on the outside of the Herald that is of interest to Oregon, but, on the contrary, articles that militate against us will appear there. When conductors are not able to do their work at home, and devote their paper to the interests of the locality where it is published, they had better sell out.

LADY CALLERS.—During the past week several ladies have called at the BEDROCK office. Among others Mrs. J. W. Virtue and Mrs. Judge Miller. It is a pleasure to have the ladies call on us, and we, as well as our handsome "Devils," appreciate the compliment, and are always ready and willing to show them the mysteries of the printing office. We have a pleasant office and are not ashamed to have our lady friends call on us, and will use our utmost endeavors to make their friendly calls pleasant ones, although we have no "mince-pies and hominy" to offer them.

ENTERTAINMENTS.—Several parties who take a lively interest in the success of our Public School, will give, during Court week, several entertainments in aid of the Public School of Baker City. The money derived from this source will be appropriated to defraying the expenses of the School and paying the teacher. This is a truly worthy object, and one that all are interested in, and should be liberally patronized.

HOOKS & LADDERS.—The board of Trustees of Baker City, on last Monday evening awarded the contract for building the Hooks and Ladders, for the Baker City Hook and Ladder Company, to Samuel Lew. They also allowed sundry bills, and authorized the Street Commissioner to open the alley in block No. 15. They also authorized the Street Commissioner to see what could be done in relation to filling up and grading Front Street.

LADIES GUILD.—The Ladies Guild of this city will give two or three Reception Parties during the first week of Court, at Cleaver's Hall. The entertainment will consist of various amusements as may be acceptable to the company assembled. Refreshments will be on hand, and there will be good music to enliven the occasions.

The editor of the BEDROCK DEMOCRAT has been quiet unwell for several days past, which accounts for the lack of the usual amount and variety of editorial and other reading matter this week. He is at present feeling better. A very bad cold has been the matter.

The Spring Term at Baker City Academy will close April 23d. The Summer Term will commence April 26th and continue until July 2nd, under the charge of the present instructors, Prof. and Mrs. S. P. Barrett.

LEFT.—Frank Baker, a typo who has been working in the Baker City Herald office for some weeks past, left for Silver City on last Monday morning.

CALLED.—John J. Dooley, of the Toll Gate, called on us last Monday, looking well. He informs us that the road across the mountains, between this city and El Dorado, is in good condition, and that the snow will all be off in a few days.

ON A VISIT.—Miss Anna Richardson, of Rye Valley, is visiting among her numerous friends in our city.

Geo. W. WINDOM, the late efficient Watchman of our city, has gone to Connor Creek.

E. F. CABELL, of the great Quartz Mine at Goldville on Olive Creek, was in our city two or three days the past week.

DIED.—At La Grande, Union County, on the 31st of March, 1875, Mr. Wm. A. Carter, aged 58 years. Mr. Carter had been ailing for several months. He was a man well thought of in the community, having the respect and confidence of all who knew him. The whole community sympathize with his daughters and other relations who mourn his loss.

Union Items.

Union proposes to run two Sunday Schools this summer. The Methodist S. S. organized on last Sunday. F. Shoemaker was elected Superintendent, W. T. Wright Assistant, Geo. Heintger Secretary, and S. Miller Librarian.

The winter exhausted our supply of hay, and a great number of stock are now dying. Hides are worth two or three dollars each, and our country lads are following the feeble class of cattle around with a butcher-knife and whet-stone. Right! Make them pay for their wintering.

Elk still continue to disturb the peace of our country town. It was only last Friday our townfolk surrounded one in Creighton's Grove, and deprived it of the pleasures of this life. Hon. S. Hannah started to enjoy the sport, but the whizzing of bullets sounded so peculiar around him that he weakened, and sought refuge behind the counter, thinking they were after him instead of the elk.

It seems to me that our young lawyer is getting hold of a "case" that may prove harder to handle than McWilliams' liquor license "suit." At any rate I am Achin' (Eakin) to get hold of him. Beware!

Farmers—not Grangers—are very busy at their Spring trade—plowing.

Grass is getting quite good on the hills, which is very encouraging to stock men. John Eppinger left here last Friday with some twenty head of beef cattle, for Silver City. They were fed by Schoonover & Creighton, and are in fine condition.

BONUS.

FRUIT AND SHADE TREES.—Now is the time when all of our people who have lots should set out fruit and shade trees upon them. Every lot is improved in value by the addition of a few trees planted on it. Trees will grow and adorn and beautify our homes and make them more profitable to us; for the fruit trees will in a few years begin to bear and ever after be a source of profit and gratification. Trees can be procured at small cost and with a little care and attention, they will, in a year's time, add ten times their value to the price of our homes if we desire to sell. Every man who has a lot should set out shade trees in front; for it will greatly add to the lot, besides it will do just so much to make our city inviting to strangers and to those casting about for a location. I urge upon my fellow citizens the necessity for immediate action. Trees can be procured from the nursery at the Cove at a very reasonable price and it seems to be the duty of every one to do all he can in this direction. We all admire those places which are surrounded with shade trees and well stocked with fruit trees. Almost every fence in the city might be made, in a year's time, as pleasant as any of these. Follow citizens do not neglect it.
