Trial of John D. Lee, for Participation in the Mountain Meadow Massacre.

A special dispatch from Beaver, Utah, dated July 12th, says the trial of John D. Lee, for his connection with the Mountain Meadow Massacre, of 1857, in Southern Utah, at which time 140 emigrants, men, women, and children from Arkansas and Missouri, were murdered, will probably come up on the 15th inst. There are a great many witnesses in town, 20 of whom addressed a communication to Marshal Maxwell, asking means of subsistence, and on examination in chambers that they might return home to attend to their crops. Gen. Maxwell answered that mileage and fees were all he could pay, and that the district attorney would take his own course in taking testimony. It is believed and hoped that this terrible crime, which has been charged to the Mormon people for the past 18 years, will be disproven, or that the guilty parties will be brought to justice.

Robert Dale Owen, one of the leading spiritualists of the country, has become insane and his friends have been compelled to confine him in an Insane Asylum at New Harmony, Indiana. In his case spiritualism has made a wreck of a noble life and deprived mankind of one of the most earnest and unselfish friends. The Chicago Tribune says of the wreck made by the fraud, known as spiritualism: "When the heartless impostme of the Holmes mediums, the Philadelphia conspirators with Katie King,' was exposed, the shock to Mr. Owen was tremendous. He had accepted the pretended "manifestation" of these rascals with implicit faith. He lived some time Philadelphia in order to miss none of the seances. The repeated apparitions of "Katie" were to him conclusive proof of immortality. He pinned his faith in the life hereafter, in reunion with his father and his wife, on what Spiritualism, and especially upon what this pretended spirit showed him. Readers of his article in the Atlantic Monthly upon "Katie King" will remember the syllogism which the good old man painfully constructed therein, by which he proved, to his own perfect satisfaction, that the visitor was indeed a disembodied but of supernaturalism. The day before the article appeared the fraud was exposed. Mr. Owen wept bitterly, it is said, when a conviction that he had been made the dupe of a trio of knaves forced itself upon him. He telegraphed to Boston to cut out the article, but it was too late. The magazine was already printed. A thin slip of paper disclaiming any editorial responsibility, and thus ruthlessly increasing that of the author, was prfixed to the sketch, And thus it came to pass that Robert Dale Owen's syllogistic proof that "Katie King" was a spirit, and "Katie's" own confession that she was a fraud were published togather troughout the country. The mind once so vigorous, could not stand the blow that shook the faith of half a lifetime.

The Grange.—Master Allen, of Missouri, says in the Rural World "that the Grange is a progressive institution, where every one has something to do, and is expected to do it, or get out of the way." Yes, we add, "or get out of the way" of others who want to work. This is like Brother Caskie, the Campbellite preacher, told his church at Memphis. "I came here to work—now I want every member to do his duty, and if there is any one who can neither pray, sing, work, or pay, he had better get out quick; we don't supply honey for drones."

Attend Regular.—Let every brother and sister attend the regular meetings of the Grange whenever it is possible, prepared to say something of benefit to their brother members. If you have raised a good crop, tell about it. If you have added anything to your store of experiences, reveal it. Hide not your light under a bushel, but let it shine out to the world to help to make it happy. Boodda was once asked what would give man the highest favor with Deity: "To give light to men and eschew selfishness."

The Ladies.—The ladies, God bless them, are now a power in the Grange. Their sweet smiles, sensible words (to say nothing of fine lunches, chicken fixens, cakes, pies, and pickles), are everywhere acknowledged, and their suggestions add much to the mental experiences of the the Grange Order.

Speakers.—Through practice in the the Granges, farmers are getting to be fine speakers, and well posted in all parliamentary usages. Look out town cliques, these Grange orators will soon be your equals in managing conventions. Day is breaking.

A Queer Suit.—A queer suit is reported from Iowa. A laborer hired himself to a farmer on the condition that part of his wages should be paid in money, and that for the balance he should receive one of the farmer's daughters in marriage:—The farmer paid the money, but was not able to comply with the remainder of his contract, as the daughter positively declined to be made the subject of such a bargain and sale. And now the laborer has sued him to compel compliance with his contract.

Near Heaven.—A campmeeting commenced last Thursday immediately upon the summit of the Chehalim mountains in Yamhill county. We suppose those folks are determined to get as near heaven as possible—by land.

A new light has been produced which is said to be far better than that from nitrooxide and the bisulphide of carbon, and free from its dangers. This is accomplished by dropping small pieces of brimstone into fused saltpetre in a glass tube.

Mr. and Mrs. Lamb, of Kentucky who have been married twenty-four years and have had twenty-three children, may without exageration be considered regular "lambiers," and are obeying the Scriptural command.

The anaconda lubricates its victim before swallowing, to make the passage down easier and pleasanter for all concerned. We thought of this when we heard of Senator Morton going about as well as his legs will permit, crying out, "Bristow must be sustained," "Sustain Bristow and save the Republican party." Is the Indiana anaconda lubricating pervious to the swallow?—Capitol.

The Democratic Legislature of New York has reduced the State taxes more than two millions of dollars a year. They have cut down the tax levy from fifteen millions to thirteen millions of dollars. Upon the same ratio this would be equivalent to a saving in the Federal Government of full fifty million dollars a year. It seems to pay the people to elect Democrats to office.—S. F. Examiner.

General Brisbin advises the Philadelphia Black hillers to stay at home for the present. Good advice.

Grateful Thousands proclaim Vinegar Bitters the most wonderful Invigorant that ever sustained the sinking system.

No person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essential. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with the Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, Dr. Walker's Vinegar Bitters have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory or Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take Dr. Walker's Vinegar Bitters.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminitics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Ayer's

Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities or diseases that have lurked in the system for years soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of **Scrofula**, and all scrofulous diseases, **Ulcers, Eruptions**, and eruptive disorders of the skin, **Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm**, and internal **Ulcerations of the Uterus, Stomach, and Liver.** It also cures other complaints, to which it would not seem especially adapted, such as **Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility,** and **Leucorrhœa,** when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Hair Vigor

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will present the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit, but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.
