

Bedrock Democrat.

Baker City, May 5, 1875.

The BEDROCK DEMOCRAT has more bona fide, paying subscribers in Baker County, than has any other two papers published in the State. We put no man's name on our subscription list unless we have orders so to do.

Business.—We expect to be absent considerable of the time this Spring and Summer, but our son Harry will at all times be found at the BEDROCK DEMOCRAT office to attend to business in connection with the paper.

DR. T. N. SNOW is authorized to act as Agent for the BEDROCK DEMOCRAT at South Mountain, Idaho.

L. REMILLARD and R. S. CATES are authorized to act as Agents for the DEMOCRAT in Union County.

SPECIAL ELECTION.—By the death of Hon. Geo. La Dow, it becomes necessary that a special election for a member of Congress be held in our State this summer. We hope the Governor in his call will give ample time to our citizens to look over the field and select a good and true man for the position, and that the time appointed for the holding of the election may be the most convenient for all parties to attend the polls. The people of Eastern Oregon claim the right of choosing the candidate from the fact that it was conceded in the nomination and election of the Congressman. We believe that our people would hail the nomination and election of Hon. J. W. Nesmith, to the position of Congressman, as a great good to the whole State and especially to this portion of it. If he will permit his name to be used he will, we believe, receive the united support of all parties in Eastern Oregon. It should so be that he cannot be prevailed upon to receive the nomination for the position, then we announce the name of J. M. Shepherd, editor of the BEDROCK DEMOCRAT as a candidate for Congress, subject to the decision of the Democratic Convention.

JURY LIST.—The following is the list of Grand and Trial Jurors drawn to serve at the next term of our Circuit Court, which convenes next Monday week:

E. H. Richardson, N. Speelman, Frank Caberty, Joseph Eustace, C. L. Means, T. J. Denna, James Carlyle, N. H. Gray, E. T. Armstrong, C. G. Chandler, C. J. Durbin, Sam McDowell, Fred Cole, Charles Becker, Dan Smith, John James, A. M. Newman, H. Z. Perkins, J. L. Cole, Wm. Nichols, G. W. B. Parks, A. Trunk, L. W. Mitchell, R. S. Johnson, Henry Adams, V. Pfeifferberger, Sam Hutton, S. Grier, D. J. Berry, J. P. James Garren and Wm. Blain.

BACK HOME.—Samuel M. Frank, who has been out a visit to his friends in Europe for the past eight months, returned home on the stage from the East, on last Monday evening. He took his friends by surprise. He is glad to be back in Baker, and his numerous friends were well pleased to greet him. He looks as though his trip agreed with him. While he was in New York he bought a large stock of goods for this market.

ON A VISIT.—Louis Kastner, one of the proprietors of the Baker City Brewery, left a few days since for his old home in Germany, to be absent some six months. Louis is a good and enterprising citizen, and we wish him a pleasant visit and a safe return with his "frau," or partner for life, which we hear it intimated he has gone after. The woman who has the good fortune to catch our friend will be lucky, we think.

ELDORADO DITCH.—From a private letter from Eldorado, we are informed that the water will be turned into the big ditch about the eighth of May. This is one month earlier than usual. The hydraulics are ready to run, and the miners are sanguine of a good run this season. The ditch will be able to furnish a large amount of water. Packwood and Carter deserve great credit for the energy they have displayed in the working of this ditch, and in keeping it in good repair. They understand their business, and the miners are perfectly satisfied with them as Superintendents.

NEW MILLINERY ESTABLISHMENT.—We are informed that Mrs. Ferguson and Mrs. Foster will soon open a Fine Dress Goods Millinery Store in our city. They buy their goods for cash and will be enabled to sell at prices below all competition. They are ladies who thoroughly understand the wants of our lady citizens and intend to supply their wants. In connection with their store they will have a manufacturing establishment which will be under the care of Mrs. Shockey, a competent work-woman. Notice will be given in our paper of the arrival of their goods. It will be well for ladies to not purchase their spring and summer goods until this house opens.

NEW GOODS.—J. W. Wisdom by pack train on last Saturday, received a large invoice of new and seasonable goods, consisting in part of Sugar, Coffee, Tea, and a large variety of other groceries, and a general assortment of drugs and medicines. They also received some fine cigars and tobacco.

CLARK UP.—Hoover & Co. of Connor Creek, after twelve days run with a five stamp mill cleaned up nine hundred and twenty five dollars, and thirty four cents—320 1/4 fine. There ledge is six foot wide, and quartz looking splendid.

FIRE.—Yesterday evening, between four and five o'clock, the Tailor Shop, adjoining Grier and Kellogg's Livery Stable, was discovered to be on fire—the flames issuing through the roof around the stove pipe. A few buckets of water judiciously applied soon subdued the flames. The damage done was trifling.

SISTERS' SCHOOL.—Four Sisters arrived from Portland last Wednesday, and will open their school next Monday in the house opposite their dwelling on Valley Avenue, until the new building is ready for occupancy.

CALLER.—Geo. W. Phillips, of Salubria, called on us last Monday. He reports things flourishing in that section.

The Northwestern Stage Company have resumed travel on the Mescham Road.

Marks and Brands.
Patrons of the DEMOCRAT, who are not in arrears can have marks and brands published free of charge in our paper. Parties who are not subscribers, or who are in arrears for subscription or advertising will be charged \$2 50 for publishing their marks and brands of their stock.

BRADFORD HUNSAKER'S Mark and Brand.—Crop off of right and under-bit in left ear—brand, figure 12 on left hip.

LEFT.—I. B. Bowen, who has been employed in this office for several months past, left last Friday. Mounce Bull, of La Grande, takes his "case."

PASSED THROUGH.—W. B. Lasswell, District Attorney for this District, passed through this city last week on his way to Union to attend Court, which convened there last Monday.

NEW GOODS.—Hardesty & Levens received a new assortment of goods last week. Give them a call.

OLD MR. PAGE told brother Dunham he lied; brother Dunham sent word to brother Page if he did not take that statement back, he would bring him before the Church. Brother Page came to terms on this wise:—"Brother Dunham perhaps I did wrong to say you lied. I will take it back; but I declare I believe you did lie!" which was satisfactory.

"We measured the riotous baby against the cottage wall" is the beginning of a poem in a Milwaukee paper. This is certainly an improvement on the old plan of sitting down on the refractory squaller.

One of the girls at Vassar keeps up her studies, keeps track of eight love stories in weekly papers, writes twice a week to five young men, sews for a charitable society and finds time to ride and skate and practice for a concert.

TO THE UNFORTUNATE!

NEW REMEDIES! NEW REMEDIES!

DR. GIBBON'S DISPENSARY.

623, Kearney St.,
Corner Commercial street,
San Francisco.

Established in 1854, for the treatment of sexual and seminal diseases, such as Gonorrhea, Gleet, Stricture, Syphilis in all its forms, seminal weakness, impotency, etc. Skin diseases, of years standing, and ulcerated legs successfully treated.

DR. GIBBON has the pleasure of announcing that he has returned from visiting the principal Hospitals in Europe, and has resumed practice at the Dispensary, 623 Kearney street, corner of Commercial, where his old patients and those requiring his services may find him.

The Doctor has spared neither time nor money in seeking out new remedies, and has returned with increased facilities for the alleviation of human suffering.

HORRIBLE DISEASES!

How many thousands of persons, both male and female, are there who are suffering out a miserable existence from the effects of secret indulgence, or from virus absorbed into the system. Look at their pallid, emaciated and disfigured faces and their broken down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladies—see that they are cared for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his special study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important to those afflicted, or those interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be therefore careful and make strict inquiry or you may fall into the hands of those charlatans.

SEMINAL WEAKNESS.

Seminal emission—the consequence of self abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combated by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pains in the head, ringing in the ears, noise like rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence in approving strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, pimples and various eruptions about the face, hectic flushes, furrowed tongue, fetid breath, night sweats, monomania and frequently insanity. If relief be not obtained, should apply immediately either in person or by letter, and have a cure effected by his new and scientific mode of treating the disease, which never fails in effecting a quick and radical cure.

CURED AT HOME.

Persons at a distance may be CURED AT HOME by addressing a letter to Dr. Gibbon stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use.

Persons writing to the Doctor will please state the name of the paper they see this advertisement in.

By enclosing Ten Dollars coin, in registered letter through the Postoffice, or through Wells, Fargo & Co., a package of medicine will be forwarded to any part of the Union.

All communications strictly confidential. Address DR. J. F. GIBBON, 623 Kearny street, San Francisco. Postoffice Box 1,957. n11y1
