

Bedrock Democrat.

Baker City, May 26, 1875.

THE BEDROCK DEMOCRAT has more bona fide, paying subscribers in Baker County, than has any other two papers published in the State. We put no man's name on our subscription list unless we have orders so to do.

AMATEURS.—Our citizens have had the pleasure of witnessing two performances by several of our people who were public spirited enough to form an Amateur Company and devote time enough to study to perfect themselves as to put upon the boards, in a very creditable manner, "The Charcoal Burner" and "Ten Nights in a Bar-Room." The first performance, on Wednesday evening was to a crowded house, and we take pleasure in saying that the acting done credit to all the parties engaged in the piece. The second performance was on last Friday evening, at which time "Ten Nights in a Bar-Room" was presented to a full house. In this piece, as in "The Charcoal Burner," the parties done themselves credit. It would give us pleasure to notice incidentally the actors in both pieces, but we have not the time to do so in a proper manner, but we cannot refrain from saying that Miss Pauline Eppinger seemed to appreciate the character of "Little Mary" and acted the part to life. As "Switchel," Weber was good, and Mrs. Fletcher as "Mrs. Morgan" was also good. Miss Tot. Cleaver and Miss Rhoda Levens did well in their characters. The large audience were well pleased with the whole performance, and signified the same by their applause and strict attention. The amateurs will give their third entertainment on next Friday evening, on which occasion the play of "Beauty and the Beast" will be presented. The proceeds of these entertainments go to benefit our Public School, which, at present, is in need of funds to keep it in operation. On behalf of the Amateur Company, and for the children of our District, we return thanks to our citizens for their liberal attendance at the two former entertainments, and hope to see a crowded house to witness the third and last performance on next Friday evening.

PURPORT.—The hearing of Frank Fullford's case in our Circuit Court was postponed until the fall term.

MOVED.—Clay Ireland started yesterday morning with his wife and household goods for Connor Creek, where he will make his future residence. We wish him and his success.

LOOK AT GAINES & BOWMAN'S advertisement in relation to their accounts.

POSTPONED.—Owing to the many calls that are being made on the liberality of the people, the festival announced for next Friday evening will be postponed indefinitely. P. DE ROO, Mrs. R. C.

NEW STORE.—Sam Baer has returned from Portland, where he purchased a large stock of goods which will soon arrive in our city. We understand he will open in the building on the corner of Front Street and Valley Avenue, next door to Gardner's Jewelry Store.

LEFT.—Mrs. Harvey Robbins left our city a few days for Granite Creek to spend a portion of the summer. Mr. Robbins has rich mining claims there which he is successfully working. He has been at his mines for some time past.

IN TOWN.—Mr. Sam McDowell and wife, of the Stone House, on Willow Creek, were on a visit to our city last week.

SENTENCED.—Scott, who shot Mr. Blane at Rye Valley some time last fall, plead guilty to the charge at the present term of our Circuit Court, and was sentenced to the Penitentiary for two years.

NEW AGENT.—Mr. Bushee, of Umatilla, has been appointed as Agent for Wells, Fargo & Co., in our city, in place of Mr. R. H. Cardwell, resigned. Our citizens do not like the idea of Cardwell leaving us, but, as such is to be the case, they are pleased that so accommodating a gentleman as Mr. Bushee takes his place. Mr. Bushee intends to move his family to our city as soon as he can make proper arrangements.

AUCTION.—Persons having goods or anything else they wish to have sold at Auction will do well to call on Levens & Small. They have a commodious room to store and sell goods in, and will attend promptly to all business left in their hands.

DR. STEPHENSON.—This gentleman, who is a good Dentist, is doing considerable work for our citizens, and is giving good satisfaction. His prices are very reasonable, and those wanting work in his line will do well to call on him soon at his room in the Photograph Gallery building opposite the Bank soon as the Dr. may not stay with us very long. If any of his work done heretofore does not stand he will do the same over, free of charge.

PICTURES.—Mr. Randy, of the Photograph Gallery, is turning out the very best quality of pictures. All those who wish good pictures of themselves should give him a call. We understand he does not intend to remain in our city but a short time. His Gallery is in the building on the opposite corner from the Bank.

LOOKS WELL.—Mr. Leonard Lowe, who has a fine ranch on the waters of Burnt River, informs us that his fruit trees are full of blossoms and the prospect for a good crop of fruit in his orchard is good. Other parties from the same section, and on Burnt River report favorable as to fruit crop there. The orchards in our county are young, but will bear considerable fruit this year. Those who have orchards are satisfied that fruit trees will do well in our county.

H. N. McKINNEY will soon have a Soda Factory in complete operation at his City Drug Store.

A. I. Bloch returned to our city, from Portland, with his family, two or three days since, and intends to reside with us.

The Centennial Tea Party given by the "Ladies Guild," on the evening of May 18th, was a complete success.

ON A VISIT.—R. C. George and wife, of Connor Creek, are paying a short visit to their numerous friends in our city.

HOSTILE.—There was a little unpleasantness between two parties last Saturday evening, by which one of them heard "something drap," and another young hound tried to kick up a fuss in Chinatown. The two cases paid the city \$13.

CALLER.—Mr. R. S. Cates, County Clerk of Union County, and Jas. Henderson, Register of the State Land Office at Union, called on us yesterday.

BORN.—In Baker City, May 12th, 1875, to the wife of Thos. Lake, a son—a 12-pounder.

Royal A. Pierce, of Main Powder, called on us yesterday. He is in our city for a few days on business.

Bids will be received at the Banking House of J. W. Virtue, until the 15th of June, for the delivery of Telegraph Poles, of Pine Fir, twenty feet long, eight inches in diameter at butt and four inches at the top, to be delivered 100 yards apart, eastward from Baker City by the way of Ellettsburg, for a distance of 100 miles. There is a chance for persons to get a job, and also to donate something towards the building of a telegraph connecting us with the outside world. This enterprise needs assistance, and our people should be liberal in their donations, and in making bids for work or material make the prices as low as possible.

BIG CLEAN UP.—Superintendent Hyde made another clean up at the Virtue Mine last week that is ahead of any ever heretofore made from that mine for the same run. The bullion was assayed at Virtue's Bank on last Saturday, and from a twenty-day run of the mill the proceeds was Eleven Thousand Dollars, the balance 903 fine. This mine is now proving to be one of the very best. It is worked to advantage, and the ore veins in sight look well.

PLANS & CO.—Plans, specifications and conditions of a brick hotel to be built in Baker City are for inspection at the "Hotel de France. Bids will be received for the mason's and joiner's contract until the 15th of June. The undersigned reserves the right of rejecting any or all of the bids. Bonds will be required to secure the execution of the contracts. Signed, J. S. MANAUDAS.

PREACHING.—Divine Service at the M. E. Church on Sunday, May 30th, at 10 A. M., by Rev. S. P. Barrett of the Baptist Church, and by the Pastor, Rev. E. P. Waltz, in the evening at half-past 7.

We received a part of our new Nonpareil type last week, but when we laid the letter in case we found that Painter & Co., the type foundry at San Francisco, had left out the lower case b, and had sent us nothing for our upper case but large CAPS. A mistake of this kind is very annoying and would make any but a christian printer like oneself swear like blazes. When we receive all our new type we intend to make the Democrat the neatest paper in Oregon.

SHIPLEY, who was arrested last fall for horse stealing, plead guilty at this term of our court, and was sentenced to 18 months in the Penitentiary. A jury is being empaneled in the case of the State against Cal Johnson, for horse stealing, as we go to press.

CALLER.—Hon. Dunham Wright, of Union county, called on us yesterday. We were glad to meet him and find him well and hearty.

Brightly Breaks the Morning of a new era in the annals of medicine. Alcohol will soon be banished from the list of remedies, and only known as a poison. Dr. J. WALKER'S CALIFORNIA VINEGAR BITTERS, composed entirely of wholesome botanical extracts and juices, are everywhere superseding the fiery stimulants, which no man or woman ever yet took without bitterly repenting their credulity. There is no disease, acute or chronic, in which the tonic may not be administered with beneficial effect.

The "bonanza" for all.—Invalids, by nervous debility, desirous of again feeling the vigor of health and vim of system, should take a few bottles of Dr. Henley's Celebrated I. X. L. Bitters. Before one bottle is taken they will feel the dawn of restoration of returning health. No case of dyspepsia, indigestion, loss of appetite, Rheumatism, kidney or liver disease has ever resisted its restorative power. Every weak system requires and should receive sustenance and support from the stomach regulated by the liver. If the stomach cannot supply the aliment required, the whole system languishes. Fortify your organs of life with these bitters and in a few days you will feel your whole system invigorated; for every disease arising from disordered liver, stomach or bowels, it is invaluable; it will revive your shattered system. Dyspepsia and persons of bilious habit should keep it within reach, if they value health and ease. n50m3.

TO THE UNFORTUNATE!

NEW REMEDIES! NEW REMEDIES!

DR. GIBBON'S

DISPENSARY,

623, Kearney St.,

San Francisco.

Established in 1854, for the treatment of sexual and seminal diseases, such as Gonorrhea, Gleet, Stricture, Syphilis in all its forms, seminal weakness, impotency, etc. Skin diseases, of years standing, and ulcerated legs successfully treated.

DR. GIBBON has the pleasure of announcing that he has returned from visiting the principal Hospitals in Europe, and has resumed practice at the Dispensary, 623 Kearney street, corner of Commercial, where his old patients and those requiring his services may find him.

The Doctor has spared neither time nor money in seeking out new remedies, and has returned with increased facilities for the alleviation of human suffering.

HORRIBLE DISEASES!

How many thousands of persons, both male and female, are there who are suffering out a miserable existence from the effects of secret indulgence, or from virus absorbed into the system. Look at their pallid, emaciated and disfigured faces and their broken down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladies—see that they are cured and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his special study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important to those afflicted, or those interested in the welfare of their friends, to be careful of the many pretended cures who insist on cures, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be therefore careful and make strict inquiry or you may fall into the hands of those charlatans.

SEMINAL WEAKNESS.

Seminal emission—the consequence of self abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combated by scientific medical measures, viz: Salivary contumency, dark spots under the eyes, pains in the head, ringing in the ears, noise like rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence in approaching strangers, a dislike to form new acquaintances, a disposition to slumber, loss of memory, pimples and various eruptions about the face, hectic flushes, furred tongue, fetid breath, night sweats, monomania and frequently insanity. If relief not obtained, should apply immediately either in person or by letter, and have a cure effected by his new and scientific mode of treating this disease, which never fails in effecting a quick and radical cure.

CURED AT HOME.

Persons at a distance may be CURED AT HOME by addressing a letter to Dr. Gibbon containing case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use.

Persons writing to the Doctor will please state the name of the paper they see this advertisement in.
