FIRST CLASS HOTEL.

Rules and Regulations Belating to the Duties of Assessors, Adopted to a Washington special, is considerably amused over a newspaper discus-sion about the liability of postmasters for the loss of registered letters. He says that neither postmasters nor the by the State Board of Equalization.

1. County Assessors are reminded of the importance of commencing their duties as required by law on the first day of March in each year and of proceeding without delay to complete them be-

fore the last Monday in August, which Government holds out inducements for you to intrust your money to its keepshould be done without fail, in order ing ; tells you it will be safe ; you take that the County Board may examine its word, intrust your money to a Govand pass the roll to the State Board by ernment officer ; it is stolen ; you comthe second Monday in September. plain : the Postmaster General is " con-

2. As uniformity in the assessment rolls of the various counties of the State is essential, a blank roll is furnished to each assessor, which should be filled up substantially in the form shown by the sample page accompanying it. 3. Land should in all cases be de-

scribed by section, township and range, and when consisting of legal subdivisions such should be described.

4. In order to avoid the numerous omissions now made in the assessment of real estate the maps required by the law should be kept posted up so as to administer it, and the Postmaster-General is "considerably amused," too, show the assessor the actual present while the thief is rioting on your money; owner of each and every tract of which and he is amused when the President the title has passed from the United pardons him; in fact everybody con States or from the State of Oregon.

5. In appraising lands due regard should be had to locality, nearness to market and to all particulars affecting their salable cash value, which should in all cases be the standard of valuation both of real and personal property. 6. It is desirable that the assessor

honest man, kind heart, feels sorry for himself and not the assessed should be convicted thieves, pardons. the judge of values by personal inspection whenever practicab

7. Greater care is required on the part of the assessor not to omit assessing the lands and other property of corporations, such as wagon road, railton Territory several years ago, with the wife of his friend, has found another affinity. The woman he seduced road and telegraph companies, and all from her husband and home on the associations holding lands, whether by grant from Congress or otherwise. ground of her being his spiritual affinity, died in San Francisco under an opera-

S. Assessors should deduct the taxpayer's indebtedness within the State only, and in all cases comply with the law requiring the amount of indebtedness to be given under oath, and when a tax-payer desires to claim an indebtedness, the following oath should be administered :

each other. County of ...... .....do solemnly swear

that I am legally indebted within the State of Oregon in the sum of ..... and that said indebtednes has not been

STATE OF OREGON,

deducted from the amount of my\_taxable property in any other county for the present year.

Subscribed and sworn to before me this .... day of ..... A. D..... ...............

Assessor of ..... county. Provided, That when a tax-payer

owns taxable property in two or more counties in the State he should have the benefit of his indebtedness in proportion to his taxable property in such

counties. 9. Whereas, therefore, some assess ors have not shown on the roll the deduction of \$300 exemption allowed by law, while others have, it is desirable that hereafter the uniform practice to assess all property subject to taxation, entering it on the assessment roll in its appropriate column, and then make the authorized deduction.

10. Where the personal property of ny householder is less than the \$300 cempt by law, the exemption noted on

such personal property. 11. In no case should the amount of debtedness and exemption of a taxis property. Thus, if the amount of n individual's taxable property is five undred dollars and he swears to au in-

ebtedness of five thousand, a sum onequal to the amount of his property ould appear in the columns of indebtiness and exemption, since the excess his debts over his assets is a fact, of benefit to the county or State, but nds to create confusion.

12. It is advised that the capital ock and other property of all banking ad other companies, where not otherise more convenient, should be assessto each company in its corporate

13. In cases where parties are bonds en or sureties for others, such obligaons do not constitute an indebtedness be allowed as a set-off against taxa-

14. Assessors are reminded that the law requires them to collect the poll tax as it is assessed.

N. H. GATES, Chairman Board of Equalization.

IT is inelegant to ask your sweetheart if she is " hot." It is much prettier to say : Euphronosia darling, does the excessive closeness of the atmosphere cause a perspirative affection to overcome thy angelic physicalissimus?" Such being the case, the fair one must not say, "You bet, old hoss!" but she may gasp a little gasp, and softly sibilate : "Alphonso, dearest, your solicitude for my comfort has led you to di-

sible in such cases.-Exchange.

The Postmaster General, according

vine the exact nature of my present situation." After this, the blamed fools may do as they please. We can't be giving advice all the time.

Nothing so strongly indicates the man of pure and wholesome thought as habiual purity of speech. By his conversation, among his own kind, you may al ways pretty accurately form an opinion as to the moral worth of a man. It is there, where no restraint is supposed to be placed upon his words, that you discover his true nature. If he is given to looseness of discurse, or his mind wane roll should only equal the amount ders to the discussion of subjects proscribed in mixed company or respecta-

ble society, you may justly mark him ayer appear to exceed the amount of as one with whom association is unde-

> The Boston Reliet Committee ha discovered a class of poor people whose existence had hardly been known before. They are poor Portuguese, who are congregated at the North Ead of the city to the number of some 5,000. They emigrated chiefly from Fayal, postmasters. the men being mostly sailers, while the women carn a miserable livelihood by sewing. Many of them were among the needlewomen who lost their occupation by the fire.

It was a woman, the wife of an Irish King, that caused the English to invade and conquer Ireland. It was a woman that sold out Troy, and imposed upon us that miserable slush about the wood-Adam's fall, when we sinned all.

and a colored man, having by industry made a handsome fortune, has purchased the Lutheran church in Petty ville, Ohio, and has given it to his colored brethren.

San Francisco is rapidly gaining notoriety on the divorce question, the courts of that city baving granted 237 during the year just closed. It is calculated that the number will be greatly increased this year.

Advertising bulletins frequently flud their way to the garrets of hotels and public places-certainly not very gratifying to those who pay their money and take their choice. The newspaper after all is the medium by which the enterprising merchant reaches the public.

During the past two years, thousands of cattle have been driven into Montana from Texas, Colorado and Wyoming. It is estimated that more than a hundred thousand head are now in the Territory, the owners intending to let their herds increase until the Northern Pacific Railroad gives them an outlet to market.

The Post office Committee unanimously authorized Farnsworth, chairman, to prepare a bill to reduce letter postage to two cents, and to require prepayment on all printed matter except weekly papers ciculating where they are printed. The estimate for the Postoffice Department shows \$13,000,000 annualy lost on account of postage on printed matter being confiscated by

The Secretary of the Samana Bay Company says it is stipulated with the American Government that the Compauy is to protect itself from outside interference, but count on the sympathy and aid of foreign governments. A Washington dispatch states that Congressmen consider the Samana scheme impracticable, and the Haytien Minister thinks the American purchasers will find they have made a bad speculation, en horse. It was a woman that caused the place being fit for nothing but a naval station.

At San Francisco catalogue prices. Miscellane
