TO THE UNFORTUNATE!

NEW REMEDIES! NEW REMEDIES!

DR. GIBBON'S DISPENSARY, 623, Kearney St., Corner Commercial Street, San Francisco.

Established in 1854, for the treatment of sexual and seminal diseases, such as Gonorrhoea, Gleet, Stricture, Syphilis in all its forms, seminal weakness, Impotency, etc.

Skin diseases, of years standing, and ulcerated legs successfully treated.

DR. GIBBON has the pleasure of announcing that he has returned from visiting the principal Hospitals in Europe, and has resumed practice at the Dispensary, 623 Kearney street, corner of Commercial, where his old patients and those requiring his services may find him.

The Doctor has spared neither time nor money in seeking out new remedies, and has returned with increased facilities for the alleviation of human suffering.

HORRIBLE DISEASES!

How many thousands of persons, both male and female, are there who are suffering out a miserable existence from the effects of secret indulgence, or from virus absorbed into the system.

Look at their pallid, emaciated and disfigured faces and their broken down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life.

In this horrid situation thousands suffer until death closes the scene.

Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladies—see that they are cared for and cured before it is too late.

Send them immediately to Dr. Gibbon, a physician who has made private diseases his special study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs.

It is important to those afflicted, or those interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places.

Be therefore careful and make strict inquiry or you may fall into the hands of those charlatans.

SEMINAL WEAKNESS.

Seminal emission—the consequence of self abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with unerring certainty the following train of morbid symptoms, unless combated by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pains in the head, ringing in the ears, noise like rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, pimples and various eruptions about the face, hectic flushes, furred tongue, foetid breath, night sweats, monomania and frequently insanity.

If relief be not obtained, should apply immediately either in person or by letter, and have a cure effected by his new and scientific mode of treating this disease, which never fails in effecting a quick and radical cure.

CURED AT HOME.

Persons at a distance may be CURED AT HOME by addressing a letter to Dr. Gibbon stating case, symptoms, length of time, if disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use.

Persons writing to the Doctor will please state the name of the paper they see this advertisement in.

By enclosing Ten Dollars coin, in registered letter through the Postoffice, through Wells, Fargo & Co., a package of medicine will be forwarded to any part of the Union.

All communications strictly confidential. Address DR. J. F. GIBBON, 623 Kearney street, San Francisco. Postoffice Box 1, 057.
