☞ The BEDROCK DEMOCRAT has more BONA FIDE, paying subscribers in Baker County, than has any other two papers published in the State. We put no man's name on our subscription list unless we have orders so to do. ☜

BLANK DEEDS, Mortgages and other Blanks for sale at this Office.

A GOOD ARTIST.—It gives us pleasure at all times to make note of a good workman in any branch of business, and in this connection we will here speak of H. C. Tandy, the Photograpner, who has been in our city for the past two months, working at his profession. It is a well conceded fact that he is the best artist in his line that has ever worked in our city, and our citizens were in hopes that he would permanently locate here. He is a young man who will command respect and gain friends wherever he goes. He left our city for Silver City on the stage last night, and we bespeak for him at Silver a kind reception. We understand that he may, at no distant future time, return to our city, and may conclude to take up his permanent residence with us. We hope he will.

To Odd Fellows.—The following resolutions were adopted by Baker City Lodge No. 25, I. O. O. F., on the 26th instant:

RESOLVED, That all Lodges and Encampments of Independent Order of Odd Fellows, in Grant, Union and Baker Counties, and all transient Odd Fellows, are hereby cordially invited to unite with Baker City Lodge No. 25, in procession, wearing the regalia and jewels of the Order, and join in the Celebration which will be held in Baker City on Saturday, the third day of July, in commemoration of the 99th Anniversary of American Independence.

RESOLVED, That these resolutions be published in the BEDROCK DEMOCRAT and the Baker City Herald.

SCHOOL EXHIBITION.—The teacher, S. H. Small, of the Public School of District No. 5, and his scholars, will give an entertainment at Nelson's Hall, in the Bank Block, on to-morrow evening. The exercises will consist of Declamations, Recitations, Dialogues, &c., by the various pupils of the school. It is anticipated that there will be a pleasant time, and that all who attend will be well repaid for the small pittance charged for admittance. The proceeds of this entertainment is for the benefit of the Public School, and all of our citizens should lend a helping hand to the cause of education, and thereby encourage the teacher and his scholars in good and noble efforts.

COMING.---We have received a letter from Irland & Estes, in which they state that they will be in Baker City about the 6th of July with a large lot of the famous Singer Sewing Machines, which they will sell to our people at low prices, and on terms that will place them in the reach of all wishing to buy. The Singer is one of the best Sewing Machines in use, and parties cannot do better than patronize the boys. Look at their ad. in another column and you will see what can be done with the Singer Machine.

WELL PLEASED.—Mr. Rodgers and his company of Immigrants, who arrived in our city from Missouri some three or four weeks since, are well pleased with Baker City and Powder River Valley, and will not, at present, look any further for future homes. They are satisfied that the BEDROCK DEMOCRAT has not, in any point, overrated the soil, climate, mines, or other qualities or facilities of this portion of Oregon.

CALLED.---Hon. J. K. Kelly, United States Senator, spent a day in our city last week. The Col. is enjoying good health. He called on us, and gave us all the news he could in relation to the railroad, which was about the same as we have already published. From what we can learn it rests with the people of Portland and the western end of the road to say whether it shall be built or not.

ABOUT.—On last Saturday morning we had the pleasure of meeting Capt. Joe Myrick, of Connor Creek, whom we noticed some three weeks since as being very sick, on our streets. He has, in a great measure, regained his former good health, and is again able to attend to business. He returned to Connor Creek on last Sunday.

LEFT.—C. T. Curtis, a typo who was for some time one of the publishers of the Herald in our city, has severed his connection with that paper, and left on last Monday morning for Boise City, where he expects to take a "sit" on the Boise Statesman. He is a good printer, and we wish him "fat takes" and plenty of them.

GOOD PROSPECTS.—We were out in Powder River Valley some six miles on last Saturday. The crops, grass, and everything else that springs from the ground looks well, and our farmers are happy from the fact that they expect good crops. The grasshoppers and crickets have so far given them no trouble.

STIRRING UP.—The great revivalist, Rev. Dr. Hammond, is stirring up the lethargic and caloused souls of the old Portland sinners. We hope he will do good work there. It is generally believed in Eastern Oregon that he has a good field for his labors.

RAILROAD.—A correspondent, writing from Portland to the Mountain Sentinel, says "the Portland Dalles and Salt Lake Railroad is now a fixed fact. The capital is contracted for and the work will be commenced immediately."

NEW DAILY.—We have received several numbers of a neat little daily paper called the Albany Daily Register, published at Albany, Linn County, Oregon, by Coll Van Cleve It is a sprightly little daily, and, barring its politics, we wish it success.

IN TOWN.—Col. H. C. Paige, General Agent for Wells, Fargo & Co., was in our city on last Sunday and Monday, looking in good health.

STILL HERE.—Dr. Stephenson is still in our city. All those having bad teeth will do well to give him a call, as he will leave soon after the 4th of July.

WARM.—On last Sunday the mercury, in the shade, in our city, at 2 o'clock, P. M., touched 89 degrees above zero.

4TH OF JULY.—Look in another column for Programme for the Celebration of the coming 4th at Baker City.

BIG STOCK.---Pap Levens has a large stock of fine liquors, tobacco, cigars and other articles needed by Bar and Saloon Keepers. He also keeps on hand a large quantity of flour of different brands, bacon, hams, lard, &c., all of which he sells at wholesale or retail at low prices. He also has a large quantity of nice Porter and Ale. When Pap is absent Mr. John Brattain will wait on customers.

HORSES DYING.—The Boise Statesman of June 26th says, "Geo. Ault, driver on the Overland stage, reported last night a fatal malady among the horses at Black's station, 16 miles east of here, over which there is considerable excitement among horsemen. The horses die suddenly as if they were poisoned."

ORANGES.--Phil. Hardisty & John Levens are receiving Oranges, Lemons, &c., at their Variety Store. They also keep Ice Cream, Strawberries, &c., to dish up to their customers. They are doing all within their power to accommodate the public.

GAME.—Young Sage Hens, Grouse, Prairie Chickens, and other wild fowl are plenty in our valley and on the mountains, and are about large enough to make nice broils and fries. Our "Ramrods" will soon be after bagging a few. We concur!

I. O. O. F.---On last Saturday evening the following gentlemen were elected as the officers of Baker City Lodge, No. 25, I. O. O. F: N. G., Jas. H. Shinn; V. G., Dr. J. P. Atwood; R. S., H. N. McKinney; T., J. P. Ross.

FRUIT.—Mr. H. W. Estes, one of our most enterprising farmers, informs us that fruit trees look well, and that he will raise quite a quantity of apples in his young orchard. He is satisfied fruit trees will do well here. Small fruit is very heavy on the bushes.

NEW THRASHER.—J. W. Dwinnell returned from Portland on last Saturday, where he went to buy a new thrasher. He succeeded, and brought up a new Champion, and he says it is the finest machine ever brought to Baker County——and Jim will not lie.

ALE & PORTER.---F. A. Bohna has a fine article of English Ale on draught and Porter in bottles, which he is serving to his customers. We thank him for remembering the Printer.

ICE CREAM.--O. H. Clements has opened an Ice Cream, Fruit, Candy and Nut Store in the building occupied by J. B. Gardner as a Jewelry Store.

KILLED.---A man by the name of Shepherd was killed on Rock Creek last week, by a bank caving on him while mining. He was buried in this city last Wednesday.

NEW AWNING.---Fletcher & Ross have built a new twelve foot sidewalk and a substantial awning in front of their saloon opposite Virtue's Bank.

NEW HATS.---Mrs. Ferguson & Foster, at the Ladies' Bazaar, have just received a large lot of New Hats of the latest styles, and will receive lots more pretty things before the 4th.

IRONSTONE MINE.---The owners of the Ironstone Mine, near this city, now have 23 ton of their rock at the Virtue Mill, which will be crushed next week. It is thought this rock will pay well.

IT is expected there will be a large turnout at the 4th of July celebration in our city next Saturday. Come everybody.

Married.—June 20th, 1875, two miles above Rinehart's, on the Malheur, Mr. J. T. Moore to Miss Celeste Porter.

We wish our young friend Moore and his fair bride a prosperous and pleasant journey through life. We received the cards of the happy couple.

Married.—At the Catholic Church, in this city, by Father De Roo, June 23d, 1875, Mr. Joseph Manaudas to Miss M. A. McCoy. No cards.

PICTURES,---Persons having had pictures taken by H. C. Tandy can get the same by calling at this office.

JAMES GORDON.---On this ledge work is steadily going on. The vein looks well, and the owners have great hopes as to the richness of their mine.

GO TO Hardisty & Levens' and get some cool Ice Cream.

FROST BIT.—There is not a very good yield of strawberries in our valley this season. Jack Frost nipped them in the bloom.

4TH OF JULY DANCE.—Remember the dance at Cleaver's Hall next Monday night. A General Invitation to all is extended. Tickets, $2 50.

FINE CATTLE.---Remember the Public Sale of Thoroughbred Cattle, at Kellogg & Grier's Stable.

RECOVERED.---Mrs. C. M. Foster, who has been quite sick for the past ten days or two weeks, is around again,

RETURNED.—Mr. M. Hyde, Superintendent of the Virtue Mine, returned from San Francisco last Thursday evening, looking hale and hearty.

"Sir," said a little blustering man to a religions opponent, "to what sect do you suppose I belong?" "Well, I don't exactly know," replied his opponent, "but to judge from your size, appearance and constant buzzing, I should think you belonged to the class generally called insect."

At a meeting of Confederate soldiers the other day in Atlanta, so many were dubbed with titles that the following appropriate resolution was introduced: "Resolved, That the president appoint a committee of one to inquire whether there were any surviving privates of the late war."

"Please, sir," said a boy, with two bottles, to a grocer, "mother wants a cent's worth of your best yeast," "Well, which bottle will you have it in?" "Please, sir, she wants it in both; and won't you put corks in 'em, and send 'em home, as I'm going t'other way; and mother says she hain't got no cent, but you must charge it."

The "bonanza" for all.---Invalids, by nervous debility, desirous of again feeling the vigor of health and vim of system, should take a few bottles of Dr. Henley's Celebrated I. X. L. BITTERS. Before one bottle is taken they will feel the dawn of restoration of returning health. No case of dyspepsia, indigestion, loss of appetite, Rheumatism, kidney or liver disease has ever resisted its restorative power. Every part of the human system requires and should receive sustenance and support from the stomach regulated by the liver. If the stomach cannot supply the aliment required, the whole system languishes. Fortify your organs of life with these bitters and in a few days you will feel your whole system invigorated; for every desease arising from disordered liver, stomach or bowels, it is invaluable; it will revive your shattered system. Dyspeptics and persons of bilious habit should keep it within reach. if they value health and ease.

TO THE UNFORTUNATE!

NEW REMEDIES! NEW REMEDIES!

DR. GIBBON'S

DISPENSARY,

623, Kearney St.,

Corner Commercial street,

San Francisco.

Established in 1854, for the treatment of sexual and seminal diseases, such as Gonorrhea, Gleet, Stricture, Syphilis in all its forms, seminal weakness, impotency, etc. Skin diseases, of years standing, and ulcerated legs successfully treated.

DR. GIBBON has the pleasure of announcing that he has returned from visiting the principal Hospitals in Europe, and has resumed practice at the Dispensary, 623 Kearney street, corner of Commercial, where his old patients and those requiring his services may find him.

The Doctor has spared neither time nor money in seeking out new remedies, and has returned with increased facilities for the alleviation of human suffering.

HORRIBLE DISEASES!

How many thousands of persons, both male and female, are there who are suffering out a miserable existence from the effects of secret indulgence, or from virus absorbed into the system. Look at their pallid, emaciated and disfigured faces and their broken down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of those horrible, life-destroying maladies—see that they are cared for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his especial study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important to those afflicted, or those interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be therefore careful and make strict inquiry or you may fall into the hands of those charlatans.

SEMINAL WEAKNESS.

Seminal emission—the consequence of self abuse. This solitary vice, or depraved sexual indulgence, is praticed by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pains in the head, ringing in the ears, noise like rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss o. memory, pimples and various eruptions about the face, hectic flushes, furred tongue, fœtid breath, night sweats, monomania and frequently insanity. If relief be not obtained, should apply immediately either in person or by letter, and have a cure effected by his new and scientific mode of treating this disease, which never fails in effecting a quick and radical cure.

CURED AT HOME.

Persons at a distance may be CURED AT HOME by addressing a letter to Dr. Gibbon stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use.

Persons writing to the Doctor will please state the name of the paper they see this advertisement in.

By inclosing Ten Dollars coin, in registered letter through the Postoffice, or through Wells, Fargo & Co., a package of medicine will be forwarded to any part of the Union.

All communications strictly confidential. Address DR. J. F. GIBBON, 623 Kearny street, San Francisco. Postoffice Box 1,957. n11yr1
