person to call again."

Hetta felt for her purse; there were only a few shillings in it. While her father was alive, and she received a handsome allowance through his agents, her uncle had been wont to load her with presents; now, he rarely remembered her. "Let the poor man come up, Walter. I can pity and advise if I can do no more."

The next minute, a tall, slim, but well-made young fellow, stood before her—the half-starved Len of earlier days, transformed by better health and usage into a man, shrewd, self-possesed, and, despite his hum-ble dress, capable of great things, and speaking like one who has read much and well.

that Hetta felt haif afraid, and laid her have claimed. I go back to obscurity that hand on the bell. He had paused beside a you may be the happy wife of Maurice Catable, on which lay, amongst other elegant trifles, a costly Japanese fan. Almost unremember kindly, and I will never trouble

fell on the floor and broke.

But when his eyes fell on the young lady,

he apologised for his rudenes, and frankly asked if she might be entrusted with his reasons for insisting on an interview with "I am Leonard Capel!" he startled her

by asserting—"the only son of his brother Robert." "But Mr. Capel has no brother living ! said Hetta, as soon as she could command her voice. "The one he had—my own dear father—was killed in an outbreak of the na-

and on foot, to seek an interview with the

ness till wearied out, she died."

"This is a sad tale indeed!" murmured Hetta, tearfully. "And her son—why has he not told it sooner?"

"It was a sad tale indeed!" murmured that the girl she had nursed and known from her infancy deserved the arrest tale and to buy it. I understand, however, since that the girl she had nursed and known from her infancy deserved the arrest tale arrest tale are the from her infancy deserved the arrest tale are the first tale are the

"Ignorant of the value of the papers in his mother's possession, and robbed of them as soon as she was no more, he was a poor, ill-used waif, until curiosity leading him to come and look at a house his mother had pointed out to him when they first arrived n London, he met with two adventures. An angel, in the shape of a fair, gent'e child, pitied the ragged wretch, and be-stowed on him her all; the first piece of

ed the circumstance.

"Before he could make use of this gener-
