WENT HOME.—Mrs. Thos. Lake, of Connor Creek, who has been spending the winter in this city, started for home last week, accompanied by her sister, Miss Rhoda Levens.

MR. H. B. FRANKS, of Rye Valley, has been spending several days in our city.—He left for home a day or two since. He speaks well of the prospects of Rye Valley.

The "obanzanza" for all.—Invalids, by nervous debility, desirous of again feeling the vigor of health and vim of system, should take a few bottles of Dr. Henley's Celebrated I. X. L. Nitters, before one bottle is taken they will feel the dawn of restoration of returning health. No case of dyspepsia, indigestion, loss of appetite, Rheumatism, kidney or liver disease has ever resisted its restorative power. Every part of the human system requires and should receive sustenance and support from the stomach regulated by the liver. If the stomach cannot supply the amount required, the whole system languishes. Fortify your organs of life with these bitters and in a few days you will feel your whole system invigorated; for every disease arising from disordered liver, stomach or bowels, it is invaluable; it will revive your shattered system. Dyspepsia and persons of bilious habit should keep it within reach, if they value health and ease. n50mf
