

Bedrock Democrat.

Baker City, Oct. 29, 1875.

THE BEDROCK DEMOCRAT has more bona fide, paying subscribers in Baker County, than has any other two papers published in the State. We put no man's name on our subscription list unless we have orders so to do.

BLANK DEEDS, Mortgages and other Blanks for sale at this office.

STAGE ROBBED.—On last Thursday evening the Northwest Stage Company's stage, with the U. S. Mail and Wells, Fargo & Co.'s Express on board, was stopped about six miles this side of Umatilla, by two masked men. The robbers took the treasure box of Wells, Fargo & Co., which, from the best information we can obtain, contained about \$7,000 in gold bars and money. There was one bar of the value of \$2,500, and dust to the amount of \$1,750, that was shipped from Baker City, besides letters containing money, drafts, &c. The robbers opened the box by cutting the staple; they carried off everything the box contained. The Stage was on its way from this city to Umatilla. We understand that there were two passengers on the stage—Mr. Boyle, from the Malheur Reservation, who was on the box with the driver, and one of the Catholic Sisters from Baker City, inside the stage. We have not heard that the passengers were molested—only a little frightened.

Wanted.—We want Wood, Grain, Money, Hay, Vegetables, Money, Eggs, Butter and Money, Beef Pork and MONEY, and if those who are in arrears to the BEDROCK DEMOCRAT do not settle their accounts, with some of the above mentioned commodities, between now and the first of December, we will put their accounts in the hands of officer for collection. We have waited on you as long as we can, and now you must pay your honest debt to the printer. We mean just what we say, and if you do not want to pay cost you MUST settle your bill with this office.

FATAL CUTTING.—On last Friday two miners from the Snake River Mines had a difficulty at Spart, Union county, in front of William's store, from words they, George Wilson and Thomas Corvin, came to blows, clinched and fell in front of the store door, and our informant says, Geo. Wilson fatally stabbing Corvin with a sheath knife, from the effects of which he died in a few minutes. He also says that Wilson is in charge of a few men, and would be taken by them before Esquire Tucker, on Saturday, for examination. Corvin was to be buried on Saturday.

Called.—Hon. S. S. Penn, Delegate to Congress from Idaho, arrived in our City on last Sunday night, and not being very well laid over here one day. He is on his way to Washington. His seat is contested by Gov. Bennett of Idaho who, through fraud and corruption, issued the certificate of election to himself, although he and the Board of Canvassers knew at the time they counted the votes, that Penn had a majority of the votes cast. Bennett wanted to go to Washington, and no doubt thought this a good plan to make the people pay his expenses. We hope an honest Congress will do justice, and not allow him one cent for mileage or expenses. Mr. Penn called on us. He left for Boise City on Monday evening.

Frost.—On last Saturday night we had the first frost of the season. Sunday morning the ground was beautifully white and all vegetables and vines left over night presented, after sunrise, a dilapidated and wilted appearance. On Monday morning the ground was again covered with a heavy frost, and ice formed to the thickness of half an inch.

VENISON.—We return our thanks to Mr. W. J. Rogers, of Antelope Springs, for a very nice piece of venison. The fat on rump of this deer was over one inch thick. We also return our thanks to Mr. McLaughlin for the bringing of the above to us. He is now running the Stage from this City to Eldorado, and is very accommodating and makes good time.

Grand Opening—New Goods.—Mrs. Foster, of the Ladies' Bazaar, having returned from Portland, where she purchased a very fine assortment of Hats, Fancy Goods, Trimmings, etc., suitable for the Fall and Winter trade, there will be a grand opening and display of pretty things at the Bazaar to-morrow, Thursday. Mrs. Ferguson & Foster are fine, accommodating ladies, and are determined that their customers shall be satisfied, as they will sell nothing but the very best and of the latest styles. They invite everybody to call on them to-morrow, and on all future occasions, and examine and price their goods. The ladies of Baker City all buy at this house.

TEACHER'S INSTITUTE.—The Teacher's Institute, for Baker county, will convene at the Court House, in Baker City, on next Monday evening. Rev. E. P. Waltz will deliver the opening address; exercises of interest will be kept up throughout the session of three days; Lectures and Essays will be delivered by Messrs. L. B. Lyon, T. C. Hyde and others, in the evenings of the different days. We hope teachers and friends of Education will all come out and make the Institute a complete success.

Called.—On last Friday Rev. Mr. Ogelsby, P. Elder of the M. E. Church, South, for Eastern Oregon District, and Rev. J. W. Compton, who will work on the Grand Round and Powder Valley Circuit this year, called on us. They appear to be well pleased with this section of Oregon, and our people are gratified at their coming to tarry with us, and will try to make their stay among us pass pleasantly.

Snow.—On last Saturday morning the mountains on the west and northeast of our city were capped with Snow—the first that has made its appearance this season. Yesterday morning it was so dark and cloudy that we could not see the tops of the mountains to tell whether there was any more snow fell or not.

Rain.—On last Saturday we had a little sprinkle of rain, and Monday night it rained pretty steadily, which has laid the dust. At the time of going to press it was still cloudy and a fine prospect for more rain.

Baker City Library Association.

The initial meeting of the B. C. L. A. was held at Bedrock Hall on Thursday evening last. Mr. T. C. Hyde was elected President pro tem, and J. W. Gray Secretary pro tem. The Committee appointed to draft a Constitution and Code of bylaws for the government of the Association, will present them for adoption at the next regular meeting, which is to be held on Friday evening October 29th at Bedrock Hall. The following question will be debated upon at that time. Resolved that, the Policy of Inflating the National Currency will tend to Repudiation." Affirmative.—H. C. Durkee, T. C. Hyde, G. W. Jett. Negative.—J. W. Gray, Dr. J. P. Atwood, H. N. McKinney.

Democratic City Convention

The Democrats of Baker City are requested to meet at the Court House on Friday evening next, at 7 o'clock, to nominate candidates for city officers, to be voted for on next Monday. By request of MANY DEMOCRATS.

THE ELECTION.—The election passed off very quietly in our city on last Monday. All the Saloons, according to law, were closed. Our citizens went to the polls and voted and returned to their work. There were 180 votes polled in this precinct, of which L. F. Lane had 102, Warren 76 and Whitney 2. Lane's majority, 26. There was not a full vote polled, and under the circumstances we cannot with any certainty, estimate the majority in this county.

PURSE.—The citizens of Union County have raised a purse of \$1,000, which they offer to hang up to be run for by Oceola, Foster, and any other horses that the owners of, think can honestly get away with it. The race to be run over the track at the Union County Fair Grounds about the 20th of next month. Here is a chance for Target, the Silver City horse to try his speed with some of the Oregon horses.

FIRE AT WALLA WALLA.—On Tuesday night Oct. 19th, a fire in Walla Walla, destroyed the buildings on the block on which the Oriental Hotel was located. The fire is supposed to have been the work of an incendiary.

RECOVERING.—Mrs. J. M. Swift, who was thrown from a buggy a few days since, is able to set up, and it is expected she will soon be around again.

POTATOES.—Mr. John Stewart laid some fine spuds on our table last week. They are fine.

STOVES.—The present cool and damp weather has a tendency to make our good citizens attend to putting up of Stoves.

From the World's Dispensary Printing Office and Bindery, Buffalo, N. Y., we have received "The People's Common Sense Medical Adviser, in plain English; or, Medicine Simplified," by R. V. Pierce, M. D. Counselor-in-chief of the Board of Physicians and Surgeons at the World's Dispensary. Whoever helps humanity in its struggle with its inherent weaknesses and diseases, to bear or cure, is its benefactor. Ignorance is not only a cause of disease and mortality, but it is the enemy of every effort to cure or mitigate. Nothing will so speedily remove this cause as knowledge (an elementary one at least) of the diseases to which we are heir, as well as those superinduced by our own imprudence. Dr. Pierce has rendered, in our judgment, a benefactor's service, both to the afflicted and to the profession, in his diagnosis of the diseases treated of, and in the presentation of the philosophic principles involved in their cause and removal. He is sparing of remedies, and usually prescribes such as are safe in unskilled hands. As a book merely of abstract knowledge, it is exceedingly readable and interesting, especially of the following subjects:—Cerebral Physiology, Human Temperaments, Pseudo-Hygiene, the Nursing of the Sick, Sleep, Food, Ventilation, etc. In one chapter on another subject, so delicate in its nature that it is shut up behind the domain of warning to all but physicians, so accursed in its results in modern society, he is most explicit, and alike true to God, to virtue, to life, and to society, shows the truth as presented in the teachings of scripture,—that life begins with conception,—with great force, to which is added faithful warnings,—from the Philadelphia Presbyterian.

Price of the Medical Adviser \$1.50, sent post-paid. Address the author at Buffalo, N. Y.

When Bigham Young is so sick that he can't hold his head up, thirty-seven women stand around to take their turns feeding him with a spoon. His health makes the old man irritable, and his style of orders to those attending angels is affected a good deal in consequence: "Come, get around quick there, No. 7! Stir your stomachs, No. 16! What do you suppose I married you for, No. 24? Waltz up lively, No. 27! Who gives you chicken soup three times a day, and a new bonnet every month, lazy bones! Numbers 33 and 34, stop jawing, and pay attention when your turn comes!" It is thought that this sort of thing does more to keep the old man's spirits up and his soul and body together than all the doctors could do.

In New York, last week, Louisa Henser, a pretty girl of fourteen, attempted to commit suicide by drinking a quart of a pint of red ink. This sounds ink red-ible, but it is true. The physician didn't order her to swallow a sheet of blotting pad, because he didn't think it would be wise.—Norrilstown Herald.

The question is again agitated, "Shall women be permitted to pass the hat in our churches?" A few years ago, when hoops were in vogue, the ladies couldn't "pass a hat" in the aisle without dragging it up to the pew they entered. But the present style of dress permits them to pass the hat easy enough.—Norrilstown Herald.

"What's all this talk about the currency and the five-twenties and the fifty-fifties that I hear about, Mike?" "Why, bless your soul, don't you know, Pat? It means that the Government wants to make the laboring man work from five-twenty in the morn'g till six-thirty in the evening." "Och, the spalpeen! May the devil choke them!"

A KENTUCKY COURT has recently decided that newspaper men have a right to carry deadly weapons if deemed necessary for self defense while in the discharge of journalistic duties.

Why is making love like studying law? Because it's making ready for courting.

NOTICE.—To all it may concern: I have procured the services of Mr. S. P. Romig, of La Grande, who is well known in this country and California as a workman in all the various branches of the trade. As a horse-shoer he is surpassed by none. I only request my friends and teamsters to come and give us a trial to be convinced. All work warranted to give entire satisfaction, and at the customary rates of the country. S. A. GAINES. 1141st

How to get Stamina.—Iron frames and strong nervous systems are not the lot of all. But the feeble need not despair. By adopting the right means, they may live as long and enjoy life as much as their more robust neighbors. Physical invigoration is, however, necessary to this end; and while the "spirituous" tonics and nerve stimulants usually prescribed eventually depress both body and mind, Dr. J. WALKER'S CALIFORNIA VINEGAR BITTERS invariably supply new vigor to the frame, while they regulate every disordered function.
