CONSTITUTIONAL.

MR. EDITOR: "Come, let us reason together." It may be well for the people to THEP CONSTANTLY ON HAND AT THE post themselves in regard to the objects and nature of their Magna Charta, and their rights under it. The constitution was not the act of government, but of the people. It precedes the government, and constitutes

tender money before the days of the confed. natural curiosities. eration and with it had paid their debts, tution to govern and guide that body. The than a school teacher. A little common sense in winter. I have observed that everyenjoined upon it are clearly set forth in the education upon.

to bring about the specified results. or nations or power has deprived our nation or nation or nations of power has deprived our nation or nations of power has deprived our nation of nations o of it? If we have not been deprived of the power, where does it rest? The people ie expecting the reservation would be opened and the same time proposer, where does it rest? The people ie fessing to be a friend of the Indians. Yours raspberries and strawberries are in great defect to product that otherwise would have been left to product that otherwise would have been products that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that otherwise would have been deprived of the product that the prod WILL PRACTICE IN ALL THE COURTS their sovereignty originally possessed it. Yaquina Bay, Feb. 28, 1879. Did they through the constitution delegate Judge, and given close attention to Probate this prerogative to the government? "To matters, I am well prepared to attend to all provide for the common defense, and to probusiness in that line; also contested Road Matters. I will give strict and prompt attention to collections, and as heretofore will do a thority if there was no other, to warrant er at any time when the common defense may desire."

Under what obligations is society to hon-

charter, unless that instrument specially benefit of society, the amount of its face."

Should not these orders be redeemed? prohibits it. The power to coin money is specially delegated to Congress, leaving it time they pass from one hand to another discretionary with that body to coin it out a consideration equivalent to their par value of such material and in such form as it might deem most conducive to justice and the promotion of the general welfare. While the people gave Congress unrestricted authority ment may have to spare for the benefit of people gave Congress unrestricted authority to coin money out of anything, they restricted themselves in their state authority and silver? to make gold and silver legal tender. The object of this was to avoid a mixed homogeneous currency, which would result from separate state currencies. The only clause in the constitution which the bullionists use as a pretext against the right of the government to issue legal tender paper is clause 1 of section 10, artitle 1, which declares that no State shall make anything but gold and silver coin a legal tender. If this clause can be so construed as to prohibit Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender—then Congress from making anything but gold and silver coin a legal tender. If the form the government, and then government to issue legal tender paper is the government, and then government, and then government to issue legal tender paper is the government, and then government to issue legal tender paper is the government, and then government to issue legal tender paper is the government, and then government to issue legal tender paper is the government, and then government to issue legal tender paper is the government, and then government to issue legal tender paper is the government, and then government to issue legal tender paper is the government to issue legal tender paper is the government and tower to five feet high along the curbs.

W BEST business you can engage in. \$5 in the constitution which the bullionists use as a pretext against the right of the worker of either sex, right in their own logovernment to issue legal tender paper and silver coin a legal tender—then Congress gold and silver legal tender, where does it get its authority to make copper, brass and nickel, legal tender? If Congress can make copper, brass and nickel, legal tender, nine-ty-nine hundredths fat; it can make iron, lead and paper, just as well. If the right of Congress to issue legal tender greenbacks under the constitution is doubtful, the peocannot even coin money, enter into any KEETS CONSTANTLY ON HAND ALL ty-nine hundredths fiat; it can make iron, kinds of of Congress to issue legal tender greenbacks under the constitution is doubtful, the people is the only tribunal competent to determine the power to compact and agreement by and between all the members of society ex-
